Nothing in this Contract may be construed to limit the rights or remedies of enrollees under state or federal law. The CONTRACTOR acknowledges that failure to comply with provisions of this Contract may result in the assessment of liquidated damages and/or termination of the Contract in whole or in part, and/or imposition of other sanctions as set forth in this Contract.
- A.2.2.3 The CONTRACTOR shall be responsible for the administration and management of all aspects of this Contract including all subcontractors, providers, employees, agents, and anyone acting for or on behalf of the CONTRACTOR.
- A.2.2.4 If the CONTRACTOR is part of a health maintenance organization holding company system as defined by TCA 56-11-101(b)(5), the CONTRACTOR agrees to comply with the Insurance Holding Company System Act of 1986 as set forth in TCA 56-11-101 et seq. The CONTRACTOR agrees to comply with the requirements of TCA 56-11-101 et seq. whether the CONTRACTOR is domiciled in Tennessee or is a foreign health maintenance organization subject to registration requirements and standards adopted by statute or regulation in the jurisdiction of its domicile that are substantially similar to this contained in TCA 56-11-101 et seq. If the CONTRACTOR is a foreign domiciled health maintenance organization, the manner in which the CONTRACTOR shall comply with the requirements of TCA 56-11-101 et seq. are outlined in a Memorandum of Understanding between the CONTRACTOR and the Tennessee Department of Commerce and Insurance, TennCare Oversight Division, which is incorporated herein by reference. The information disclosed or filed in accordance with the requirements of TCA 56-11-101 et. seq. shall be considered Confidential Information pursuant to TCA 56-11-108.
- A.2.2.5 The CONTRACTOR shall operate a Dual Eligible Special Needs Plan (D-SNP) in each of the counties in Tennessee, and shall coordinate Medicare as well as Medicaid, including CHOICES, benefits for dual eligible members. If the CONTRACTOR does not currently operate a D-SNP in each of the counties in Tennessee, the CONTRACTOR shall submit a plan, including specified timeframes, for establishing and operating a D-SNP in each of the counties in Tennessee. The CONTRACTOR shall work with TENNCARE to align, whenever possible, enrollment of dual eligible members in the same plan for both Medicare and Medicaid services.

- A.2.2.6 In accordance with the terms and conditions of the RFP Number 31865-00368 the CONTRACTOR is bound by the responses it has submitted through that process. Accordingly, the CONTRACTOR agrees to incorporate by reference its responses to the RFP into the terms and conditions of this contract as set forth in Section E.7. of this Contract. From time to time during the term of this Contract, TENNCARE shall provide the CONTRACTOR with a list of specific requirements as submitted by the CONTRACTOR in response to the RFP Number 31865-00368. The CONTRACTOR shall respond to the specified listing by providing an initial overview of the requirements identified by TENNCARE and continuing to provide quarterly updates thereafter. The CONTRACTOR shall submit a report and workplan describing how each of the identified requirements will be or have been implemented. The CONTRACTOR shall provide an ongoing quarterly update based on a schedule determined by TENNCARE to detail progress of the implementation of these requirements until otherwise directed by TENNCARE. The failure of the CONTRACTOR to provide a response by TENNCARE under the requirements of this section shall be considered a Level B liquidated damage violation and damages shall accrue in accordance with Section B.2 of the Liquidated Damages Chart (Section E.29.2.2.7 of this Contract) for any failure, including timeliness, of the CONTRACTOR to respond as required.

A.2.3 ELIGIBILITY FOR TENNCARE

A.2.3.1 Overview

TennCare is Tennessee's Medicaid program operating under the authority of a research and demonstration project approved by the federal government pursuant to Section 1115 of the Social Security Act. Eligibility for TennCare is determined by the State in accordance with federal requirements and state law and policy.

A.2.3.2 Eligibility Categories

TennCare currently consists of traditional Medicaid coverage groups (TennCare Medicaid) and an expanded population (TennCare Standard).

2.3.2.1 TennCare Medicaid

As provided in state rules and regulations, TennCare Medicaid covers all Medicaid mandatory eligibility groups as well as various optional categorically needy and medically needy groups, including children, pregnant women, the aged, and individuals with disabilities. Additional detail about eligibility criteria for covered groups is provided in state rules and regulations.

2.3.2.2 TennCare Standard

TennCare Standard includes the Standard Spend Down (SSD) population, the CHOICES 217-Like HCBS Group, and an expanded population of children. Additional detail about eligibility criteria for covered groups is provided in state rules and regulations.

A.2.3.3 TennCare CHOICES Groups

As specified in Section A.2.6.1.5, in order to receive covered long-term care services, a member must be enrolled by TENNCARE into one of the CHOICES Groups (as defined in Section A.1).

A.2.3.4 TennCare Applications

The CONTRACTOR shall not cause applications for TennCare to be submitted. However, as provided in Section A.2.9.6.3, the CONTRACTOR shall facilitate members' eligibility determination for CHOICES enrollment.

A.2.3.5 Eligibility Determination and Determination of Cost Sharing

The State shall have sole responsibility for determining the eligibility of an individual for TennCare. The State shall have sole responsibility for determining the applicability of TennCare cost sharing amounts, the collection of applicable premiums, and determination of patient liability.

A.2.3.6 Eligibility for Enrollment in an MCO

Except for TennCare enrollees enrolled in the Program of All-Inclusive Care for the Elderly (PACE) and enrollees who are only receiving assistance with Medicare cost sharing, all TennCare enrollees will be enrolled in an MCO, including TennCare Select (see definition in Section A.1 of this Contract).

A.2.4 ENROLLMENT IN AN MCO

A.2.4.1 General

TENNCARE is solely responsible for enrollment of TennCare enrollees in an MCO.

A.2.4.2 Authorized Service Area

2.4.2.1 Grand Region

Enrollees will be enrolled in MCOs by Grand Region(s) of the state. The specific counties in each Grand Region are listed in Section A.1 of this Contract.

2.4.2.2 CONTRACTOR's Authorized Service Area

The CONTRACTOR is authorized under this Contract to serve enrollees who reside in the Grand Region(s) specified below:

XEast Grand Region XMiddle Grand Region XWest Grand Region

2.4.2.2.1 The CONTRACTOR must serve all Grand Regions in the state.

2.4.2.2.2 If for any reason it is determined by TENNCARE that the CONTRACTOR is not adequately serving one or more authorized Grand Regions, TENNCARE may, pursuant to Sections D.3 and E.14.6 Termination for Convenience or Sections D.4 and E.14.2 Termination for Cause of this Contract, at any time, terminate authorization of any or all of the Grand Regions being served and disenroll the enrollees in the Grand Region from the health plan.

2.4.2.2.3 To the extent possible and practical, TENNCARE shall provide advance notice to all other MCOs of the approved closing, limiting, or re-opening of enrollment of any MCO serving the Grand Region whichever is applicable; however, failure by TENNCARE to provide advance notice shall not limit in any manner the responsibility of each MCO to comply with the terms of this Contract.

- 2.4.2.2.4 If authorization to serve a specific Grand Region is terminated, regardless of the reason, the CONTRACTOR shall submit a termination plan as specified in Section E.14.8 of this Contract, specific to the Grand Region being terminated.

A.2.4.3 Maximum Enrollment

- 2.4.3.1 The CONTRACTOR agrees to accept enrollment in the CONTRACTOR's MCO of up to fifty percent (50%) of the eligible population in the applicable Grand Region. TENNCARE shall determine and notify the CONTRACTOR of the number of eligibles in the applicable Grand Region and the CONTRACTOR's maximum enrollment limit, which shall be approximately fifty percent (50%) of the eligible population in the applicable Grand Region.
- 2.4.3.1.1 If TENNCARE determines an MCO (hereafter called an Underperforming MCO), other than the CONTRACTOR, is not adequately serving one or more Grand Regions and determines the CONTRACTOR has adequate capacity and it is necessary to transfer additional enrollment from the Underperforming MCO into the CONTRACTOR's plan, the CONTRACTOR agrees to accept enrollment of up to seventy percent (70%) of the eligible population in the applicable Grand Region.
- 2.4.3.2 TENNCARE may establish an enrollment threshold for the CONTRACTOR at a percentage of the CONTRACTOR's maximum enrollment limit and may limit enrollee assignment in certain circumstances in order to remain within the threshold. This enrollment threshold may be adjusted by TENNCARE at its discretion.
- 2.4.3.3 Once the CONTRACTOR's enrollment threshold is met, TENNCARE may discontinue default assignment of enrollees to the CONTRACTOR's MCO. Enrollees who select the CONTRACTOR or whose family members are enrolled in the CONTRACTOR's MCO shall continue to be enrolled in the CONTRACTOR's MCO until the maximum enrollment limit established in Section A.2.4.3.1 above is met.
- 2.4.3.4 Both TENNCARE and the CONTRACTOR recognize that management of the CONTRACTOR's maximum enrollment limit and enrollment threshold within exact limits may not be possible. In the event enrollment in the CONTRACTOR's MCO exceeds the maximum enrollment limit, TENNCARE may reduce enrollment in the CONTRACTOR's MCO based on a plan established by TENNCARE that provides appropriate notice to the CONTRACTOR, allows appropriate choice of MCOs for enrollees, and meets the objectives of the TennCare program.
- 2.4.3.5 The establishment of a maximum enrollment limit and/or of an enrollment threshold does not obligate the State to enroll a certain number of TennCare enrollees in the CONTRACTOR's MCO and does not create in the CONTRACTOR any rights, interests or claims of entitlement to enrollment. The CONTRACTOR's actual enrollment level will be determined through the MCO selection and assignment process described in Section A.2.4.4 below.
- 2.4.3.6 Upon the request of TENNCARE, the CONTRACTOR shall demonstrate to the satisfaction of TENNCARE it has the capacity to serve the number of enrollees in the maximum enrollment limit.

A.2.4.4 MCO Selection and Assignment

2.4.4.1 General

TENNCARE shall enroll individuals determined eligible for TennCare and eligible for enrollment in an MCO that is available in the Grand Region in which the enrollee resides. Enrollment in an MCO may be the result of an enrollee's selection of a particular MCO or assignment by TENNCARE. Enrollment in the CONTRACTOR's MCO is subject to the CONTRACTOR's maximum enrollment limit and threshold (see Section A.2.4.3) and capacity to accept additional members.

2.4.4.2 Current TennCare Enrollees

Except as provided in Section A.2.4.4.6 below, TennCare enrollees who are known to be eligible for enrollment with the CONTRACTOR as of the start date of operations (defined in Section A.1 of this Contract) and residing in the Grand Region served by the CONTRACTOR (referred to herein as "current TennCare enrollees") shall be assigned by TENNCARE to the MCOs serving the Grand Region in accordance with the process described in Section A.2.4.4.6 below. Except as otherwise provided in Section A.2.4.4, this includes enrollees currently enrolled in another MCO, including TennCare Select.

2.4.4.3 New TennCare Enrollees

2.4.4.3.1 Except as otherwise provided in this Contract, all non-SSI applicants shall be required at the time of their application to select an MCO other than TennCare Select from those MCOs available in the Grand Region where the applicant resides. If the applicant does not select an MCO, the person will be assigned to an MCO by the State in accordance with Section A.2.4.4.6.

2.4.4.3.2 Adults eligible for TennCare as a result of being eligible for SSI benefits will be assigned to an MCO (other than TennCare Select) by the State.

2.4.4.3.3 Children eligible for TennCare as a result of being eligible for SSI will be assigned to TennCare Select (defined in Section A.1 of this Contract) but may opt-out of TennCare Select and choose another MCO.

2.4.4.3.4 TennCare may allow enrollment of new TennCare enrollees in TennCare Select if there is insufficient capacity in other MCOs.

2.4.4.4 Children in State Custody

TennCare enrollees who are children in the custody of the Department of Children's Services (DCS) will be enrolled in TennCare Select. When these enrollees exit state custody, they remain enrolled in TennCare Select for a specified period of time and then are disenrolled from TennCare Select. After disenrollment from TennCare Select, if the enrollee has a family member in an MCO (other than TennCare Select) he/she will be enrolled in that MCO. Otherwise, the enrollee will be given the opportunity to select another MCO. If the enrollee does not select another MCO, he/she will be assigned to an MCO (other than TennCare Select) using the default logic in the auto assignment process (see Section A.2.4.4.6 below).

2.4.4.5 Enrollment in MCO Other than the MCO Selected

In certain circumstances, if an enrollee requests enrollment in a particular MCO, the enrollee may be assigned by the State to an MCO other than the one that he/she requested. Examples of circumstances when an enrollee would not be enrolled in the requested MCO include, but are not limited to, such factors as the enrollee does not reside in the Grand Region covered by the requested MCO, the enrollee has other family members already enrolled in a different MCO, the MCO is closed to new TennCare enrollment, or the enrollee is a member of a population that is to be enrolled in a specified MCO as defined by TENNCARE (e.g., children in the custody of the Department of Children's Services are enrolled in TennCare Select).

2.4.4.6 Auto Assignment

2.4.4.6.1 TENNCARE will auto assign an enrollee to an MCO, in specified circumstances, including but not limited to, the enrollee does not request enrollment in a specified MCO, cannot be enrolled in the requested MCO, or is an adult eligible as a result of receiving SSI benefits.

2.4.4.6.2 The current auto assignment process does not apply to children eligible for TennCare as a result of being eligible for SSI or children in the state's custody.

2.4.4.6.3 There are four different levels to the current auto assignment process:

2.4.4.6.3.1 If the enrollee was previously enrolled with an MCO and lost TennCare eligibility for a period of two (2) months or less, the enrollee will be re-enrolled with that MCO.

2.4.4.6.3.2 If the enrollee has family members in an MCO (other than TennCare Select), the enrollee will be enrolled in that MCO.

2.4.4.6.3.3 If the enrollee is a newborn, the enrollee will be assigned to his/her mother's MCO.

2.4.4.6.3.4 If none of the above applies, the enrollee will be assigned using default logic that randomly assigns enrollees to MCOs (other than TennCare Select).

2.4.4.6.4 TENNCARE may modify the auto assignment algorithm to change or add criteria including but not limited to quality measures or cost or utilization management performance.

2.4.4.6.5 During implementation of this Contract there may be a one-time exception to the auto assignment process described above. If an incumbent MCO (defined herein as an MCO other than TennCare Select that had a contract with the Bureau of TennCare immediately preceding the start date of operations under this Contract) will provide covered services as of the start date of operations under this Contract in the same Grand Region as the previous contract, current TennCare enrollees who are known to be members of the incumbent MCO may be assigned by TENNCARE to remain with the incumbent MCO with enrollment effective the start date of operations. Current TennCare enrollees who are not known to be members of an incumbent MCO will be assigned by TENNCARE to an MCO in accordance with the process described in Section A.2.4.4.6. However, TENNCARE will assign current TennCare enrollees to ensure similar levels of enrollment as of the start date of operations for the MCOs serving the Grand Region.

2.4.4.7 Non-Discrimination

2.4.4.7.1 The CONTRACTOR shall accept enrollees in the order in which applications are approved and enrollees are assigned to the CONTRACTOR (whether by selection or assignment).

2.4.4.7.2 The CONTRACTOR shall accept an enrollee in the health condition the enrollee is in at the time of enrollment and shall not discriminate against individuals on the basis of health status or need for health care services.

2.4.4.8 Family Unit

If an individual is determined eligible for TennCare and has another family member already enrolled in an MCO, that individual shall be enrolled in the same MCO. This does not apply when the individual or family member is assigned to TennCare Select. If the newly enrolled family member opts to change MCOs during the 45-day change period (see Section A.2.4.7.2.1), all family members in the case will be transferred to the new MCO.

A.2.4.5 Effective Date of Enrollment

2.4.5.1 Initial Enrollment of Current TennCare Enrollees

The effective date of initial enrollment in an MCO for TennCare enrollees who are enrolled in accordance with Section A.2.4.4.2 shall be the date provided on the outbound 834 enrollment file from TENNCARE. In general, the effective date of enrollment for these enrollees will be the start date of operations.

2.4.5.2 Ongoing Enrollment

In general, a member's effective date of enrollment in the CONTRACTOR's MCO will be the member's effective date of eligibility for TennCare. For SSI enrollees the effective date of eligibility/enrollment is determined by the Social Security Administration in approving SSI coverage for the individual. The effective date of eligibility for other TennCare enrollees is the date of application or the date of the qualifying event (e.g., the date the spend down obligation is met for medically needy enrollees). The effective date on the outbound 834 enrollment file provided by TENNCARE to the CONTRACTOR shall govern regardless of the other provisions of this Section A.2.4.5.2.

2.4.5.3 In the event the effective date of eligibility provided by TENNCARE to the CONTRACTOR for either the initial enrollment of current TennCare enrollees or ongoing enrollment precedes the start date of operations, the CONTRACTOR shall treat the enrollee as a member of the CONTRACTOR's MCO effective on the start date of operations. Although the enrollee is not a member of the CONTRACTOR's MCO prior to the start date of operations, the CONTRACTOR shall be responsible for the payment of claims incurred by the enrollee during the period of eligibility prior to the start date of operations as specified in Section B.1.

2.4.5.4 Enrollment Prior to Notification

- 2.4.5.4.1 Because individuals can be retroactively eligible for TennCare, and the effective date of initial enrollment in an MCO is the effective date of eligibility or start date of operations, whichever is sooner, the effective date of enrollment may occur prior to the CONTRACTOR being notified of the person's enrollment. Therefore, enrollment of individuals in the CONTRACTOR's MCO may occur without prior notice to the CONTRACTOR or enrollee.
- 2.4.5.4.2 The CONTRACTOR shall not be liable for the cost of any covered services prior to the effective date of enrollment/eligibility but shall be responsible for the costs of covered services obtained on or after 12:01 a.m. on the effective date of enrollment/eligibility.
- 2.4.5.4.3 TENNCARE shall make payments to the CONTRACTOR from the effective date of an enrollee's date of enrollment/eligibility. If the effective date of enrollment/eligibility precedes the start date of operations, payment shall be made in accordance with Section C.3.
- 2.4.5.4.4 Except for applicable TennCare cost sharing and patient liability, the CONTRACTOR shall ensure that members are held harmless for the cost of covered services provided as of the effective date of enrollment with the CONTRACTOR.

A.2.4.6 **Eligibility and Enrollment Data**

- 2.4.6.1 The CONTRACTOR shall receive, process, and update outbound 834 enrollment files from TENNCARE. Enrollment data shall be updated or uploaded systematically to the CONTRACTOR's eligibility/enrollment database(s) within twenty-four (24) hours of receipt from TENNCARE. Any outbound 834 transactions which fail to update/load systematically must be manually updated within twenty-four (24) hours of receipt. The CONTRACTOR shall report to TENNCARE, in a form and format to be provided by TENNCARE, outbound 834 transactions that are not processed within these time frames and include information regarding when the transactions were completed. Any transactions that are not updated/loaded within twenty-four (24) hours of receipt from TENNCARE and/or persistent issues with high volumes of transitions that require manual upload may require the CONTRACTOR to initiate a Corrective Action Plan for resolution of the issues preventing compliance. If the CONTRACTOR has reason to believe they may not meet this requirement based on unusual circumstances, the CONTRACTOR must notify TENNCARE and TENNCARE may make an exception without requiring a Corrective Action Plan.
- 2.4.6.2 The CONTRACTOR shall provide an electronic eligibility file (inbound 834) to TENNCARE as specified and in conformance to data exchange format and method standards outlined in Section A.2.23.5.

A.2.4.7 **Enrollment Period**

2.4.7.1 General

- 2.4.7.1.1 The CONTRACTOR shall be responsible for the provision and costs of all covered physical health and behavioral health services provided to enrollees during their period of enrollment with the CONTRACTOR. The CONTRACTOR shall also be responsible for the provision and costs of covered long-term care services provided to CHOICES members.

2.4.7.1.2 Enrollment shall begin at 12:01 a.m. on the effective date of enrollment in the CONTRACTOR's MCO and shall end at 12:00 midnight on the date that the enrollee is disenrolled from the CONTRACTOR's MCO (see Section A.2.5).

2.4.7.1.3 Once enrolled in the CONTRACTOR's MCO, the member shall remain enrolled in the CONTRACTOR's MCO until or unless the enrollee is disenrolled pursuant to Section A.2.5 of this Contract.

2.4.7.2 Changing MCOs

2.4.7.2.1 *45-Day Change Period*

After becoming eligible for TennCare and enrolling in the CONTRACTOR's MCO (whether the result of selection by the enrollee or assignment by TENNCARE), enrollees shall have one (1) opportunity, anytime during the forty-five (45) day period immediately following the date of enrollment with the CONTRACTOR's MCO or the date TENNCARE sends the member notice of enrollment in an MCO, whichever is later, to request to change MCOs. Children eligible for TennCare as a result of being eligible for SSI may request to enroll in another MCO or remain with TennCare Select.

2.4.7.2.2 *Annual Choice Period*

2.4.7.2.2.1 TENNCARE shall provide an opportunity for members to change MCOs (excluding TennCare Select) every twelve (12) months. Children eligible for TennCare as a result of being eligible for SSI may request to enroll in another MCO or remain with TennCare Select.

2.4.7.2.2.2 Members who do not select another MCO will be deemed to have chosen to remain with their current MCO.

2.4.7.2.2.3 Enrollees who select a new MCO shall have one (1) opportunity anytime during the forty-five (45) day period immediately following the specified enrollment effective date in the newly selected MCO to request to change MCOs.

2.4.7.2.3 *Appeal Based on Hardship Criteria*

As provided in TennCare rules and regulations, members may appeal to TENNCARE to change MCOs based on hardship criteria.

2.4.7.2.4 *Additional Reasons for Disenrollment*

As provided in Section A.2.5.2, a member may be disenrolled from the CONTRACTOR's MCO for the reasons specified therein.

2.4.7.3 Member Moving out of Grand Region

The CONTRACTOR shall be responsible for the provision and cost of all covered services for any member moving outside the CONTRACTOR's Grand Region until the member is disenrolled by TENNCARE. TENNCARE shall continue to make payments to the CONTRACTOR on behalf of the enrollee until such time as the enrollee is enrolled in another MCO or otherwise disenrolled by TENNCARE (e.g.,

enrollee is terminated from the TennCare program). TENNCARE shall notify the CONTRACTOR promptly upon enrollment of the enrollee in another MCO.

A.2.4.8 Transfers from Other MCOs

- 2.4.8.1 The CONTRACTOR shall accept enrollees (enrolled or pending enrollment) from any MCO in the CONTRACTOR's service area as authorized by TENNCARE. The transfer of membership may occur at any time during the year. No enrollee from another MCO shall be transferred retroactively to the CONTRACTOR except as specified in Section A.2.4.9. Except as provided in Section A.2.4.9, the CONTRACTOR shall not be responsible for payment of any covered services incurred by enrollees transferred to the CONTRACTOR prior to the effective date of transfer to the CONTRACTOR.
- 2.4.8.2 Transfers from other MCOs shall be in consideration of the maximum enrollment levels established in Section A.2.4.3.
- 2.4.8.3 To the extent possible and practical, TENNCARE shall provide advance notice to all MCOs serving a Grand Region of the impending failure of one of the MCOs serving the Grand Region; however, failure by TENNCARE to provide advance notice shall not limit in any manner the responsibility of each MCO to accept enrollees from failed MCOs.

A.2.4.9 Enrollment of Newborns

- 2.4.9.1 TennCare-eligible newborns and their mothers, to the extent that the mother is eligible for TennCare, should be enrolled in the same MCO with the exception of newborns that are SSI eligible at birth. Newborns that are SSI eligible at birth shall be assigned to TennCare Select but may opt out and enroll in another MCO.
- 2.4.9.2 A newborn may be inadvertently enrolled in an MCO different than its mother. When such cases are identified by the CONTRACTOR, the CONTRACTOR shall immediately report to TENNCARE, in accordance with written procedures provided by TENNCARE, that a newborn has been incorrectly enrolled in an MCO different than its mother.
- 2.4.9.3 Upon receipt of notice from the CONTRACTOR or discovery by TENNCARE that a newborn has been incorrectly enrolled in an MCO different than its mother, TENNCARE shall immediately:
 - 2.4.9.3.1 Disenroll the newborn from the incorrect MCO;
 - 2.4.9.3.2 Enroll the newborn in the same MCO as its mother with the same effective date as when the newborn was enrolled in the incorrect MCO;
 - 2.4.9.3.3 Recoup any payments made to the incorrect MCO for the newborn; and
 - 2.4.9.3.4 Make payments only to the correct MCO for the period of coverage.

2.4.9.4 The MCO in which the newborn is correctly enrolled shall be responsible for the coverage and payment of covered services provided to the newborn for the full period of eligibility. Except as provided below, the MCO in which the newborn was incorrectly enrolled shall have no liability for the coverage or payment of any services during the period of incorrect MCO assignment. TENNCARE shall only be liable for the capitation payment to the correct MCO.

2.4.9.5 There are circumstances in which a newborn's mother may not be eligible for participation in the TennCare program. The CONTRACTOR shall be required to process claims received for services provided to newborns within the time frames specified in Section A.2.22.4 of this Contract. A CONTRACTOR shall not utilize any blanket policy which results in the automatic denial of claims for services provided to a TennCare-eligible newborn, during any period of enrollment in the CONTRACTOR's MCO, because the newborn's mother is not a member of the CONTRACTOR's MCO. However, it is recognized that in complying with the claims processing time frames specified in Section A.2.22.4 of this Contract, a CONTRACTOR may make payment for services provided to a TennCare-eligible newborn enrolled in the CONTRACTOR's MCO at the time of payment but the newborn's eligibility may subsequently be moved to another MCO. In such event, the MCO in which the newborn is first enrolled (first MCO) may submit supporting documentation to the MCO in which the newborn is moved (second MCO) and the second MCO shall reimburse the first MCO within thirty (30) calendar days of receipt of such properly documented request for reimbursement, for the amount expended on behalf of the newborn prior to the newborn's eligibility having been moved to the second MCO. Such reimbursement shall be the actual amount expended by the first MCO. The second MCO agrees that should the second MCO fail to reimburse the first MCO the actual amount expended on behalf of the newborn within thirty (30) calendar days of receipt of a properly documented request for payment, TENNCARE is authorized to deduct the amount owed from any funds due the second MCO and to reimburse the first MCO. In the event that the CONTRACTOR fails to reimburse the first MCO the actual amount expended on behalf of the newborn within thirty (30) calendar days of receipt of a properly documented request for payment, TENNCARE may assess liquidated damages as specified in Section E.29.2. Should it become necessary for TENNCARE to intervene in such cases, both the second MCO and the first MCO agree that TENNCARE shall be held harmless by both MCOs for actions taken by TENNCARE to resolve the dispute.

A.2.4.10 Information Requirements Upon Enrollment

As described in Section A.2.17 of this Contract, the CONTRACTOR shall provide the following information to new members: a member handbook, an identification card, and information regarding how to access and/or request a general provider directory and/or a CHOICES provider directory. In addition, the CONTRACTOR shall provide CHOICES members with CHOICES member education materials (see Section A.2.17.7).

A.2.5 DISENROLLMENT FROM AN MCO

A.2.5.1 General

A member may be disenrolled from the CONTRACTOR's MCO only when authorized by TENNCARE.

A.2.5.2 Acceptable Reasons for Disenrollment from an MCO

A member may request disenrollment or be disenrolled from the CONTRACTOR's MCO if:

- 2.5.2.1 The member selects another MCO during the forty-five (45) day change period after enrollment with the CONTRACTOR's MCO and is enrolled in another MCO;
- 2.5.2.2 The member selects another MCO during the annual choice period and is enrolled in another MCO;
- 2.5.2.3 A request by the member to change MCOs based on hardship criteria (pursuant to TennCare rules and regulations) is approved by TENNCARE, and the member is enrolled in another MCO.
- 2.5.2.4 An appeal by the member to change MCOs based on hardship criteria (pursuant to TennCare rules and regulations) is decided by TENNCARE in favor of the member, and the member is enrolled in another MCO;
- 2.5.2.5 The member is assigned incorrectly to the CONTRACTOR's MCO by TENNCARE and enrolled in another MCO;
- 2.5.2.6 The member moves outside the MCO's service area and is enrolled in another MCO;
- 2.5.2.7 During the appeal process, if TENNCARE determines it is in the best interest of the enrollee and TENNCARE (see Section A.2.19.3.9);
- 2.5.2.8 The member loses eligibility for TennCare;
- 2.5.2.9 TENNCARE grants members the right to terminate enrollment pursuant to Section E.29.1, and the member is enrolled in another MCO;
- 2.5.2.10 The CONTRACTOR no longer participates in TennCare; or
- 2.5.2.11 This Contract expires or is terminated.

A.2.5.3 Unacceptable Reasons for Disenrollment from an MCO

The CONTRACTOR shall not request disenrollment of an enrollee for any reason. TENNCARE shall not disenroll members for any of the following reasons:

- 2.5.3.1 Adverse changes in the enrollee's health;
- 2.5.3.2 Pre-existing medical or behavioral health conditions;
- 2.5.3.3 High cost medical or behavioral health bills;
- 2.5.3.4 Failure or refusal to pay applicable TennCare cost sharing responsibilities, except when this results in loss of eligibility for TennCare;
- 2.5.3.5 Enrollee's utilization of medical or behavioral health services;
- 2.5.3.6 Enrollee's diminished mental capacity; or

- 2.5.3.7 Enrollee's uncooperative or disruptive behavior resulting from his or her special needs (except when his or her continued enrollment in the MCO seriously impairs the entity's ability to furnish services to either this particular enrollee or other enrollees).

A.2.5.4 Informing TENNCARE of Potential Ineligibility

A.2.6 BENEFITS/SERVICE REQUIREMENTS AND LIMITS

A.2.6.1 CONTRACTOR Covered Benefits

- 2.6.1.1 The CONTRACTOR shall cover the physical health, behavioral health and long-term care services/benefits outlined below. Additional requirements for behavioral health services are included in Section A.2.7.2 and Attachment I.

- 2.6.1.2 The CONTRACTOR shall integrate the delivery of physical health, behavioral health and long-term care services. This shall include but not be limited to the following:

- 2.6.1.2.1 The CONTRACTOR shall operate a member services toll-free phone line (see Section A.2.18.1) that is used by all members, regardless of whether they are calling about physical health, behavioral health and/or long-term care services. The CONTRACTOR shall not have a separate number for members to call regarding behavioral health and/or long-term care services. The CONTRACTOR may either route the call to another entity or conduct a "warm transfer" to another entity, but the CONTRACTOR shall not require an enrollee to call a separate number regarding behavioral health and/or long-term care services.

- 2.6.1.2.2 If the CONTRACTOR's nurse triage/nurse advice line is separate from its member services line, the CONTRACTOR shall comply with the requirements in Section A.2.6.1.2.2 as applied to the nurse triage/nurse advice line. The number for the nurse triage/nurse advice line shall be the same for all members, regardless of whether they are calling about physical health, behavioral health and/or long-term services, and the CONTRACTOR may either route calls to another entity or conduct "warm transfers," but the CONTRACTOR shall not require an enrollee to call a separate number.

- 2.6.1.2.3 As required in Section A.2.9.6, the CONTRACTOR shall ensure continuity and coordination among physical health, behavioral health, and long-term care services and ensure collaboration among physical health, behavioral health, and long-term care providers. For CHOICES members, the member's care coordinator shall ensure continuity and coordination of physical health, behavioral health, and long-term care services, and facilitate communication and ensure collaboration among physical health, behavioral health, and long-term care providers.
- 2.6.1.2.4 Each of the CONTRACTOR's Population Health programs (see Section A.2.8) shall address the needs of members who have co-morbid physical health and behavioral health conditions.
- 2.6.1.2.5 The CONTRACTOR shall provide the appropriate level of Population Health services (see Section A.2.8.4 of this Contract) to non-CHOICES members with co-morbid physical health and behavioral health conditions. These members should have a single case manager that is trained to provide Population Health services to enrollees with co-morbid physical and behavioral health conditions. If a member with co-morbid physical and behavioral conditions does not have a single case manager, the CONTRACTOR shall ensure, at a minimum, that the member's Population Health Care Manager collaborates on an ongoing basis with both the member and other individuals involved in the member's care. As required in Section A.2.9.6.1.9 of this Contract, the CONTRACTOR shall ensure that upon enrollment into CHOICES, the appropriate level of Population Health activities are integrated with CHOICES care coordination processes and functions, and that the member's assigned care coordinator has primary responsibility for coordination of all the member's physical health, behavioral health and long-term care needs. The member's care coordinator may use resources and staff from the CONTRACTOR's Population Health program, including persons with specialized expertise in areas such as behavioral health, to supplement but not supplant the role and responsibilities of the member's care coordinator/care coordination team. The CONTRACTOR shall report on its Population Health activities per requirements in Section A.2.30.5.
- 2.6.1.2.6 If the CONTRACTOR uses different Systems for physical health services, behavioral health and/or long-term care services, these systems shall be interoperable. In addition, the CONTRACTOR shall have the capability to integrate data from the different systems.
- 2.6.1.2.7 The CONTRACTOR's administrator/project director (see Section A.2.29.1.3.1) shall be the primary contact for TENNCARE regarding all issues, regardless of the type of service, and shall not direct TENNCARE to other entities. The CONTRACTOR's administrator/project director shall coordinate with the CONTRACTOR's senior executive psychiatrist who oversees behavioral health activities (see Section A.2.29.1.3.5 of this Contract) for all behavioral health issues and the senior executive responsible for CHOICES activities (see Section A.2.29.1.3.7 of this Contract) for all issues pertaining to the CHOICES program.

2.6.1.5.2 TennCare enrollees will be enrolled by TENNCARE into CHOICES if the following conditions, at a minimum, are met:

- 2.6.1.5.2.3 For Group 2, the CONTRACTOR or, for new TennCare applicants, TENNCARE or its designee, determines that the enrollee's combined CHOICES HCBS, private duty nursing and home health care can be safely provided at a cost less than the cost of nursing facility care for the member;

- 2.6.1.5.2.5 For Groups 2 and 3, but excluding Interim Group 3, if there is an enrollment target, TENNCARE determines that the enrollment target has not been met or, for Group 2, approves the CONTRACTOR's request to provide CHOICES HCBS as a cost effective alternative (see Section A.2.6.5). Enrollees transitioning from a nursing facility to the community will not be subject to the enrollment target for Group 2 but must meet categorical and financial eligibility for Group 2.

2.6.1.5.3.1 The CONTRACTOR shall review all requests for short-term NF stays and shall authorize and/or reimburse short-term NF stays for Group 2 and Group 3 members only when (1) the member is enrolled in CHOICES Group 2 or 3, as applicable, and receiving HCBS upon admission; (2) the member meets the nursing facility level of care in place at the time of admission; (3) the member's stay in the facility is expected to be less than ninety (90) days; and (4) the member is expected to return to the community upon its conclusion. The CONTRACTOR shall monitor all short-term NF stays for Group 2 and Group 3 members and shall ensure that the member is transitioned from Group 2 or Group 3, as applicable, to Group 1 at any time a) it is determined that the stay will not be short-term or the member will not transition back to the community; and b) prior to exhausting the ninety (90)-day short-term NF benefit covered for CHOICES Group 2 and Group 3 members.

2.6.1.5.3.1.1 The ninety (90) day limit shall be applied on a per admission (and not a per year) basis. A member may receive more than one short-term stay during the year; however, the visits shall not be consecutive. Further, the CONTRACTOR shall be responsible for carefully reviewing any instance in which a member receives multiple short-term stays during the year or across multiple years, including a review of the circumstances which resulted in each nursing facility admission, and shall evaluate whether the services and supports provided to the member are sufficient to safely meet his needs in the community such that transition back to CHOICES Group 2 or Group 3 (as applicable) is appropriate.

2.6.1.5.3.1.2 The CONTRACTOR shall monitor, on an ongoing basis, members utilizing the short-term NF benefit, and shall submit to TENNCARE on a monthly basis a member-by-member status for each Group 2 and Group 3 member utilizing the short-term NF stay benefit, including but not limited to the name of each Group 2

and Group 3 member receiving short-term NF services, the NF in which s/he currently resides, the date of admission for short-term stay, the number of days of short-term NF stay utilized for this admission, and the anticipated date of discharge back to the community. For any member exceeding the ninety (90)-day limit on short-term NF stay, the CONTRACTOR shall include explanation regarding why the benefit limit has been exceeded, and specific actions the CONTRACTOR is taking to facilitate discharge to the community or transition to Group 1, as applicable, including the anticipated timeline.

- 2.6.1.5.4 In addition to the benefit limits described above, in no case shall the CONTRACTOR exceed the member's individual cost neutrality cap (as defined in Section A.1 of this Contract) for CHOICES Group 2 or the expenditure cap for Group 3.
- 2.6.1.5.4.1 For CHOICES members in Group 2, the services that shall be compared against the member's individual cost neutrality cap include the total cost of CHOICES HCBS and Medicaid reimbursed home health care and private duty nursing. The total cost of CHOICES HCBS includes all covered CHOICES HCBS and other non-covered services that the CONTRACTOR elects to offer as a cost effective alternative to nursing facility care pursuant to Section A.2.6.5.2 of this Contract including, as applicable: CHOICES HCBS in excess of specified CHOICES benefit limits, the one-time transition allowance for Group 2 and NEMT for Groups 2 and 3.
- 2.6.1.5.4.2 For CHOICES members in Group 3, the total cost of CHOICES HCBS, excluding minor home modifications, shall not exceed the expenditure cap (as defined in Section A.1 of this Contract).
- 2.6.1.5.5 CHOICES members may, pursuant to Section A.2.9.7, choose to participate in consumer direction of eligible CHOICES HCBS and, at a minimum, hire, fire and supervise workers of eligible CHOICES HCBS.
- 2.6.1.5.6 The CONTRACTOR shall, on an ongoing basis, monitor CHOICES members' receipt and utilization of long-term care services and identify CHOICES members who are not receiving long-term care services. Pursuant to Section A.2.30.11.4, the CONTRACTOR shall, on a monthly basis, notify TENNCARE regarding members that have not received long-term care services for a thirty (30) day period of time. The CONTRACTOR shall be responsible for immediately initiating disenrollment of any member who is not receiving TennCare-reimbursed long-term care services and is not expected to resume receiving long-term care services within the next thirty (30) days, except under extenuating circumstances which must be reported to TennCare on the CHOICES Utilization Report. Acceptable circumstances may include, but are not limited to, a member's temporary hospitalization or temporary receipt of Medicare-reimbursed skilled nursing facility care. Such notification and/or disenrollment shall be based not only on receipt and/or payment of claims for long-term care services, but also upon review and investigation by the CONTRACTOR as needed to determine whether the member has received long-term care services, regardless of whether claims for such services have been submitted or paid.
- 2.6.1.5.7 The CONTRACTOR may submit to TENNCARE a request to no longer provide long-term care services to a member due to concerns regarding the ability to safely and effectively care for the member in the community and/or to ensure the member's health, safety and welfare. Acceptable reasons for this request include but are not limited to the following:

- 2.6.1.5.7.1 A member in Group 2 for whom the CONTRACTOR has determined that it cannot safely and effectively meet the member's needs at a cost that is less than the member's cost neutrality cap, and the member declines to transition to a nursing facility;
- 2.6.1.5.7.2 A member in Group 2 or 3 who repeatedly refuses to allow a care coordinator entrance into his/her place of residence (Section A.2.9.6);
- 2.6.1.5.7.3 A member in Group 2 or 3 who refuses to receive critical HCBS as identified through a needs assessment and documented in the member's plan of care; and
- 2.6.1.5.7.4 A member in Group 1 who fails to pay his/her patient liability and the CONTRACTOR is unable to find a nursing facility willing to provide services to the member (Section A.2.6.7.2).
- 2.6.1.5.7.5 A member in Group 2 or 3 who refuses to pay his/her patient liability and for whom the CONTRACTOR is either: 1) in the case of persons receiving CBRA services, unable to identify another provider willing to provide services to the member; or 2) in the case of persons receiving non-residential HCBS or companion care, the CONTRACTOR is unwilling to continue to serve the member, and the Bureau of TennCare has determined that no other MCO is willing to serve the member.
- 2.6.1.5.7.6 The CONTRACTOR's request to no longer provide long-term care services to a member shall include documentation as specified by TENNCARE. The State shall make any and all determinations regarding whether the CONTRACTOR may discontinue providing long-term care services to a member, disenrollment from CHOICES, and, as applicable, termination from TennCare.
- 2.6.1.5.8 The CONTRACTOR may submit to TENNCARE a request to disenroll from CHOICES a member who is not receiving any Medicaid-reimbursed LTC services based on the CONTRACTOR's inability to reach the member only when the CONTRACTOR has exhausted all reasonable efforts to contact the member, and has documented such efforts in writing, which must be submitted with the disenrollment request. Efforts to contact the member shall include, at a minimum:
 - 2.6.1.5.8.1 Multiple attempts to contact the member, his/her representative or designee (as applicable) by phone. Such attempts must occur over a period of at least two (2) weeks and at different times of the day and evening, including after business hours. The CONTRACTOR shall attempt to contact the member at the phone number provided in the outbound 834 enrollment file, any additional phone numbers the CONTRACTOR has on file, including referral records and case management notes; and phone numbers that may be provided in TENNCARE's TPAES system. The CONTRACTOR shall also contact the member's Primary Care Provider and any contracted LTC providers that have delivered services to the member during the previous six (6) months in order to obtain contact information that can be used to reach the member;
 - 2.6.1.5.8.2 At least one (1) visit to the member's most recently reported place of residence except in circumstances where significant safety concerns prevent the CONTRACTOR from completing the visit, which shall be documented in writing; and

- 2.6.1.5.8.3 An attempt to contact the member by mail at the member's most recently reported place of residence at least two (2) weeks prior to the request to disenroll.

A.2.6.3 Medical Necessity Determination

- 2.6.3.1 The CONTRACTOR may establish procedures for the determination of medical necessity. The determination of medical necessity shall be made on a case by case basis and in accordance with the definition of medical necessity defined in TCA 71-5-144 and TennCare rules and regulations. However, this requirement shall not limit the CONTRACTOR's ability to use medically appropriate cost effective alternative services in accordance with Section A.2.6.5.

- 2.6.3.2 The CONTRACTOR shall not employ, and shall not permit others acting on their behalf to employ, utilization control guidelines or other quantitative coverage limits, whether explicit or de facto, unless supported by an individualized determination of medical necessity based upon the needs of each TennCare enrollee and his/her medical history. The CONTRACTOR shall have the ability to place tentative limits on a service; however, such tentative limits placed by the CONTRACTOR shall be exceeded (up to the applicable benefit limits on behavioral health and long-term care services provided in Section A.2.6.1.4 and A.2.6.1.5 above) when medically necessary based on a member's individual characteristics.

- 2.6.3.3 The CONTRACTOR shall not arbitrarily deny or reduce the amount, duration, or scope of a required service solely because of the diagnosis, type of illness, or condition.

- 2.6.3.4 The CONTRACTOR may deny services that are non-covered except as otherwise required by TennCare Kids or unless otherwise directed to provide by TENNCARE and/or an administrative law judge.
- 2.6.3.5 All medically necessary services shall be covered for enrollees under twenty-one (21) years of age in accordance with TennCare Kids requirements (see Section A.2.7.6).

A.2.6.4 **Second Opinions**

The CONTRACTOR shall provide for a second opinion in any situation where there is a question concerning a diagnosis or the options for surgery or other treatment of a health condition when requested by a member, parent and/or legally appointed representative. The second opinion shall be provided by a contracted qualified health care professional or the CONTRACTOR shall arrange for a member to obtain one from a non-contract provider. The second opinion shall be provided at no cost to the member.

A.2.6.5 **Use of Cost Effective Alternative Services**

- 2.6.5.1 The CONTRACTOR shall be allowed to use cost effective alternative services, whether listed as covered or non-covered or omitted in Section A.2.6.1 of this Contract, when the use of such alternative services is medically appropriate and is cost effective. This may include, for example, use of nursing facilities as step down alternatives to acute care hospitalization or hotel accommodations for persons on outpatient radiation therapy to avoid the rigors of daily transportation. The CONTRACTOR shall comply with TennCare policies and procedures. As provided in the applicable TennCare policies and procedures, services not listed in the TennCare policies and procedures must be prior approved in writing by TENNCARE.
- 2.6.5.2 For CHOICES members, the CONTRACTOR may choose to provide the following as a cost effective alternative to other covered services:
 - 2.6.5.2.1 CHOICES HCBS to CHOICES members who would otherwise receive nursing facility care. If a member meets categorical and financial eligibility requirements for enrollment in Group 2 and also meets the nursing facility level of care, as determined by TENNCARE, and would otherwise remain in or be admitted to a nursing facility (as determined by the CONTRACTOR and demonstrated to the satisfaction of TENNCARE), the CONTRACTOR may, at its discretion and upon TENNCARE written prior approval, offer that member CHOICES HCBS as a cost effective alternative to nursing facility care (see Section A.2.9.6.3.15). In this instance, TENNCARE will enroll the member receiving CHOICES HCBS as a cost effective alternative to nursing facility services in Group 2, notwithstanding any enrollment target for Group 2 that has been reached.
 - 2.6.5.2.2 HCBS to CHOICES members in Group 2 in excess of the benefit limits described in Section A.2.6.1.5.3 as a cost effective alternative to nursing facility care or covered home health services.
 - 2.6.5.2.3 CHOICES HCBS to CHOICES members in Group 3 in excess of the benefit limits described in Section A.2.6.1.5.3 as a cost effective alternative to covered home health services. Members in Group 3 do not meet nursing facility level of care and as such, CHOICES HCBS in excess of benefit limits specified in Section A.2.6.1.5.3 may not be offered as a cost effective alternative to nursing facility care.

- 2.6.5.2.4 Non-covered HCBS services to CHOICES members in Group 2 not otherwise specified in this Contract or in applicable TennCare policies and procedures, upon written prior approval from TENNCARE.
- 2.6.5.2.5 For CHOICES Group 1 members transitioning from a nursing facility to Group 2 or Group 3, a one-time transition allowance, per member. The amount of the transition allowance shall not exceed two thousand dollars (\$2,000) and may be used for items such as, but not limited to, the first month's rent and/or utility deposits, kitchen appliances, furniture, and basic household items. When the CONTRACTOR elects to provide a Transition Allowance to a member transitioning to CHOICES Group 3, the amount of the Transition Allowance shall be applied to the member's Expenditure Cap.
- 2.6.5.2.6 For CHOICES members in Groups 2 or 3, non-emergency medical transportation (NEMT) not otherwise covered by this Contract.
- 2.6.5.3 If the CONTRACTOR chooses to provide cost effective alternative services to a CHOICES member, in no case shall the cost of CHOICES HCBS, private duty nursing and home health care for Group 2 exceed a member's cost neutrality cap nor the total cost of CHOICES HCBS, excluding minor home modifications, for members in Group 3 exceed the expenditure cap. The total cost of CHOICES HCBS includes all covered CHOICES HCBS and other non-covered services that the CONTRACTOR elects to offer as a cost effective alternative to nursing facility care for CHOICES Group 2 members pursuant to Section A.2.6.5.2 of this Contract including, as applicable: CHOICES HCBS in excess of specified benefit limits, the one-time transition allowance for CHOICES Group 1 members who are transitioning to CHOICES Group 2 or Group 3, and NEMT for Groups 2 and 3.

A.2.6.6 Additional Services and Use of Incentives

- 2.6.6.1 The CONTRACTOR shall not advertise any services that are not required by this Contract other than those covered pursuant to Section A.2.6.1 of this Contract.
- 2.6.6.2 The CONTRACTOR shall not offer or provide any services other than services covered by this Contract (see Section A.2.6.1) or services provided as a cost effective alternative (see Section A.2.6.5) of this Contract. However, the CONTRACTOR may provide incentives that have been specifically prior approved in writing by TENNCARE. For example, TENNCARE may approve the use of incentives given to enrollees to encourage participation in Population Health programs.

A.2.6.7 Cost Sharing and Patient Liability

2.6.7.1 General

The CONTRACTOR and all providers and subcontractors shall not require any cost sharing or patient liability responsibilities for covered services except to the extent that cost sharing or patient liability responsibilities are required for those services by TENNCARE in accordance with TennCare rules and regulations, including but not limited to, holding enrollees liable for debt due to insolvency of the CONTRACTOR or non-payment by the State to the CONTRACTOR. Further, the CONTRACTOR and all providers and subcontractors shall not charge enrollees for missed appointments.

2.6.7.2 Patient Liability

2.6.7.2.1 TENNCARE will notify the CONTRACTOR of any applicable patient liability amounts for CHOICES members via the outbound 834 enrollment file.

2.6.7.2.1.1 When TENNCARE notifies the CONTRACTOR of patient liability amounts for CHOICES members via the outbound 834 enrollment file with an effective date any time other than the first day of the month, the CONTRACTOR shall determine and apply the pro-rated portion of patient liability for that month.

2.6.7.2.2 The CONTRACTOR shall delegate collection of patient liability for CHOICES Group 1 members to the nursing facility and shall pay the facility net of the applicable patient liability amount.

2.6.7.2.2.1 In accordance with the involuntary discharge process, including notice and appeal (see Section A.2.12.10.3), a nursing facility may refuse to continue providing services to a member who fails to pay his or her patient liability and for whom the nursing facility can demonstrate to the CONTRACTOR that it has made a good faith effort to collect payment.

2.6.7.2.2.2 If the CONTRACTOR is notified that a nursing facility is considering discharging a member (see Section A.2.12.10.3), the CONTRACTOR shall work to find an alternate nursing facility willing to serve the member and document its efforts in the member's files.

2.6.7.2.2.3 If the CONTRACTOR is unable to find an alternate nursing facility willing to serve the member and the member otherwise qualifies to enroll in CHOICES Group 2, the CONTRACTOR shall determine if it can safely and effectively serve the member in the community and within the cost neutrality cap. If it can, and the CONTRACTOR is willing to continue serving a member who has failed to pay his or her patient liability or if TENNCARE determines that the member would not have patient liability in the community setting, the member shall be offered a choice of CHOICES HCBS. If the member chooses CHOICES HCBS, the CONTRACTOR shall forward all relevant information to TENNCARE for a decision regarding transition to Group 2 (Section A.2.9.6.8).

2.6.7.2.2.4 If the CONTRACTOR is unable to find an alternate nursing facility willing to serve the member and the CONTRACTOR determines that it cannot safely and effectively serve the member in the community and within the cost neutrality cap, the member declines to enroll in Group 2, or TENNCARE determines that the member would continue to have patient liability in the community setting and the CONTRACTOR is unwilling to continue serving the member who has failed to pay his or her patient liability, or TENNCARE denies enrollment in Group 2, the CONTRACTOR may, pursuant to Section A.2.6.1.5.7, request to no longer provide long-term care services to the member.

2.6.7.2.3 For CHOICES Group 2 and 3 members, patient liability shall be collected as follows:

2.6.7.2.3.1 The Contractor shall delegate collection of patient liability for CHOICES Group 2 and 3 members who reside in a CBRA (i.e., an assisted care living facility, community living support, community living support-family model, or adult care home as licensed under 68-11-201) to the CBRA and shall pay the facility net of the applicable patient liability amount.

- 2.6.7.2.3.2 The CONTRACTOR shall collect patient liability from CHOICES Group 2 and Group 3 members (as applicable) who receive CHOICES HCBS in his/her own home, including members who are receiving short-term nursing facility care, or who receive adult day care services and from Group 2 members who receive Companion Care.
- 2.6.7.2.3.2.1 The CONTRACTOR shall use calculated patient liability amounts to offset the cost of CHOICES Group 2 or CHOICES Group 3 benefits (or CEA services provided as an alternative to covered CHOICES Group 2 or Group 3 benefits) reimbursed by the CONTRACTOR for that month.
- 2.6.7.2.3.2.2 The CONTRACTOR shall not collect patient liability that exceeds the cost of CHOICES Group 2 or CHOICES Group 3 benefits (or CEA services provided as an alternative to CHOICES Group 2 or Group 3 benefits) reimbursed by the CONTRACTOR for that month.
- 2.6.7.2.3.2.3 The CONTRACTOR shall, upon notification in the outbound 834 enrollment file of retroactive adjustments in patient liability amounts based on Item D deductions, without requiring any action on the part of the member or provider, adjust the Group 2 or Group 3 member's patient liability for the following month(s) until reimbursement of any overpayment is accomplished, or shall refund any overpayments within thirty (30) days of a request from the member or when the member will not continue to have patient liability obligations going forward.
- 2.6.7.2.3.3 If a Group 2 or Group 3 member fails to pay required patient liability, pursuant to Section A.2.6.1.5.7.6, the CONTRACTOR may request to no longer provide long-term care services to the member.
- 2.6.7.2.3.4 The CONTRACTOR shall not waive or otherwise fail to establish and maintain processes for collection of patient liability in accordance with this Contract.
- 2.6.7.3 Preventive Services
- TennCare cost sharing or patient liability responsibilities shall apply to covered services other than the preventive services described in TennCare rules and regulations.
- 2.6.7.4 Cost Sharing Schedule
- The current TennCare cost sharing schedule is included in this Contract as Attachment II. The CONTRACTOR shall not waive or use any alternative cost sharing schedules, unless required by TENNCARE.
- 2.6.7.5 Provider Requirements
- 2.6.7.5.1 Providers or collection agencies acting on the provider's behalf may not bill enrollees for amounts other than applicable TennCare cost sharing or patient liability amounts for covered services, including but not limited to, services that the State or the CONTRACTOR has not paid for, except as permitted by TennCare rules and regulations and as described below. Providers may seek payment from an enrollee only in the following situations.

- 2.6.7.5.1.1 If the services are not covered services and, prior to providing the services, the provider informed the enrollee that the services were not covered. The provider shall inform the enrollee of the non-covered service and have the enrollee acknowledge the information. If the enrollee still requests the service, the provider shall obtain such acknowledgment in writing prior to rendering the service. Regardless of any understanding worked out between the provider and the enrollee about private payment, once the provider bills an MCO for the service that has been provided, the prior arrangement with the enrollee becomes null and void without regard to any prior arrangement worked out with the enrollee.
- 2.6.7.5.1.2 If the enrollee's TennCare eligibility is pending at the time services are provided and if the provider informs the person they will not accept TennCare assignment whether or not eligibility is established retroactively. Regardless of any understanding worked out between the provider and the enrollee about private payment, once the provider bills an MCO for the service the prior arrangement with the enrollee becomes null and void without regard to any prior arrangement worked out with the enrollee.
- 2.6.7.5.1.3 If the enrollee's TennCare eligibility is pending at the time services are provided, however, all monies collected, except applicable TennCare cost sharing or patient liability amounts shall be refunded when a claim is submitted to an MCO because the provider agreed to accept TennCare assignment once retroactive TennCare eligibility was established. (The monies collected shall be refunded as soon as a claim is submitted and shall not be held conditionally upon payment of the claim.)
- 2.6.7.5.1.4 If the services are not covered because they are in excess of an enrollee's benefit limit, and the provider complies with applicable TennCare rules and regulations.
- 2.6.7.5.2 The CONTRACTOR shall require, as a condition of payment, that the provider accept the amount paid by the CONTRACTOR or appropriate denial made by the CONTRACTOR (or, if applicable, payment by the CONTRACTOR that is supplementary to the enrollee's third party payer) plus any applicable amount of TennCare cost sharing or patient liability responsibilities due from the enrollee as payment in full for the service. Except in the circumstances described above, if the CONTRACTOR is aware that a provider, or a collection agency acting on the provider's behalf, bills an enrollee for amounts other than the applicable amount of TennCare cost sharing or patient liability responsibilities due from the enrollee, the CONTRACTOR shall notify the provider and demand that the provider and/or collection agency cease such action against the enrollee immediately. If a provider continues to bill an enrollee after notification by the CONTRACTOR, the CONTRACTOR shall refer the provider to the Tennessee Bureau of Investigation.

A.2.7 SPECIALIZED SERVICES

A.2.7.1 Emergency Services

- 2.7.1.1 Emergency services (as defined in Section A.1 of this Contract) shall be available twenty-four (24) hours a day, seven (7) days a week.
- 2.7.1.2 The CONTRACTOR shall review and approve or disapprove claims for emergency services based on the definition of emergency medical condition specified in Section A.1 of this Contract. The CONTRACTOR shall base coverage decisions for

emergency services on the severity of the symptoms at the time of presentation and shall cover emergency services where the presenting symptoms are of sufficient severity to constitute an emergency medical condition in the judgment of a prudent layperson. The CONTRACTOR shall not impose restrictions on coverage of emergency services more restrictive than those permitted by the prudent layperson standard. The CONTRACTOR shall have policies that address emergency and non-emergency use of services provided in an outpatient emergency setting.

- 2.7.1.3 The CONTRACTOR shall provide coverage for inpatient and outpatient emergency services, furnished by a qualified provider, regardless of whether the member obtains the services from a contract provider, that are needed to evaluate or stabilize an emergency medical condition that is found to exist using the prudent layperson standard. These services shall be provided without prior authorization in accordance with 42 CFR 438.114. The CONTRACTOR shall pay for any emergency screening examination services conducted to determine whether an emergency medical condition exists and for all emergency services that are medically necessary until the member is stabilized. However, the CONTRACTOR shall have policies to determine when non-emergency services are provided in an outpatient emergency setting.
- 2.7.1.4 If an emergency screening examination leads to a clinical determination by the examining provider that an actual emergency medical condition exists, the CONTRACTOR shall pay for both the services involved in the screening examination and the services required to stabilize the member. The CONTRACTOR shall be required to pay for all emergency services which are medically necessary until the clinical emergency is stabilized. This includes all medical and behavioral health services that may be necessary to assure, within reasonable medical probability, that no material deterioration of the member's condition is likely to result from, or occur during, discharge of the member or transfer of the member to another facility. If there is a disagreement between the treating facility and the CONTRACTOR concerning whether the member is stable enough for discharge or transfer, or whether the medical benefits of an un-stabilized transfer outweigh the risks, the judgment of the attending provider(s) actually caring for the member at the treating facility prevails and is binding on the CONTRACTOR. The CONTRACTOR, however, may establish arrangements with a treating facility whereby the CONTRACTOR may send one of its own providers with appropriate emergency room privileges to assume the attending provider's responsibilities to stabilize, treat, and transfer the member, provided that such arrangement does not delay the provision of emergency services.
- 2.7.1.5 The CONTRACTOR shall not retroactively deny a claim for an emergency screening examination because the condition, which appeared to be an emergency medical condition under the prudent layperson standard, turned out to be non-emergency in nature. If an emergency screening examination leads to a clinical determination by the examining provider that an actual emergency medical condition does not exist, then the determining factor for payment liability shall be whether the member had acute symptoms of sufficient severity at the time of presentation. In such cases, the CONTRACTOR shall review the presenting symptoms of the member and shall pay for all services involved in the screening examination where the presenting symptoms (including severe pain) were of sufficient severity to have warranted emergency attention under the prudent layperson standard regardless of final diagnosis.
- 2.7.1.6 When the member's PCP or the CONTRACTOR instructs the member to seek emergency services, the CONTRACTOR shall be responsible for payment for the medical screening examination and for other medically necessary emergency

services, without regard to whether the member's condition meets the prudent layperson standard.

- 2.7.1.7 Once the member's condition is stabilized, the CONTRACTOR may require prior authorization for hospital admission or follow-up care.

A.2.7.2 Behavioral Health Services

2.7.2.1 General Provisions

The treatment plans shall be developed, negotiated and agreed upon by the members and/or their support systems in face-to-face encounters and shall be used to identify the treatment needs necessary to meet the members' stated goals. The duration and intensity of treatment shall promote the recovery and resilience of members and shall be documented in the treatment plans.

2.7.2.2 Psychiatric Inpatient Hospital Services

- 2.7.2.2.1 The CONTRACTOR shall ensure that all psychiatric inpatient hospitals serving children, youth, and adults separate members by age and render developmental age appropriate services.

- 2.7.2.2.2 The CONTRACTOR shall require that all psychiatric inpatient facilities are accredited by the Joint Commission and accept voluntary and involuntary admissions.

- 2.7.2.2.3 Members discharged from psychiatric inpatient hospitals shall be evaluated for mental health and substance abuse services as medically necessary and provided with appropriate behavioral health follow-up services.

2.7.2.3 24-Hour Psychiatric Residential Treatment

2.7.2.3.1 The CONTRACTOR shall ensure that 24-hour psychiatric residential treatment facilities (RTFs) serving children, youth, and adults separate members by age and render developmental age appropriate services.

2.7.2.3.3 The CONTRACTOR shall ensure all RTFs meet local housing codes.

2.7.2.3.4 The CONTRACTOR shall ensure all RTFs are accredited by a State-recognized accreditation organization as required by 42 CFR 441.151.

2.7.2.4.2 The CONTRACTOR shall ensure outpatient mental health providers are capable of rendering services both on and off site, as appropriate, depending on the services being rendered. Onsite services include, but are not limited to intensive outpatient services, partial hospitalization and many types of therapy. Off site services include but are not limited to intensive in home service for children and youth and home and community treatment for adults.

2.7.2.5 Inpatient, Residential & Outpatient Substance Abuse Services

2.7.2.5.1 The CONTRACTOR shall provide substance abuse treatment through inpatient, residential and outpatient services.

2.7.2.5.2 Detoxification services may be rendered as part of inpatient, residential or outpatient services, as clinically appropriate. The CONTRACTOR shall ensure all member detoxifications are supervised by Tennessee licensed physicians with a minimum daily re-evaluations by a physician or a registered nurse.

2.7.2.6 Mental Health Case Management

2.7.2.6.1 The CONTRACTOR shall provide mental health case management services only through providers licensed by the State to provide mental health outpatient services.

2.7.2.6.2 The CONTRACTOR shall provide mental health case management services according to mental health case management standards set by the State and outlined in Attachment I. Mental health case management services shall consist of two (2) levels of service as specified in Attachment I.

2.7.2.6.3 The CONTRACTOR shall require its providers to collect and submit individual encounter records for each mental health case management visit, regardless of the

method of payment by the CONTRACTOR. The CONTRACTOR shall identify and separately report “level 1” and “level 2” mental health case management encounters outlined in Attachment I.

2.7.2.6.4 The CONTRACTOR shall require mental health case managers to involve the member, the member’s family or parent(s), or legally appointed representative, PCP, care coordinator for CHOICES members, and other agency representatives, if appropriate and authorized by the member as required, in mental health case management activities.

2.7.2.6.5 The CONTRACTOR shall ensure the continuing provision of mental health case management services to members under the conditions and time frames indicated below:

2.7.2.6.5.1 Members receiving mental health case management services at the start date of operations shall be maintained in mental health case management until such time as the member no longer qualifies on the basis of medical necessity or refuses treatment;

2.7.2.6.5.2 Members discharged from psychiatric inpatient hospitals and psychiatric residential treatment facilities shall be evaluated for mental health case management services and provided with appropriate behavioral health follow-up services; and

2.7.2.6.5.3 The CONTRACTOR shall review the cases of members referred by PCPs or otherwise identified to the CONTRACTOR as potentially in need of mental health case management services and shall contact and offer such services to all members who meet medical necessity criteria.

2.7.2.7 Psychiatric Rehabilitation Services

The CONTRACTOR shall provide psychiatric rehabilitation services in accordance with the requirements in Attachment I. As described in Attachment I, the covered array of services available under psychiatric rehabilitation are psychosocial rehabilitation, supported employment, peer recovery services, family support services, illness management and recovery, and supported housing. An individual may receive one or more of these services and may receive different services from different providers.

2.7.2.8 Behavioral Health Crisis Services

2.7.2.8.1 *Entry into the Behavioral Health Crisis Services System*

2.7.2.8.1.1 The State shall maintain a statewide toll-free telephone number for entry into the behavioral health crisis system. This line shall be for any individual in the general population for the purposes of providing immediate phone intervention by trained crisis specialists and dispatch of mobile crisis teams.

2.7.2.8.1.2 The CONTRACTOR shall ensure that the crisis telephone line is linked to an appropriate crisis service team staffed by qualified crisis service providers in order to provide crisis intervention services to members.

2.7.2.8.1.3 As required in Section A.2.11.5.3, the CONTRACTOR shall contract with specified crisis service teams for both adults and children as directed by the State.

- 2.7.2.8.1.4 The CONTRACTOR shall require the crisis service teams to provide telephone and walk-in triage screening services, telephone and face-to-face crisis intervention/assessment services, and follow-up telephone or face-to-face assessments to ensure the safety of the member until the member's treatment begins and/or the crisis is alleviated and/or stabilized.

In addition, the CONTRACTOR shall ensure that Tennessee's statutory requirement for a face-to-face evaluation by a mandatory pre-screening agent (MPA), is conducted to assess eligibility for emergency involuntary admission to an RMHI (Regional Mental Health Institute) and determine whether all available less drastic alternatives services and supports are unsuitable.

- 2.7.2.8.2.3 The CONTRACTOR shall ensure behavioral health crisis stabilization services are rendered at sites licensed by the State. These services are more intensive than regular behavioral health crisis services in that they require more secure environments, highly trained staff, and typically have longer stays.
- 2.7.2.8.3 The CONTRACTOR shall monitor behavioral health crisis services and report information to TENNCARE on a quarterly basis as described in Section A.2.30.4.3.
- 2.7.2.8.4 *Behavioral Crisis Prevention, Intervention, and Stabilization Services for Members with Intellectual or Developmental Disabilities (I/DD)*

Behavioral Crisis Prevention, Intervention, and Stabilization Services are typically initiated on-site at the crisis location to help prevent unnecessary institutional placement or psychiatric hospitalization. Such services shall include:
- 2.7.2.8.4.1.1 Assessing the nature of a crisis to determine whether the situation can be stabilized in the current location or if a more intensive level of intervention is necessary (e.g., behavioral respite, or when appropriate, inpatient mental health treatment);

- 2.7.2.8.4.1.2 Arranging the more intensive level of intervention when necessary;

- 2.7.6.1.2 The CONTRACTOR shall use the name “TennCare Kids” in describing or naming the State’s EPSDT program or services. This requirement is applicable for all policies, procedures and other material, regardless of the format or media. No other names or labels shall be used.

The CONTRACTOR shall ensure the availability and accessibility of required health care resources and shall help members and their parents or legally appointed representatives use these resources effectively.
- 2.7.6.1.4 The CONTRACTOR shall be responsible for and comply with all provisions related to screening, vision, dental, and hearing services (including making arrangements for necessary follow-up if all components of a screen cannot be completed in a single visit).

Upon notification of the inability to make an appropriate referral, the CONTRACTOR shall secure an appropriate referral and contact the member to offer scheduling assistance and transportation for members lacking access to transportation. In the event the failed referral is for dental services, the CONTRACTOR shall coordinate with the DBM to arrange for services.
- 2.7.6.1.7 The CONTRACTOR shall not require prior authorization for periodic and interperiodic screens conducted by PCPs. The CONTRACTOR shall provide all medically necessary covered services regardless of whether the need for such services was identified by a provider who had received prior authorization from the CONTRACTOR or from a contract provider.

- 2.7.6.1.8 The CONTRACTOR shall have a tracking system to monitor each TennCare Kids eligible member's receipt of the required screening, diagnosis, and treatment services. The tracking system shall have the ability to generate immediate reports on each member's TennCare Kids status, reflecting all encounters reported more than sixty (60) days prior to the date of the report.
- 2.7.6.1.9 In the event that a member under sixteen (16) years of age is seeking behavioral health TennCare Kids services and the member's parent(s), or legally appointed representative is unable to accompany the member to the examination, the CONTRACTOR shall require that its providers either contact the member's parent(s), or legally appointed representative to discuss the findings and inform the family of any other necessary health care, diagnostic services, treatment or other measures recommended for the member or notify the MCO to contact the parent(s), or legally appointed representative with the results.
- 2.7.6.2 Member Education and Outreach
- 2.7.6.2.1 The CONTRACTOR shall be responsible for outreach activities and for informing members who are under the age of twenty-one (21), or their parent or legally appointed representative, of the availability of TennCare Kids services. All TennCare Kids member materials shall be submitted to TENNCARE for written approval prior to distribution in accordance with Section A.2.17.1 and shall be made available in accordance with the requirements specified in Section A.2.17.2.
- 2.7.6.2.2 The CONTRACTOR shall have a minimum of six (6) "outreach contacts" per member per calendar year in which it provides information about TennCare Kids to members. The minimum "outreach contacts" include: one (1) member handbook as described in Section A.2.17.4, four (4) quarterly member newsletters as described in Section A.2.17.5, and one (1) reminder notice issued before a screening is due. The reminder notice shall include an offer of transportation and scheduling assistance.
- 2.7.6.2.2.1 If the CONTRACTOR's TennCare Kids screening rate is below ninety percent (90%), as determined in the most recent CMS 416 report, the CONTRACTOR shall conduct New Member Calls for all new members under the age of twenty-one (21) to inform them of TennCare Kids services including assistance with appointment scheduling and transportation to appointments.

- 2.7.6.2.4 As part of its TennCare Kids policies and procedures, the CONTRACTOR shall have a written process for following up with members who do not get their screenings timely. This process for follow up shall include provisions for documenting all outreach attempts and maintaining records of efforts made to reach out to members who have missed screening appointments or who have failed to receive regular check-ups.

- 2.7.6.2.5 The CONTRACTOR shall have a process for determining if a member who is eligible for TennCare Kids has used no services within a year. Two (2) reasonable attempts to re-notify such members about TennCare Kids must be made and shall be in different formats.
- 2.7.6.2.6 The CONTRACTOR shall make available to members and families accurate lists of names and phone numbers of contract providers who are currently accepting TennCare members as described in Section A.2.17.8 of this Contract.
- 2.7.6.2.7 The CONTRACTOR shall target specific informing activities to pregnant women and families with newborns. Provided that the CONTRACTOR is aware of the pregnancy, the CONTRACTOR shall inform all pregnant women prior to the estimated delivery date about the availability of TennCare Kids services for their children. The CONTRACTOR shall offer TennCare Kids services for the child when it is born.
- 2.7.6.2.8 The CONTRACTOR shall provide member education and outreach in community settings. Outreach events shall be conducted each the Grand Region, including rural and urban areas, covered by this Contract.
- 2.7.6.3 Screening
- 2.7.6.3.1 The CONTRACTOR shall provide periodic comprehensive child health assessments meaning, “regularly scheduled examinations and evaluations of the general physical and mental health, growth, development, and nutritional status of infants, children, and youth”.
- 2.7.6.3.2 At a minimum, these screens shall include periodic and interperiodic screens and be provided at intervals which meet reasonable standards of medical, behavioral and dental practice, as determined by the State after consultation with recognized medical and dental organizations involved in child health care. The State has determined that “reasonable standards of medical and dental practice” are those standards set forth in the American Academy of Pediatrics Recommendations for Preventive Pediatric Health Care for medical practice and American Academy of Pediatric Dentistry (AAPD) guidelines for dental practice. Tools used for screening shall be consistent with the screening guidelines recommended by the State which are available on the TennCare web site. These include, but are not limited to recommended screening guidelines for developmental/behavioral surveillance and screening, hearing screenings, and vision screenings.
- 2.7.6.3.3 The screens shall include, but not be limited to:
- 2.7.6.3.3.1 Comprehensive health and developmental history (including assessment of physical and mental health development and dietary practices);
- 2.7.6.3.3.2 Comprehensive unclothed physical examination, including measurements (the child’s growth shall be compared against that considered normal for the child’s age and gender);
- 2.7.6.3.3.3 Appropriate immunizations scheduled according to the most current Advisory Committee on Immunization Practices (ACIP) schedule according to age and health history;

- 2.7.6.3.3.4 Appropriate vision and hearing testing provided at intervals which meet reasonable standards of medical practice and at other intervals as medically necessary to determine the existence of suspected illness or condition;
- 2.7.6.3.3.5 Appropriate laboratory tests (including lead toxicity screening appropriate for age and risk factors). All children are considered at risk and shall be screened for lead poisoning. All children shall receive a screening blood lead test at twelve (12) and twenty-four (24) months of age. Children between the ages of thirty-six (36) months and seventy-two (72) months of age shall receive a screening blood lead test if they have not been previously screened for lead poisoning. A blood lead test shall be used when screening Medicaid-eligible children. A blood lead test equal to or greater than five (5) ug/dL obtained by capillary specimen (finger stick) shall be confirmed by using a venous blood sample; and
- 2.7.6.3.3.6 Health education which includes anticipatory guidance based on the findings of all screening. Health education should include counseling to both members and members' parents or to the legally appointed representative to assist in understanding what to expect in terms of the child's development and to provide information about the benefits of healthy lifestyles and practices as well as accident and disease prevention.
- 2.7.6.3.4 The CONTRACTOR shall encourage providers to refer children to dentists for periodic dental screens beginning no later than three (3) years of age and earlier as needed (as early as six (6) to twelve (12) months in accordance with the American Academy of Pediatric Dentistry (AAPD) guidelines) and as otherwise appropriate.
- 2.7.6.3.5 The CONTRACTOR shall establish a procedure for PCPs or other providers completing TennCare Kids screenings to refer TennCare Kids eligible members requiring behavioral health services to appropriate providers.
- 2.7.6.4 Services
- 2.7.6.4.1 Should screenings indicate a need, the CONTRACTOR shall provide all necessary health care, diagnostic services, treatment, and other measures described in 42 USC 1396d(a) (Section 1905(a) of the Social Security Act) to correct or ameliorate or prevent from worsening defects and physical and mental illnesses and conditions discovered by the screening services, whether or not such services are covered under the Medicaid State plan (see Section A.2.7.6.4.8). This includes, but is not limited to, the services detailed below.
- 2.7.6.4.2 The CONTRACTOR shall provide treatment for defects in vision and hearing, including eyeglasses and hearing aids.
- 2.7.6.4.3 The CONTRACTOR shall coordinate with the DBM to ensure that TennCare Kids eligible members receive dental care services furnished by direct referral to a dentist, at as early an age as necessary, and at intervals which meet reasonable standards of dental practice as determined by the State and at other intervals as medically necessary to determine the existence of a suspected illness or condition.

- 2.7.6.4.4 The CONTRACTOR shall not require prior authorization or written PCP referral in order for a member to obtain a mental health or substance abuse assessment, whether the assessment is requested as follow-up to a TennCare Kids screening or an interperiodic screening. This requirement shall not preclude the CONTRACTOR from requiring notification for a referral for an assessment. Furthermore, the CONTRACTOR shall establish a procedure for PCPs, or other providers, completing TennCare Kids screenings, to refer members under the age of twenty-one (21) for a mental health or substance abuse assessment.
- 2.7.6.4.5 For services not covered by Section 1905(a) of the Social Security Act, but found to be needed as a result of conditions disclosed during screening and diagnosis, the CONTRACTOR shall provide referral assistance as required by 42 CFR 441.61, including referral to providers and State health agencies.
- 2.7.6.4.6 *Transportation Services*
- 2.7.6.4.6.1 The CONTRACTOR shall provide transportation assistance for a child and for the child's escort or accompanying adult, including related travel expenses, cost of meals, and lodging en route to and from TennCare covered services. The requirement to provide the cost of meals shall not be interpreted to mean that a member (or the child's escort or accompanying adult) can request meals while in transport to and from care. Reimbursement for meals and lodging shall only be provided when transportation for a TennCare covered service cannot be completed in one (1) day and would require an overnight stay.
- 2.7.6.4.6.2 The CONTRACTOR shall offer transportation and scheduling assistance to all members under age twenty-one (21) who do not have access to transportation in order to access covered services. This may be accomplished through various means of communication to members, including but not limited to, member handbooks, TennCare Kids outreach notifications, etc.
- 2.7.6.4.7 *Services for Elevated Blood Lead Levels*
- 2.7.6.4.7.1 The CONTRACTOR shall provide follow up for elevated blood lead levels. Determining elevated blood levels requiring follow-up shall be in accordance with current CDC guidelines. Elevated blood lead follow up guidelines include follow up blood tests and investigations to determine the source of lead, when indicated.
- 2.7.6.4.7.2 The CONTRACTOR shall provide for any follow up service within the scope of the federal Medicaid statute, including diagnostic or treatment services determined to be medically necessary when elevated blood lead levels are identified in children. Such services would include Population Health Care Coordination or Complex Case management services and a one (1) time investigation to determine the source of lead.
- 2.7.6.4.7.3 The CONTRACTOR is responsible for the primary environmental lead investigation—commonly called a “lead inspection”—for children when elevated blood levels suggest a need for such an investigation.
- 2.7.6.4.7.4 If the lead inspection does not reveal the presence of lead paint in the home, there may be a need for other testing, such as risk assessments involving water and soil sampling or inspections of sites other than the primary residence if the child spends a substantial amount of time in another location. The CONTRACTOR is

not responsible for either the risk assessments or the lead inspection at the secondary site. However, the CONTRACTOR shall contact the DOH when these services are indicated as this agency is responsible for these services.

- 2.7.6.4.7.5 CONTRACTOR reimbursement for the primary environmental investigations is limited to the items specified in Part 5 of the State Medicaid Manual. These items include the health professional's time and activities during the on-site investigation of the child's primary residence. They do not include testing of environmental substances such as water, paint, or soil.

Except as specified in this Section A.2.9.2 or in Sections A.2.9.3 or A.2.9.6, this requirement shall not apply to long-term care services.

- 2.9.2.1.1 For medically necessary covered services, other than long-term care services, being provided by a non-contract provider, the CONTRACTOR shall provide continuation of such services for up to ninety (90) calendar days or until the member may be reasonably transferred without disruption to a contract provider, whichever is less. The CONTRACTOR may require prior authorization for continuation of services beyond thirty (30) calendar days; however, the CONTRACTOR is prohibited from denying authorization solely on the basis that the provider is a non-contract provider.
- 2.9.2.1.2 For medically necessary covered services, other than long-term care services, being provided by a contract provider, the CONTRACTOR shall provide continuation of such services from that provider but may require prior authorization for continuation of such services from that provider beyond thirty (30) calendar days. The CONTRACTOR may initiate a provider change only as otherwise specified in this Contract.
- 2.9.2.1.3 For medically necessary covered long-term care services for CHOICES members who are new to both TennCare and CHOICES, the CONTRACTOR shall provide long-term care services as specified in Sections A.2.9.6.2.4 and A.2.9.6.2.5.

 - 2.9.2.1.4.1 For a member in CHOICES Group 2 or 3, the CONTRACTOR shall continue CHOICES HCBS authorized by the transferring MCO for a minimum of thirty (30) days after the member's enrollment and thereafter shall not reduce these services unless a care coordinator has conducted a comprehensive needs assessment and developed a plan of care, and the CONTRACTOR has authorized and initiated CHOICES HCBS in accordance with the member's new plan of care. If a member in CHOICES Group 2 or 3 is receiving short-term nursing facility care, the CONTRACTOR shall continue to provide nursing facility services to the member in accordance with the level of nursing facility services (Level I or Level II) and/or reimbursement approved by TENNCARE (see Section A.2.14.1.14). For a member in Group 1, the CONTRACTOR shall provide nursing facility services to the member in accordance with the level of nursing facility services (Level I or Level II) and/or reimbursement approved by TENNCARE (see Section A.2.14.1.14); however, the member may be transitioned to the community in accordance with Section A.2.9.6.8 of this Contract.

If a member in Group 2 or 3 is receiving short-term nursing facility care on the date of enrollment with the CONTRACTOR, a care coordinator shall complete a face-to-face visit prior to the expiration date of the level of nursing facility services approved by TENNCARE, but no later than thirty (30) days after enrollment to determine appropriate needs assessment and care planning

activities (see Section A.2.9.6.2.5 for members who will be discharged from the nursing facility and remain in Group 2 or 3 and Section A.2.9.6.2.4 for members who will remain in the nursing facility and be enrolled in Group 1). If the expiration date for the level of nursing facility services approved by TENNCARE occurs prior to thirty (30) days after enrollment, and the CONTRACTOR is unable to conduct the face-to-face visit prior to the expiration date, the CONTRACTOR shall be responsible for facilitating discharge to the community or enrollment in Group 1, whichever is appropriate prior to the member's exhaustion of the 90-day short-term NF benefit.

- 2.9.2.1.4.3 If at any time before conducting a comprehensive needs assessment for a member in CHOICES Group 2 or 3 the CONTRACTOR becomes aware of an increase in the member's needs, a care coordinator shall immediately conduct a comprehensive needs assessment and update the member's plan of care, and the CONTRACTOR shall initiate the change in services within ten (10) days of becoming aware of the increase in the member's needs.
- 2.9.2.1.4.4 For a member in CHOICES Group 1, a care coordinator shall conduct a face-to-face in-facility visit within thirty (30) days of the member's enrollment with the CONTRACTOR and conduct a needs assessment as determined necessary by the CONTRACTOR (see Section A.2.9.6.5).

- 2.9.2.1.4.6 The CONTRACTOR shall not:
 - 2.9.2.1.4.6.1 Transition nursing facility residents or residents of community-based residential alternatives to another facility unless (1) the member or his/her representative specifically requests to transition, which shall be documented in the member's file, (2) the member or his/her representative provides written consent to transition based on quality or other concerns raised by the CONTRACTOR, which shall not include the nursing facility's rate of reimbursement; or (3) the facility where the member is residing is not a contract provider; if the community-based residential facility where the member is currently residing is not a contract provider, the CONTRACTOR shall provide continuation of services in such facility for at least thirty (30) days, which shall be extended as necessary to ensure continuity of care pending the facility's contracting with the CONTRACTOR or the member's transition to a contract facility; if the member is transitioned to a contract facility, the CONTRACTOR shall facilitate a seamless transition to the new facility; if the nursing facility where the member is currently residing is a non-contract provider, the CONTRACTOR shall (a) authorize continuation of the services pending enrollment of the facility as a contract provider (except a facility excluded for a 2-year period when the facility has withdrawn from Medicaid participation); (b) authorize continuation of the services pending facilitation of the member's transition to a contract facility, subject to the member's agreement with such transition; or (c) may continue to reimburse services from the non-contract nursing facility in accordance with TennCare rules and regulations;

- 2.9.2.1.4.6.2 Transition Group 1 members to CHOICES HCBS unless the member chooses to receive CHOICES HCBS as an alternative to nursing facility care and is enrolled in CHOICES Group 2 or the member meets the at-risk level of care and is enrolled in CHOICES Group 3 (see Section A.2.9.6.8 for requirements regarding nursing facility to community transition);
- 2.9.2.1.4.6.3 Admit a member in CHOICES Group 2 to a nursing facility unless the member meets the nursing facility level of care in place at the time of admission and (1) is expected to require short-term nursing facility services for ninety (90) days or less; (2) the member chooses to transition to a nursing facility and enroll in Group 1; or (3) the CONTRACTOR determines that it cannot safely and effectively meet the needs of the member and within the member's cost neutrality cap, and the member agrees to transition to a nursing facility and enroll in Group 1;
- 2.9.2.1.4.6.4 Admit a member enrolled in CHOICES Group 3 to a nursing facility unless the member meets the nursing facility level of care in place at the time of admission and (1) is expected to require short-term nursing facility services for ninety (90) days or less; or (2) the member chooses to transition to a nursing facility and enroll in Group 1; or
- 2.9.2.1.4.6.5 Transition members in Group 2 or 3 to another HCBS provider for continuing services unless the current HCBS provider is not a contract provider; if the current HCBS provider is not a contract provider, the CONTRACTOR shall provide continuation of HCBS from that provider for at least thirty (30) days, which shall be extended as necessary to ensure continuity of care pending the provider's contracting with the CONTRACTOR or the member's transition to a contract provider; if the member is transitioned to a contract provider, the CONTRACTOR shall facilitate a seamless transition to the new provider.
- 2.9.2.2 In the event an enrollee entering the CONTRACTOR's MCO, either as a new TennCare enrollee or transferring from another MCO, is in her first trimester of pregnancy and is receiving medically necessary covered prenatal care services the day before enrollment, the CONTRACTOR shall be responsible for the costs of continuation of such medically necessary prenatal care services, including prenatal care, delivery, and post-natal care, without any form of prior approval and without regard to whether such services are being provided by a contract or non-contract provider.
- 2.9.2.2.1 If the member is receiving services from a non-contract provider, the CONTRACTOR shall be responsible for the costs of continuation of medically necessary covered prenatal services, without any form of prior approval, until such time as the CONTRACTOR can reasonably transfer the member to a contract provider without impeding service delivery that might be harmful to the member's health.
- 2.9.2.2.2 If the member is receiving services from a contract provider, the CONTRACTOR shall be responsible for the costs of continuation of medically necessary covered prenatal services from that provider, without any form of prior approval, through the postpartum period.
- 2.9.2.3 In the event an enrollee entering the CONTRACTOR's MCO, either as a new TennCare enrollee or transferring from another MCO, is in her second or third trimester of pregnancy and is receiving medically necessary covered prenatal care

services the day before enrollment, the CONTRACTOR shall be responsible for providing continued access to the prenatal care provider (whether contract or non-contract provider) through the postpartum period, without any form of prior approval.

- 2.9.2.4 If a member enrolls in the CONTRACTOR's MCO from another MCO, the CONTRACTOR shall immediately contact the member's previous MCO and request the transfer of "transition of care data" as specified by TENNCARE. If the CONTRACTOR is contacted by another MCO requesting "transition of care data" for a member who has transferred from the CONTRACTOR to the requesting MCO (as verified by the CONTRACTOR), the CONTRACTOR shall provide such data in the timeframe and format specified by TENNCARE.
- 2.9.2.5 If the CONTRACTOR becomes aware that a CHOICES member will be transferring to another MCO, the CONTRACTOR (including, but not limited to the member's care coordinator or care coordination team) shall, in accordance with protocols established by TENNCARE, work with the other MCO in facilitating a seamless transition for that member.
- 2.9.2.6 The CONTRACTOR shall ensure that any member entering the CONTRACTOR's MCO is held harmless by the provider for the costs of medically necessary covered services except for applicable TennCare cost sharing and patient liability amounts (see Section A.2.6.7 of this Contract).
- 2.9.2.7 The CONTRACTOR shall develop and maintain policies and procedures regarding the transition of new members.

A.2.9.3 Transition of CHOICES Members Receiving Long-Term Care Services at the Time of Implementation

- 2.9.3.1 For each member who is enrolled in CHOICES and newly enrolled with the CONTRACTOR as of the date of implementation in each Grand Region covered by this Contract, as identified by TENNCARE (herein referred to as "transitioning CHOICES members"), the CONTRACTOR shall assign a care coordinator prior to the first face-to-face visit. If the face-to-face visit will not occur within ten (10) days after the implementation of this Contract, the CONTRACTOR shall send the member written notification within ten (10) calendar days of implementation that explains how the member can reach the care coordination unit for assistance with concerns or questions pending the assignment of a specific care coordinator.
- 2.9.3.2 For each transitioning CHOICES member, the CONTRACTOR shall be responsible for the costs of continuing to provide covered long-term care services authorized by the member's previous MCO, including, as applicable, CHOICES HCBS in the member's approved plan of care and nursing facility services without regard to whether such services are being provided by contract or non-contract providers for at least thirty (30) days, which shall be extended as necessary to ensure continuity of care pending the provider's contracting with the CONTRACTOR or the member's transition to a contract provider; if the member is transitioned to a contract provider, the CONTRACTOR shall facilitate seamless transition to the new provider.

- 2.9.3.3 For members in CHOICES Groups 2 and 3 the CONTRACTOR shall continue HCBS in the member's approved plan of care for a minimum of thirty (30) days after the member's enrollment and thereafter shall not reduce HCBS unless the member's care coordinator has conducted a comprehensive needs assessment and developed a plan of care and the CONTRACTOR has authorized and initiated HCBS in accordance with the member's new plan of care. If a member in CHOICES Groups 2 or 3 is receiving short-term nursing facility care, the CONTRACTOR shall continue to provide nursing facility services to the member in accordance with the level of nursing facility services (Level I or Level II) and/or reimbursement approved by TENNCARE (see Section A.2.14.1.14).
- 2.9.3.4 For a transitioning member in CHOICES Group 2 or 3, within ninety (90) days of implementation, the member's care coordinator shall conduct a face-to-face visit (see Section A.2.9.6.2.5), including a comprehensive needs assessment (see Section A.2.9.6.5), and develop a plan of care (see Section A.2.9.6.6), and the CONTRACTOR shall authorize and initiate CHOICES HCBS in accordance with the new plan of care. If a member in Groups 2 or 3 is receiving short-term nursing facility care on the date of enrollment with the CONTRACTOR, the member's care coordinator shall complete a face-to-face visit prior to the expiration date of the level of nursing services approved by TENNCARE, but no more than ninety (90) days after implementation, to determine appropriate needs assessment and care planning activities (see Section A.2.9.6.2.5 for members who will be discharged from the nursing facility and remain in Group 2 or 3 and Section A.2.9.6.2.4 for members who will remain in the nursing facility and be enrolled in Group 1). If the expiration date for the level of nursing facility services approved by TENNCARE occurs prior to ninety (90) days after implementation, and the CONTRACTOR is unable to conduct the face-to-face visit prior to the expiration date, the CONTRACTOR shall be responsible for facilitating discharge to the community or enrollment in Group 1, whichever is appropriate.
- 2.9.3.5 If at any time before conducting a comprehensive needs assessment for a transitioning member in CHOICES Groups 2 or 3, the CONTRACTOR becomes aware of an increase in the member's needs, the member's care coordinator shall immediately conduct a comprehensive needs assessment and update the member's plan of care, and the CONTRACTOR shall initiate the change in services within ten (10) days of becoming aware of the change in the member's needs.
- 2.9.3.6 The CONTRACTOR shall provide nursing facility services to a transitioning member in Group 1 in accordance with the level of nursing facility services and/or reimbursement approved by TENNCARE (see Section A.2.14.1.14); however, the member may be transitioned to the community in accordance with Section A.2.9.6.8 of this Contract.
- 2.9.3.7 For a transitioning member in CHOICES Group 1 who, at the time of enrollment with the CONTRACTOR, has resided in a nursing facility for less than ninety (90) days, the member's care coordinator shall conduct a face-to-face in-facility visit within ninety (90) days of implementation and conduct a needs assessment as determined necessary by the CONTRACTOR (see Section A.2.9.6.5.1). For a transitioning member in CHOICES Group 1 who, at the time of implementation, has resided in a nursing facility for ninety (90) days or more, the member's care coordinator shall conduct a face-to-face in-facility visit within six (6) months of the member's enrollment with the CONTRACTOR and conduct a needs assessment as determined necessary by the CONTRACTOR (see Section A.2.9.6.5.1).

- 2.9.3.8 The CONTRACTOR shall facilitate a seamless transition to new services and/or providers, as applicable, in the plan of care developed by the CONTRACTOR without any disruption in services.
- 2.9.3.9 The CONTRACTOR shall not:
- 2.9.3.9.1 Transition nursing facility residents or residents of community-based residential alternatives to another facility unless (1) the member or his/her representative specifically requests to transition, which shall be documented in the member's file, (2) the member or his/her representative provides written consent to transition based on quality or other concerns raised by the CONTRACTOR, which shall not include the nursing facility's rate of reimbursement; or (3) the facility where the member is residing is not a contract provider. If the community-based residential facility where the member is currently residing is not a contract provider, then the CONTRACTOR shall provide continuation of services in such facility for at least thirty (30) days, which shall be extended as necessary to ensure continuity of care pending the facility's contracting with the CONTRACTOR or the member's transition to a contract facility. If the member is transitioned to a contract facility, then the CONTRACTOR shall facilitate a seamless transition to the new facility. If the nursing facility where the member is currently residing is a non-contract provider, then the CONTRACTOR shall (a) authorize continuation of the services pending enrollment of the facility as a contract provider, if the provider is eligible for enrollment in Medicaid, and reimburse such services from the non-contract nursing facility in accordance with TennCare rules and regulations; (b) authorize continuation of the services and reimburse such services from the non-contract nursing facility in accordance with TennCare rules and regulations, pending facilitation of the member's transition to a contract facility, subject to the member's agreement with such transition; or (c) may continue to reimburse services from the non-contract nursing facility in accordance with TennCare rules and regulations;
- 2.9.3.9.2 Transition Group 1 members to CHOICES HCBS unless the member chooses to receive CHOICES HCBS as an alternative to nursing facility care and is enrolled in CHOICES Group 2 (see Section A.2.9.6.8 for requirements regarding nursing facility to community transition);
- 2.9.3.9.3 Admit a member in CHOICES Group 2 or 3 to a nursing facility unless (1) the member requires a short-term nursing facility care stay (see Section A.2.6.1.5.3.1); (2) the member chooses to transition to a nursing facility and enroll in Group 1 and meets the nursing facility level of care standards in effect as of July 1, 2012; or (3) the CONTRACTOR determines that it cannot safely and effectively meet the needs of the member and within the member's cost neutrality cap, and the member agrees to transition to a nursing facility and enroll in Group 1; or
- 2.9.3.9.4 Transition members in Group 2 or 3 to another HCBS provider for continuing services unless the current HCBS provider is not a contract provider; if the current HCBS provider is not a contract provider, the CONTRACTOR shall provide continuation of CHOICES HCBS from that provider for at least thirty (30) days, which shall be extended as necessary to ensure continuity of care pending the provider's contracting with the CONTRACTOR or the member's transition to a contract provider; if the member is transitioned to a contract provider, the CONTRACTOR shall facilitate a seamless transition to the new provider.

A.2.9.4 CHOICES Assessments for a CONTRACTOR'S Current Members Under the Age of Twenty-One

- 2.9.4.1 When a member receiving home health or private duty nursing services in excess of specified benefit limits for adults is turning age twenty-one (21), the CONTRACTOR shall, at least sixty (60) days prior to the member's 21st birthday, conduct an in-home assessment to determine whether the member is interested in applying for CHOICES, and if so, shall, pursuant to Section A.2.9.7.3.8 conduct an in-home assessment and, subject to the member's eligibility to enroll in CHOICES, coordinate with TENNCARE to help facilitate enrollment in CHOICES and initiation of CHOICES benefits on the member's 21st birthday.

A.2.9.5 Transition of Care

- 2.9.5.1 The CONTRACTOR shall actively assist members with chronic or acute medical or behavioral health conditions, members who are receiving long-term care services, and members who are pregnant in transitioning to another provider when a provider currently treating their chronic or acute medical or behavioral health condition, currently providing their long-term care services, or currently providing prenatal services has terminated participation with the CONTRACTOR. For CHOICES members, this assistance shall be provided by the member's care coordinator/care coordination team.
- 2.9.5.1.1 Except as provided below regarding members who are in their second or third trimester of pregnancy, the CONTRACTOR shall provide continuation of such provider for up to ninety (90) calendar days or until the member may be reasonably transferred to another provider without disruption of care, whichever is less.
- 2.9.5.1.2 For members in their second or third trimester of pregnancy, the CONTRACTOR shall allow continued access to the member's prenatal care provider and any provider currently treating the member's chronic or acute medical or behavioral health condition or currently providing long-term care services, through the postpartum period.
- 2.9.5.2 The CONTRACTOR shall actively assist members in transitioning to another provider when there are changes in providers. The CONTRACTOR shall have transition policies that, at a minimum, include the following:
- 2.9.5.2.1 A schedule which ensures transfer does not create a lapse in service;
- 2.9.5.2.2 For CHOICES members in Groups 2 and 3, the requirement for a HCBS provider that is no longer willing or able to provide services to a member to cooperate with the member's care coordinator to facilitate a seamless transition to another HCBS provider (see Section A.2.12.11.1) and to continue to provide services to the member until the member has been transitioned to another HCBS provider, as determined by the CONTRACTOR, or as otherwise directed by the CONTRACTOR (see Section A.2.12.11.2);
- 2.9.5.2.3 A mechanism for timely information exchange (including transfer of the member record);
- 2.9.5.2.4 A mechanism for assuring confidentiality;
- 2.9.5.2.5 A mechanism for allowing a member to request and be granted a change of provider;

- 2.9.5.2.6 An appropriate schedule for transitioning members from one (1) provider to another when there is medical necessity for ongoing care.
- 2.9.5.2.7 Specific transition language on the following special populations:

 - 2.9.5.2.7.4 Persons with behavioral health conditions who also have a developmental disorder (dually diagnosed). These members shall be allowed to remain with their providers of the services listed below for the minimum time frames set out below as long as the services continue to be medically necessary. The CONTRACTOR may shorten these transition time frames only when the provider of services is no longer available to serve the member or when a change in providers is agreed to in writing by the member.
 - 2.9.5.2.7.4.1 Mental health case management: three (3) months;
 - 2.9.5.2.7.4.2 Psychiatrist: three (3) months;
 - 2.9.5.2.7.4.3 Outpatient behavioral health therapy: three (3) months;
 - 2.9.5.2.7.4.4 Psychosocial rehabilitation and supported employment: three (3) months; and
 - 2.9.5.2.7.4.5 Psychiatric inpatient or residential treatment and supported housing: six (6) months.

A.2.9.6 Care Coordination

2.9.6.1 General

- 2.9.6.1.1 The CONTRACTOR shall provide care coordination to all members enrolled in TennCare CHOICES in accordance with this Contract and to other TennCare members only in order to determine the member's eligibility for and facilitate the member's enrollment in TennCare CHOICES. Except for the initial process for current members that is necessary to determine the member's eligibility for and facilitate the member's enrollment in TennCare CHOICES, care coordination shall not be available to non-CHOICES members.
- 2.9.6.1.2 The CONTRACTOR shall provide care coordination in a comprehensive, holistic, person-centered manner.
- 2.9.6.1.3 The CONTRACTOR shall use care coordination as the continuous process of:
 - (1) assessing a member's physical, behavioral, functional, and psychosocial needs;
 - (2) identifying the physical health, behavioral health and long-term care services and other social support services and assistance (e.g., housing or income assistance) that are necessary to meet identified needs;
 - (3) ensuring timely access to and provision, coordination and monitoring of physical health, behavioral health, and long-term care services needed to help the member maintain or improve his or her physical or

behavioral health status or functional abilities and maximize independence; and (4) facilitating access to other social support services and assistance needed in order to ensure the member's health, safety and welfare, and as applicable, to delay or prevent the need for more expensive institutional placement.

- 2.9.6.1.4 Long-term care services identified through care coordination and provided by the CONTRACTOR shall build upon and not supplant a member's existing support system, including but not limited to informal supports provided by family and other caregivers, services that may be available at no cost to the member through other entities, and services that are reimbursable through other public or private funding sources, such as Medicare or long-term care insurance. However, once a member qualifies for CHOICES, he is no longer eligible to receive services under the State-funded Options program (see Rule 0030-2-1-.01), and neither the State nor the CONTRACTOR can require that services available to a member through CHOICES be provided instead through programs funded by Title III of the Older Americans Act.
- 2.9.6.1.5 The CONTRACTOR shall develop and implement policies and procedures for care coordination that comply with the requirements of this Contract.
- 2.9.6.1.6 The CONTRACTOR shall compute Care Coordination CHOICES-related timelines as follows;
 - 2.9.6.1.6.1 The date of receipt of the referral by the CONTRACTOR (which shall not include any additional days for the CONTRACTOR to process the referral or assign to appropriate staff) shall be the anchor date for the referral process. The anchor date is not included in the calculation of days.
 - 2.9.6.1.6.2 The anchor date for the enrollment process shall be the latter of 1) the date the Bureau transmits the 834 file to the CONTRACTOR; or 2) the date of CHOICES enrollment as indicated on the 834 file. The anchor date is not included in the calculation of days.
 - 2.9.6.1.6.3 The Business Day (see Section 1) immediately following the anchor date is day one (1) of timelines utilizing business days. Each subsequent business day is included in the computation.
 - 2.9.6.1.6.4 The calendar day immediately following the anchor date is day one (1) of timelines utilizing calendar days. Each subsequent calendar day is included in the computation.
- 2.9.6.1.7 The CONTRACTOR's failure to meet requirements, including timelines, for care coordination set forth in this Contract, except for good cause, constitutes non-compliance with this Contract. Such failure shall not affect any determination of eligibility for CHOICES enrollment, which shall be based only on whether the member meets CHOICES eligibility and enrollment criteria, as defined pursuant to the Section 1115 TennCare Demonstration Waiver, federal and state laws and regulations, this Contract, and TennCare policies and protocols. Nor shall such failure affect any determination of coverage for CHOICES benefits which shall be based only on the covered benefits for the applicable CHOICES group in which the member is enrolled as defined pursuant to the Section 1115 TennCare Demonstration Waiver, federal and state laws and regulations, this Contract, and TennCare policies and protocols; and in accordance with requirements pertaining to medical necessity.

- 2.9.6.1.8 The CONTRACTOR shall ensure that its care coordination program complies with 42 CFR 438.208.
- 2.9.6.1.9 The CONTRACTOR shall ensure that, upon enrollment into CHOICES, the appropriate level of Population Health (see Section A.2.8.4 of this Contract) activities are integrated with CHOICES care coordination processes and functions, and that the member's assigned care coordinator has primary responsibility for coordination of all the member's physical health, behavioral health, and long-term care needs. The care coordinator may use resources and staff from the CONTRACTOR's Population Health programs, including persons with specialized expertise in areas such as behavioral health, to supplement but not supplant the role and responsibilities of the care coordinator/care coordination team.
- 2.9.6.2 Intake Process for Members New to Both TennCare and CHOICES
- 2.9.6.2.1 The CONTRACTOR shall refer all inquiries regarding CHOICES enrollment by or on behalf of individuals who are not enrolled with the CONTRACTOR to TENNCARE or its designee. The form and format for such referrals shall be developed in collaboration with the CONTRACTOR and TENNCARE or its designee.
- 2.9.6.2.2 TENNCARE or its designee will assist individuals who are not enrolled in TennCare with TennCare eligibility and CHOICES enrollment.
- 2.9.6.2.3 *Functions of the Single Point of Entry (SPOE)*
- 2.9.6.2.3.1 For persons wishing to apply for CHOICES, TENNCARE or its designee may employ a screening process, using the tools and protocols specified by TENNCARE, to assist with intake for persons new to both TENNCARE and CHOICES. Such screening process shall assess: (1) whether the applicant appears to meet categorical and financial eligibility criteria for CHOICES, and (2) whether the applicant appears to meet level of care eligibility for enrollment in CHOICES.
- 2.9.6.2.3.2 For persons identified by TENNCARE or its designee as meeting the screening criteria, or for whom TENNCARE or its designee opts not to use a screening process, TENNCARE or its designee will conduct a face-to-face intake visit with the applicant. As part of this intake visit TENNCARE or its designee will, using the tools and protocols specified by TENNCARE, conduct a level of care and needs assessment; and assess the member's existing natural support system, including but not limited to informal supports provided by family and other caregivers, services that may be available at no cost to the member through other entities, and services that are reimbursable through other public or private funding sources, such as Medicare or long-term care insurance.
- 2.9.6.2.3.3 TENNCARE or its designee shall conduct the intake visit, including the level of care and needs assessment, in the applicant's place of residence, except under extenuating circumstances (such as the member's hospitalization), which shall be documented in writing.
- 2.9.6.2.3.4 As part of the intake visit, TENNCARE or its designee shall: (1) document and confirm the applicant's current address and phone number(s); (2) provide general CHOICES education and information, as specified by TENNCARE, and assist in answering any questions the applicant may have; (3) provide information about

estate recovery; (4) complete Medicaid and level of care (i.e., PAE) applications and provide assistance, as necessary, in gathering documentation needed by the State to determine TennCare eligibility; (5) provide choice counseling and facilitate the selection of an MCO by the applicant or his/her representative; (6) for applicants seeking enrollment in CHOICES Group 1 or Group 2, provide information regarding freedom of choice of nursing facility versus CHOICES HCBS, both verbally and in writing, and obtain a Freedom of Choice form signed and dated by the applicant or his/her representative; (7) provide detailed information and obtain signed acknowledgement of understanding regarding a CHOICES member's responsibility with respect to payment of patient liability amounts, including, as applicable, the potential consequences for non-payment of patient liability which may include loss of the member's current nursing facility or CBRA provider or MCO, disenrollment from CHOICES, and to the extent the member's eligibility is dependent on receipt of long-term care services, possible loss of eligibility for TennCare; (8) for applicants who want to receive NF services, provide information regarding the completion of all PASRR requirements prior to nursing facility admission and conduct the level I PASRR screening; (9) for applicants who are seeking CHOICES HCBS: (a) conduct a risk assessment in accordance with protocols developed by TENNCARE and discuss with the applicant identified risks of receiving care in the home or community-based setting, the consequences of such risks, and strategies to mitigate the identified risks; and (b) provide information regarding consumer direction and obtain signed documentation of the applicant's interest in participating in consumer direction; and (10) provide information regarding next steps in the process including the need for approval by TENNCARE to enroll in CHOICES and the functions of the CONTRACTOR, including that the CONTRACTOR will develop and approve a plan of care.

2.9.6.2.3.5 The State will be responsible for determining TennCare categorical and financial eligibility and level of care and enrolling eligible TennCare members into CHOICES.

2.9.6.2.3.6 TENNCARE will notify the CONTRACTOR via the outbound 834 enrollment file when a person has been enrolled in CHOICES, the member's CHOICES Group, and any applicable patient liability amounts (See Section A.2.6.7). For members in CHOICES Group 2, TENNCARE will notify the CONTRACTOR of the member's cost neutrality cap (see definition in Section 1 and Section A.2.6.1.5.2.3), which shall be the average cost of Level 1 nursing facility care unless a higher cost neutrality cap is established by TENNCARE based on information submitted by the AAAD or MCO (as applicable) in the level of care.

2.9.6.2.3.7 TENNCARE or its designee will make available to the CONTRACTOR the documentation from the intake visit, including but not limited to the member's current address and phone number(s), the member's level of care and needs assessment, the assessment of the member's existing natural support system, the member's risk assessment and documentation of the discussion regarding identified risk and mitigation strategies.

2.9.6.2.4 *Functions of the CONTRACTOR for Members in CHOICES Group 1*

2.9.6.2.4.1 For members enrolled in CHOICES Group 1, who are, upon CHOICES enrollment, receiving nursing facility services, the CONTRACTOR shall reimburse such services in accordance with the level of reimbursement for nursing facility services (Level I or Level II) approved by TENNCARE (see

Section A.2.14.1.14), except that the CONTRACTOR may reimburse a facility at the Level I per diem rate when such rate is billed by the facility and there is an approved LOC eligibility segment for such level of reimbursement. Reimbursement for such services shall be for the current provider as of the effective date of CHOICES enrollment. The CONTRACTOR shall not move members enrolled in CHOICES Group 1 who are, upon CHOICES enrollment, receiving nursing facility services, to another facility unless: (1) the member or his/her representative specifically requests to move, which shall be documented in the member's file; (2) the member or his/her representative provides written consent to move based on quality or other concerns raised by the CONTRACTOR, which shall not include the nursing facility's rate of reimbursement; or (3) the facility where the member is residing is not a contract provider. If the nursing facility is a non-contract provider, the CONTRACTOR shall (a) provide continuation of the services pending enrollment of the facility as a contract provider, if the provider is eligible for enrollment in Medicaid, and reimburse such services from the non-contract nursing facility in accordance with TennCare rules and regulations; (b) provide continuation of the services pending facilitation of the member's transition to a contract facility and reimburse such services from the non-contract nursing facility in accordance with TennCare rules and regulations, subject to the member's agreement with such transition; or (c) may continue to reimburse services from the non-contract nursing facility in accordance with TennCare rules and regulations.

- 2.9.6.2.4.2 The CONTRACTOR shall, within thirty (30) calendar days of notice of the member's enrollment in CHOICES, conduct a face-to-face visit with the member and perform any additional needs assessment deemed necessary by the CONTRACTOR (see Section A.2.9.6.5.1). The care coordinator shall review the plan of care developed by the nursing facility and may supplement the plan of care as necessary and appropriate (see Section A.2.9.6.6.1).
- 2.9.6.2.4.3 The CONTRACTOR shall not transition members in Group 1 to CHOICES HCBS unless the member chooses to receive CHOICES HCBS as an alternative to nursing facility and is enrolled in Group 2 or a member enrolled in CHOICES on or after July 1, 2012 no longer meets nursing facility level of care but does meet the at-risk level of care and is enrolled in Group 3.
- 2.9.6.2.4.4 For purposes of the CHOICES program, the CONTRACTOR may decide whether it will issue service authorizations for nursing facility services, or whether it will instead process claims for such services in accordance with the level of care (i.e., reimbursement, including the duration of such level of reimbursement) approved by TENNCARE (see Section A.2.14.1.14), except that the CONTRACTOR may reimburse a facility at the Level I per diem rate when such rate is billed by the facility and there is an approved LOC eligibility segment for such level of reimbursement.
- 2.9.6.2.4.5 For CHOICES members approved by TENNCARE for Level II reimbursement of nursing facility services, the CONTRACTOR shall be responsible for monitoring the member's continued need for Medicaid reimbursed skilled and/or rehabilitation services, promptly notifying TENNCARE when such skilled and/or rehabilitative services are no longer medically necessary, and for the submission of information needed by TENNCARE to reevaluate the member's level of care (i.e., reimbursement) for nursing facility services (see also Section A.2.14.1.14).

- 2.9.6.2.4.6 Any time the CONTRACTOR submits a level of care application to TENNCARE for a member in a Nursing Facility, the CONTRACTOR shall, as expeditiously as possible and within no more than two (2) business days, notify the Nursing Facility that a level of care application has been submitted, and shall provide a copy of such application to the Nursing Facility.
- 2.9.6.2.5 *Functions of the CONTRACTOR for Members in CHOICES Groups 2 and 3*
- 2.9.6.2.5.1 For members enrolled in CHOICES Group 2 who are, upon CHOICES enrollment, receiving community-based residential alternative services that are covered in CHOICES, the CONTRACTOR shall, immediately upon notice of the member's enrollment in CHOICES, authorize such services from the current provider as of the effective date of CHOICES enrollment. The CONTRACTOR shall not transition members enrolled in CHOICES Group 2 who are, upon CHOICES enrollment, receiving services in a community-based residential alternative setting to another facility unless: (1) the member or his/her representative specifically requests to move, which shall be documented in the member's file; (2) the member or his/her representative provides written consent to move based on quality or other concerns raised by the CONTRACTOR; or (3) the facility where the member is residing is not a contract provider; if the facility is a non-contract provider, the CONTRACTOR shall authorize medically necessary services from the non-contract provider for at least thirty (30) days which shall be extended as necessary to ensure continuity of care pending the facility's enrollment with the CONTRACTOR or the member's transition to a contract provider.
- 2.9.6.2.5.2 For members in CHOICES Group 2 who upon CHOICES enrollment are receiving services in a community-based residential alternative setting, within ten (10) business days of notice of the member's enrollment in CHOICES the care coordinator shall conduct a face-to-face visit with the member, perform a comprehensive needs assessment (see Section A.2.9.6.5), develop a plan of care (see Section A.2.9.6.6), and authorize and initiate additional CHOICES HCBS specified in the plan of care (i.e., assistive technology).
- 2.9.6.2.5.3 The care coordinator shall, for all other CHOICES members in Groups 2 and 3 not specified in Sections A.2.9.6.2.5.1 – A.2.9.6.2.5.2 above, within ten (10) business days of notice of the member's enrollment in CHOICES, conduct a face-to-face visit with the member, perform a comprehensive needs assessment (see Section A.2.9.6.5), conduct a caregiver assessment, develop a plan of care (see Section A.2.9.6.6), and authorize and initiate CHOICES HCBS.
- 2.9.6.2.5.4 At the discretion of the CONTRACTOR, authorization of home health or private duty nursing services may be completed by the care coordinator or through the CONTRACTOR's established UM processes but shall be in accordance with Section A.2.9.2.1 of this Contract, which requires the CONTRACTOR to continue providing medically necessary home health or private duty nursing services the member was receiving upon TennCare enrollment.
- 2.9.6.2.5.5 The CONTRACTOR shall not admit a member enrolled in CHOICES Group 2 to a nursing facility unless the member meets nursing facility level of care in place at the time of admission and (1) is expected to require short-term nursing facility services for ninety (90) days or less; (2) chooses to transition to a nursing facility and enroll in Group 1; or (3) the CONTRACTOR determines that it cannot safely and effectively meet the needs of a Group 2 member and at a cost that is less than

the member's cost neutrality cap and the member agrees to transition to a nursing facility and enroll in Group 1.

- 2.9.6.2.5.6 The CONTRACTOR shall not admit a member enrolled in CHOICES Group 3 to a nursing facility unless the member meets nursing facility level of care in place at the time of admission and: (1) is expected to require short-term nursing facility services for ninety (90) days or less; or (2) chooses to transition to a nursing facility and enroll in Group 1.
- 2.9.6.2.5.7 In preparation for the face-to-face visit, the care coordinator shall review in-depth the information from the SPOE's intake process (see Section A.2.9.6.2.3), and the care coordinator shall consider that information, including the services identified by TENNCARE or its designee, when developing the member's plan of care.
- 2.9.6.2.5.8 As part of the face-to-face visit for members in CHOICES Group 2, the Care Coordinator shall make a determination regarding whether the person's needs can be safely and effectively met in the community and at a cost that does not exceed nursing facility care, and provide explanation to the member regarding the individual cost neutrality cap, including that a change in needs or circumstances that would result in the cost neutrality cap being exceeded or that would result in the CONTRACTOR's inability to safely and effectively meet the member's needs in the community and within the cost neutrality cap may result in the member's disenrollment from CHOICES Group 2, in which case, the member's care coordinator will assist with transition to a more appropriate care delivery setting;
- 2.9.6.2.5.8.1 If the Care Coordinator determines that the member's needs cannot be safely met in the community within the member's individual cost neutrality cap, the Care Coordinator shall assist the member in transitioning to a more appropriate care delivery setting, or if the member refuses, proceed with disenrollment from CHOICES.
- 2.9.6.2.5.9 As part of the face-to-face visit for members in CHOICES Group 3, the Care Coordinator shall provide explanation to the member regarding the fifteen thousand dollar (\$15,000) expenditure cap and make a determination whether the member's needs can be safely met within the array of services and supports that would be available if the applicant was enrolled in CHOICES Group 3, including CHOICES HCBS up to the expenditure cap of \$15,000, non-CHOICES HCBS available through TennCare (e.g., home health), services available through Medicare, private insurance or other funding sources, and unpaid supports provided by family members and other caregivers and make a determination whether the member's needs can be safely met within the array of services and supports that would be available if the applicant was enrolled in CHOICES Group 3, including CHOICES HCBS up to the expenditure cap of \$15,000, non-CHOICES HCBS available through TennCare (e.g., home health), services available through Medicare, private insurance or other funding sources, and unpaid supports provided by family members and other caregivers;
- 2.9.6.2.5.9.1 If the member has been conditionally enrolled into CHOICES Group 3 and is in a nursing facility, the Care Coordinator shall work with the nursing facility to coordinate timely transition to the community and initiation of CHOICES HCBS.

- 2.9.6.2.5.9.2 If the Care Coordinator determines that the member's needs cannot be safely met in the community within the array of services and supports that would be available as described in Section A.2.9.6.2.5.9 the Care Coordinator shall, in a manner prescribed by TENNCARE, complete a *Safety Determination Request Form*, including all required documentation as required by TENNCARE, and coordinate with TENNCARE to review the member's level of care, and if nursing facility level of care is approved, to facilitate transition to CHOICES Group 1 or 2.
- 2.9.6.2.5.10 As part of the face-to-face visit for members in CHOICES Group 2 or Group 3, the care coordinator shall review, and revise as necessary, the member's risk assessment, and develop a risk agreement, which shall document identified risks to the member, the consequences of such risks, strategies to mitigate the identified risks, and the member's decision regarding his/her acceptance of risk. The risk agreement shall be signed and dated by the member and shall also be signed by the care coordinator, attesting that such risks and strategies have been discussed with the member or his/her representative prior to their decision to accept such risk.
- 2.9.6.2.5.11 As part of the face-to-face visit, for members determined to need eligible CHOICES HCBS, the care coordinator shall verify the member's interest in participating in consumer direction and obtain written confirmation of the member's decision. The care coordinator shall also, using current information regarding the CONTRACTOR's network, provide member education regarding choice of contract providers for CHOICES HCBS, subject to the provider's availability and willingness to timely deliver services, which shall include information, as applicable, regarding providers who are able to assign staff who are linguistically competent in the member and/or primary caregiver's primary spoken language, or in sign language, or who can facilitate non-verbal forms of communication, including the use of assistive technology, as applicable, and the use of other auxiliary aids or services in order to achieve effective communication and obtain signed confirmation of the member's choice of contract providers.
- 2.9.6.2.5.12 For purposes of CHOICES HCBS, service authorizations shall include the amount, frequency, and duration of each service to be provided and the schedule at which such care is needed, as applicable; the requested start date; and other relevant information as prescribed by TENNCARE. The CONTRACTOR shall be responsible for confirming the provider's capacity and commitment to initiate services as authorized on or before the requested start date, and if the provider is unable to initiate services as authorized on or before the requested start date, for arranging an alternative provider who is able to initiate services as authorized on or before the requested start date.
- 2.9.6.2.5.13 The member's care coordinator/care coordination team shall provide at least verbal notification to the member prior to initiation of CHOICES HCBS identified in the plan of care regarding any change in providers selected by the member for each CHOICES HCBS, including the reason such change has been made.
- 2.9.6.2.5.14 If the CONTRACTOR is unable to initiate any CHOICES HCBS in accordance with the timeframes specified herein, the CONTRACTOR shall issue written notice to the member, documenting the service(s) that will be delayed, the

reasons for the delay, and the date the service(s) will start, and shall make good faith efforts to ensure that services are provided as soon as practical.

- 2.9.6.2.5.15 TENNCARE may establish, pursuant to policies and protocols for management of waiting lists, alternative timeframes for completion of specified intake functions and activities when there is a waiting list.

2.9.6.3 CHOICES Intake Process for the CONTRACTOR's Current Members

- 2.9.6.3.1 The CONTRACTOR shall develop and implement policies and procedures for ongoing identification of members who may be eligible for CHOICES. The CONTRACTOR shall use the following, at a minimum, to identify members who may be eligible for CHOICES:

- 2.9.6.3.1.1 Referral from member's PCP, specialist or other provider or other referral source;
- 2.9.6.3.1.2 Self-referral by member or referral by member's family or guardian;
- 2.9.6.3.1.3 Identification by the CONTRACTOR of a member receiving home health or private duty nursing services who will be subject to a reduction in covered services provided by the CONTRACTOR upon turning twenty-one (21) years of age (see Section A.2.9.4).
- 2.9.6.3.1.4 Referral from CONTRACTOR's staff including but not limited to Population Health and UM staff;
- 2.9.6.3.1.5 Notification of hospital admission (see Section A.2.12.9.44); and
- 2.9.6.3.1.6 Periodic review (at least quarterly) of:
 - 2.9.6.3.1.6.1 Claims or encounter data;
 - 2.9.6.3.1.6.2 Hospital admission or discharge data;
 - 2.9.6.3.1.6.3 Pharmacy data; and
 - 2.9.6.3.1.6.4 Data collected through the Population Health and/or UM processes.
- 2.9.6.3.1.6.5 The CONTRACTOR may define in its policies and procedures other steps that will be taken to better assess if the members identified through means other than referral or notice of hospital admission will likely qualify for CHOICES, and may target its screening and intake efforts to a more targeted list of persons that are most likely to need and to qualify for CHOICES services.
- 2.9.6.3.1.6.6 TENNCARE may establish, pursuant to policies and protocols for management of waiting lists, alternative timeframes for completion this task when there is a waiting list.

- 2.9.6.3.2 As part of its identification process for members who may be eligible for CHOICES, the CONTRACTOR may initiate a telephone screening process, using the tool and protocols specified by TENNCARE. Such screening process shall: (1) verify the member's current eligibility category based on information provided by TENNCARE in the outbound 834 enrollment file; for persons seeking access to CHOICES HCBS

through enrollment in CHOICES Groups 2 or 3, identify whether the member meets categorical eligibility requirements for enrollment in such group based on his/her current eligibility category, and if not, whether the member appears to meet categorical and financial eligibility criteria for the Institutional (i.e., CHOICES 217-Like HCBS or CHOICES At-Risk Demonstration) category; (2) determine whether the member appears to meet level of care eligibility for CHOICES; and (3) for members seeking access to CHOICES HCBS through enrollment in CHOICES Group 2, determine whether it appears that the member's needs can be safely and effectively met in the community and at a cost that does not exceed nursing facility care. Such telephone screening shall be conducted at the time of the initial call by the CONTRACTOR unless the member requests that the screening be conducted at another time, which shall be documented in writing in the CHOICES intake record.

2.9.6.3.3 For CHOICES referrals by or on behalf of a potential CHOICES member, regardless of referral source, if the CONTRACTOR opts to use a telephone screening process, the CONTRACTOR shall make every effort to conduct such screening process at the time of referral, unless the person making the referral is not able or not authorized by the member to assist with the screening process, in which case the CONTRACTOR shall complete the telephone screening process as expeditiously as possible.

2.9.6.3.3.1 Documentation of at least three (3) attempts occurring over a period of no less than three (3) days to contact the member by phone (which shall include at least one (1) attempt to contact the member at the number most recently reported by the member and at least one (1) attempt to contact the member at the number provided in the referral, if different, and which shall occur at different times of the day and evening, including after business hours), followed by a letter sent to the member's most recently reported address that provides information about CHOICES and how to obtain a screening for CHOICES, shall constitute sufficient effort by the CONTRACTOR to assist a member who has been referred for CHOICES, regardless of referral source. TENNCARE will review the CONTRACTOR's referral data, including the number of referred members the CONTRACTOR is unable to reach, and may institute additional requirements as necessary to ensure reasonable efforts to reach the member and complete the referral and intake process.

2.9.6.3.4 For persons identified through notification of hospital admission, the CONTRACTOR shall work with the discharge planner to determine whether long-term care services may be needed upon discharge, and if so, shall complete all applicable screening and/or intake processes immediately to facilitate timely transition to the most integrated and cost effective long-term care delivery setting appropriate for the member's needs.

2.9.6.3.5 For identification by the CONTRACTOR of a member who may be eligible for CHOICES by means other than referral or notice of hospital admission, if the CONTRACTOR opts to use a telephone screening process, the CONTRACTOR shall complete the telephone screening process as expeditiously as possible.

2.9.6.3.5.1 Documentation of at least one (1) attempt to contact the member by phone at the number most recently reported by the member, followed by a letter sent to the member's most recently reported address that provides information about CHOICES and how to obtain a screening for CHOICES shall constitute sufficient effort by the CONTRACTOR to assist a member that has been identified by the CONTRACTOR by means other than referral.

- 2.9.6.3.6 If the CONTRACTOR uses a telephone screening process, the CONTRACTOR shall document all screenings conducted by telephone and their disposition, with a written record.
- 2.9.6.3.7 If the member does not meet the telephone screening criteria, the CONTRACTOR shall within five (5) business days of the screening notify the member verbally and in writing in the format prescribed by TENNCARE: (1) that he/she does not appear to meet the criteria for enrollment in CHOICES; (2) that he/she has the right to continue with the CHOICES intake process and, if determined not eligible, to receive notice of such denial, including the member's due process right to appeal; and (3) how, if the member wishes to proceed with the CHOICES intake process, the member can submit a written request to proceed with the CHOICES intake process to the CONTRACTOR. In the event that a member does submit such written request, the CONTRACTOR shall process the request as a new referral and shall conduct a face-to-face intake visit, including level of care assessment and needs assessment, within ten (10) business days of receipt of the member's written request, unless a later date is requested by the member, which shall be documented in writing in the CHOICES intake record.
- 2.9.6.3.8 If, through the screening process described above, or upon other identification by the CONTRACTOR of a member who appears to be eligible for CHOICES for whom the CONTRACTOR opts not to use such screening process, the care coordinator shall conduct a face-to-face intake visit with the member that includes a level of care assessment and a needs assessment (see Section A.2.9.6.5) using tool(s) prior approved by TENNCARE and in accordance with the protocols specified by TENNCARE.
- 2.9.6.3.8.1 For members in a nursing facility or seeking nursing facility services, the care coordinator shall perform any additional needs assessment deemed necessary by the CONTRACTOR (see Section A.2.9.6.5.1).
- 2.9.6.3.8.2 For members seeking CHOICES HCBS, during the intake visit the care coordinator shall, using the tools and protocols specified by TENNCARE, conduct a comprehensive needs assessment (See Section A.2.9.6.5) and shall assess the member's existing natural support system, including but not limited to informal supports provided by family and other caregivers, services that may be available at no cost to the member through other entities, and services that are reimbursable through other public or private funding sources, such as Medicare or long-term care insurance; and identify the long-term care services and home health and/or private duty nursing services that may be needed by the member upon enrollment into CHOICES that would build upon and not supplant a member's existing natural support system. Additionally, the CONTRACTOR may perform the caregiver assessment (See Section A.2.9.6.5.2.5) during the intake visit, but shall perform the caregiver assessment no later than ten (10) business days after receipt of referral as detailed in Section A.2.9.6.3.12, but prior to the development of the plan of care to ensure that caregiver needs are addressed, as appropriate. The care coordinator or support coordinator shall also ensure that all identified caregivers have the care coordinator or support coordinator's name and contact information in accordance with Section A.2.9.6.4.3.
- 2.9.6.3.9 As part of the face-to-face intake visit, the care coordinator shall: (1) document and confirm the applicant's current address and phone number(s) and assist the member in updating his or her address with TENNCARE or the Social Security

- 2.9.6.3.10 If the member does not meet appear to meet CHOICES enrollment criteria, the care coordinator may advise the member verbally: (1) that he/she does not appear to meet the criteria for enrollment in CHOICES; but shall also advise the member (2) that he/she has the right to continue with the CHOICES intake process and, if determined not eligible, to receive notice of such denial, including the member's due process right to a fair hearing.
- 2.9.6.3.10.1 The decision to discontinue the CHOICES intake process must be made by the member or the member's representative and the CONTRACTOR shall not encourage the member or member's representative to discontinue the process;
- 2.9.6.3.10.2 Upon the member's decision to continue the CHOICES intake, the care coordinator shall continue the intake process and complete all required activities, including submission of the level of care to TENNCARE; or
- 2.9.6.3.10.3 Upon the member's decision to discontinue the CHOICES intake process, the care coordinator shall, in the manner prescribed by TENNCARE, document the member's decision to terminate the CHOICES intake process, including the member's or representative's signature and date. The CONTRACTOR shall maintain this documentation in the member's record and provide a copy to the member/representative.
- 2.9.6.3.10.4 The CONTRACTOR shall provide the member with information about how to initiate a new CHOICES screening and intake process in the future.
- 2.9.6.3.11 If, during the face-to-face intake visit the member or the member's representative elects to terminate the intake process for any other reason (e.g., estate recovery, patient liability, or does not need the services available through CHOICES), the care coordinator shall, in the manner prescribed by TENNCARE, document the member's decision to terminate the CHOICES intake process, including the member's or representative's signature and date. The CONTRACTOR shall maintain this documentation in the member's record and provide a copy to the member/representative.
- 2.9.6.3.11.1 The decision to discontinue the CHOICES intake process must be made by the member or the member's representative and the CONTRACTOR shall not encourage the member or member's representative to discontinue the process;
- 2.9.6.3.11.2 The CONTRACTOR shall provide the member with information about how to initiate a new CHOICES screening and intake process in the future.
- 2.9.6.3.12 For CHOICES referrals by or on behalf of a potential CHOICES member, regardless of referral source, the care coordinator shall conduct the face-to-face intake visit and shall develop a plan of care, as appropriate (see Section A.2.9.6.6), within ten (10) business days of receipt of such referral, unless a later date is requested by the member, which shall be documented in writing in the CHOICES intake record.

- 2.9.6.3.13 For members identified by the CONTRACTOR as potentially eligible for CHOICES by means other than referral, the care coordinator shall conduct the face-to-face intake visit and shall develop a plan of care, as appropriate (see Section A.2.9.6.6), within thirty (30) days of identification of the member as potentially eligible for CHOICES. For persons identified through notification of hospital admission, the CONTRACTOR shall coordinate with the hospital discharge planner to determine whether long-term care services may be needed upon discharge, and if so, complete all applicable screening and/or intake processes immediately to facilitate timely transition to the most integrated and cost effective long-term care delivery setting appropriate for the member's needs.
- 2.9.6.3.14 Once completed, in the manner prescribed by TENNCARE the CONTRACTOR shall submit the level of care (i.e., PAE application) and, for members requesting CHOICES HCBS, supporting documentation, as specified by TENNCARE, to verify that the member's needs can be safely and effectively met in the community and within the cost neutrality cap or expenditure cap, as applicable, to TENNCARE as soon as possible but no later than five (5) business days of the face-to-face visit.
- 2.9.6.3.14.1 If the Contractor determines that the member's assessed acuity score is less than nine (9) and the member's needs cannot be safely met in the community within the array of services and supports available if the member were enrolled in Group 3, or the member or his or her representative request a safety determination, the Contractor shall, in accordance with timeframes specified in A.2.9.6.3.14 and in a manner specified in TennCare protocol, complete the Safety Determination Request Form, including all required documentation, and submit the completed Safety Determination Request Form to TENNCARE along with the member's completed PAE.
- 2.9.6.3.14.2 If the CONTRACTOR is unable to obtain the supporting documentation within five (5) business days, such as required medical information, and the absence of such documentation delays the submission of the PAE to TENNCARE, the CONTRACTOR must document and continue efforts to collect supporting documentation. Such efforts may include assisting member to secure physician visit, and or other medical appointments necessary in order to obtain required supporting documentation.
- 2.9.6.3.14.3 Efforts to collect supporting documentation required for the submission of the PAE shall include at least three (3) attempts utilizing the following methods or combination of methods: contacting the physician, medical facility, or other healthcare entity by telephone, fax and/or in writing; visiting the healthcare entity, if possible and practicable, to request and/or pick up the required documentation; and contacting the member by phone, face-to-face, or in writing to request assistance in obtaining the needed documentation. Multiple faxes or calls to the physician or provider shall not be sufficient. If a recent history and physical or other medical records supporting the functional deficits are not available (e.g., the applicant has not received medical care in the last 365 days), the CONTRACTOR shall help to arrange an appointment with the member's primary care provider in order to obtain the needed information.
- 2.9.6.3.14.4 The CONTRACTOR must submit the PAE to TENNCARE within twenty (20) business days from the date of the face-to-face visit, regardless of whether the CONTRACTOR has received the supporting documentation. After submitting the PAE to TENNCARE, if the PAE submission results in a denial, the CONTRACTOR shall continue diligent efforts to collect supporting

documentation as specified in Section A.2.9.6.3.14.2. Pursuant to TennCare Rules, if within thirty (30) calendar days of the initial PAE denial, the CONTRACTOR obtains additional supporting documentation, the CONTRACTOR shall submit a revised PAE with the supporting documentation. After thirty (30) calendar days from the initial PAE denial have passed, the CONTRACTOR shall have no obligation to make efforts to collect supporting documentation, but shall be required to submit a new PAE with supporting documentation to TENNCARE if such documentation is subsequently received.

- 2.9.6.3.14.5 The CONTRACTOR shall be responsible for ensuring that the level of care, including Safety Determination Request Form, as applicable, is accurate and complete, satisfies all technical requirements specified by TENNCARE, and accurately reflects the member's current medical and functional status based on information gathered, at a minimum, from the member, his or her representative, the Care Coordinator's direct observations, and the history and physical or other medical records which shall be submitted with the application. The CONTRACTOR shall note in the level of care any discrepancies between these sources of information, and shall provide explanation regarding how the CONTRACTOR addressed such discrepancies in the level of care.
- 2.9.6.3.14.6 If TENNCARE receives a safety request from a NF or hospital on behalf of one of the CONTRACTOR's members, and the request contains insufficient medical evidence for TENNCARE to make a safety determination, TENNCARE may request that the CONTRACTOR conduct an assessment pursuant to TennCare Rules to gather additional information needed by TENNCARE to make a safety determination. If TENNCARE makes such a request, the CONTRACTOR shall conduct the assessments required pursuant to TennCare Rules and complete the Safety Determination Request Form, including all required documentation, within five (5) business days from notification by TENNCARE, except when a delay results from the needs or request of the member which shall be documented in writing.
- 2.9.6.3.15 If the member is seeking access to CHOICES HCBS through enrollment in CHOICES Group 2 and the enrollment target for CHOICES Group 2 has been reached, the CONTRACTOR shall notify TENNCARE, at the time of submission of the level of care and needs assessment and plan of care, as appropriate, whether the person shall be placed on a waiting list for CHOICES Group 2. If the CONTRACTOR wishes to enroll the person in CHOICES Group 2 as a cost effective alternative (CEA) to nursing facility care that would otherwise be provided, the CONTRACTOR shall submit to TENNCARE the following:
 - 2.9.6.3.15.1 A written summary of the CONTRACTOR's CEA determination, including an explanation of the member's circumstances which warrant the immediate provision of nursing facility services unless CHOICES HCBS are immediately available.
 - 2.9.6.3.15.2 TENNCARE may request additional information as needed to confirm the CONTRACTOR's CEA determination and/or provider capacity to meet the member's needs, and shall, only upon receipt of satisfactory documentation, enroll the member in CHOICES.
- 2.9.6.3.16 The CONTRACTOR shall be responsible for (1) advising members who appear to meet the nursing facility level of care that are seeking access to CHOICES HCBS through enrollment in CHOICES Group 2 when an enrollment target has been (or

will soon be) reached; (2) advising such persons that they may choose to receive nursing facility services if CHOICES Group 2 HCBS are not immediately available; (3) determining whether the person wants nursing facility services if CHOICES Group 2 HCBS are not immediately available; and (4) at the CONTRACTOR's sole discretion, making a determination regarding whether enrollment in Group 2 constitutes a CEA because the immediate provision of nursing facility services will otherwise be required and submitting appropriate documentation to TENNCARE if there is a waiting list for CHOICES Group 2 but the CONTRACTOR chooses to enroll a member in Group 2 as a CEA (see Section A.2.9.6.3.15.1).

- 2.9.6.3.17 The State will be responsible for determining TennCare categorical and financial eligibility and level of care and enrolling eligible TennCare members into CHOICES.
- 2.9.6.3.18 TENNCARE will notify the CONTRACTOR via the outbound 834 enrollment file when a person has been enrolled in CHOICES and, if the member is enrolled in CHOICES, the member's CHOICES Group and applicable patient liability amounts (see Section A.2.6.7). For members in CHOICES Group 2, TENNCARE will notify the CONTRACTOR of the member's cost neutrality cap (see definition in Section A.1 and see Section A.2.6.1.5.2.3), which shall be the average cost of Level 1 nursing facility care unless a higher cost neutrality cap is established by TENNCARE based on information submitted by the AAAD or MCO (as applicable) in the level of care.
- 2.9.6.3.19 For all newly enrolled CHOICES Group 1 members, the CONTRACTOR shall reimburse NF services in accordance with the level of nursing facility services or reimbursement approved by TENNCARE, and as of the effective date of CHOICES enrollment, except that the CONTRACTOR may reimburse a lesser level of service which such lesser level of service is billed by the facility.
- 2.9.6.3.20 For the CONTRACTOR's current members enrolled into CHOICES Group 2 or Group 3, the member's Care Coordinator shall within ten (10) business days of notice of the member's enrollment in CHOICES Group 2 or Group 3, authorize and initiate CHOICES HCBS.
- 2.9.6.3.20.1 For purposes of the CHOICES program, service authorizations for CHOICES HCBS shall include the amount, frequency, and duration of each service to be provided, and the schedule at which such care is needed, as applicable; and other relevant information as prescribed by TENNCARE. The CONTRACTOR may determine the duration of time for which CHOICES HCBS will be authorized. However, the CONTRACTOR shall be responsible for monitoring its authorizations and for ensuring that there are no gaps in authorizations for CHOICES HCBS in accordance with the plan of care. The CONTRACTOR shall further be responsible for ensuring that service authorizations are consistent with the plan of care, including the schedule at which services are needed and any updates to the plan of care and/or schedule, and except in the following circumstance, for notifying providers in advance when a service authorization (including a schedule) will be changed. Retroactive entry or adjustments in service authorizations for CHOICES HCBS should be made only when required to accommodate payment of services that had been authorized but an adjustment in the schedule of services was required based on the member's needs.
- 2.9.6.3.20.2 Notwithstanding the address and/or phone number in the 834 file, for purposes of the EVV system (see Section A.2.9.6.13.5), the CONTRACTOR shall use the member's address or phone number or appropriate alternative phone number as confirmed during the intake visit (see Section A.2.9.6.3.9) and updated (as

applicable) during subsequent care coordination contacts, through EVV alert monitoring or other member contacts for all HCBS that will be logged into the EVV system.

- 2.9.6.3.20.3 Except as required pursuant to Section A. 2.14.5.8, the CONTRACTOR may decide whether it will issue service authorizations for nursing facility services, or whether it will instead process claims for such services in accordance with the level of care and/or reimbursement (including the duration of such level of care and/or reimbursement) approved by TENNCARE (see Section A.2.14.1.14). The CONTRACTOR may however reimburse a facility at the Level I per diem rate when such rate is billed by the facility and there is an approved LOC eligibility segment for such level of reimbursement. If the CONTRACTOR elects to authorize nursing facility services, the CONTRACTOR may determine the duration of time for which nursing facility services will be authorized. However, the CONTRACTOR shall be responsible for monitoring its authorizations and for ensuring that there are no gaps in authorizations for CHOICES nursing facility services in accordance with the level of care and/or reimbursement approved by TENNCARE. Retroactive entry or adjustments in service authorizations for nursing facility services should be made only upon notification of retroactive enrollment into or disenrollment from CHOICES Group 1a or 1b via the outbound 834 file from TENNCARE.
- 2.9.6.3.20.4 The CONTRACTOR shall provide at least verbal notice to the member prior to initiation of CHOICES HCBS identified in the plan of care regarding any change in providers selected by the member for each CHOICES HCBS; including the reason such change has been made. If the CONTRACTOR is unable to place a CHOICES Group 1 or 2 member in the nursing facility or community-based residential alternative setting requested by the member, the care coordinator shall meet with the member and his/her representative to discuss the reasons why the member cannot be placed with the requested facility and the available options and identify an alternative facility.
- 2.9.6.3.20.5 If the CONTRACTOR is unable to initiate any long-term care service within the timeframes specified in this Contract, the CONTRACTOR shall issue written notice to the member, documenting the service(s) that will be delayed, the reasons for the delay and the date the service(s) will start, and shall make good faith efforts to ensure that services are provided as soon as practical.
- 2.9.6.3.20.6 For members enrolled in CHOICES Groups 1 or 2 who are, upon CHOICES enrollment, receiving nursing facility or community-based residential alternative services from a contract provider, the CONTRACTOR shall authorize such services from the current provider as of the effective date of CHOICES enrollment. The CONTRACTOR shall not move members enrolled in CHOICES Groups 1 or 2 who are, upon CHOICES enrollment, receiving services in a nursing facility or community-based residential alternative setting to another facility unless: (1) the member or his/her representative specifically requests to move, which shall be documented in the member's file; (2) the member or his/her representative provides written consent to move based on quality or other concerns raised by the CONTRACTOR, which shall not include the nursing facility's rate of reimbursement; or (3) the facility where the member is residing is not a contract provider; if the community-based residential facility where the member is currently residing is not a contract provider, the CONTRACTOR shall provide continuation of services in such facility for at least thirty (30) days, which shall be extended as necessary to ensure continuity of care pending the

facility's contracting with the CONTRACTOR or the member's transition to a contract facility; if the member is transitioned to a contract facility, the CONTRACTOR shall facilitate a seamless transition to the new facility; if the nursing facility where the member is currently residing is a non-contract provider, the CONTRACTOR shall (a) authorize continuation of the services pending enrollment of the facility as a contract provider (except a facility excluded for a 2-year period when the facility has withdrawn from Medicaid participation); (b) authorize continuation of the services pending facilitation of the member's transition to a contract facility, subject to the member's agreement with such transition; or (c) may continue to reimburse services from the non-contract nursing facility in accordance with TennCare rules and regulations.

- 2.9.6.3.20.7 For members receiving nursing facility services, the care coordinator shall participate as appropriate in the nursing facility's care planning process (see Section A.2.9.6.5.1) and may supplement the facility's plan of care as necessary (see Section A.2.9.6.6.1).
- 2.9.6.3.20.8 The CONTRACTOR shall not divert or transition members in CHOICES Group 1 to CHOICES HCBS unless the member chooses to receive CHOICES HCBS as an alternative to nursing facility and is enrolled in Group 2 or a member enrolled in CHOICES on or after July 1, 2012 no longer meets nursing facility level of care but does meet the at-risk level of care and is enrolled in Group 3.
- 2.9.6.3.20.9 The CONTRACTOR shall not admit a member enrolled in CHOICES Group 2 to a nursing facility unless the member meets the nursing facility level of care in place at the time of admission and : (1) is expected to require a short-term nursing facility care stay for ninety (90) days or less; (2) chooses to transition to a nursing facility and enroll in Group 1; or (3) the CONTRACTOR determines that it cannot safely and effectively meet the needs of the member and at a cost that is less than the member's cost neutrality cap and the member agrees to transition to a nursing facility and enroll in Group 1.
- 2.9.6.3.20.10 The CONTRACTOR shall not admit a member enrolled in CHOICES Group 3 to a nursing facility unless the member meets the nursing facility level of care in place at the time of admission and: (1) is expected to require short-term nursing facility services for ninety (90) days or less; or (2) chooses to transition to a nursing facility and enroll in Group 1.
- 2.9.6.3.20.11 Upon receiving notification from TENNCARE that a member's eligibility has ended, the CONTRACTOR shall within two (2) business days notify all providers of ongoing HCBS that the member's CHOICES eligibility has ended, which may be accomplished by notification in the EVV system. Such notification shall not be provided in advance of the actual end date of member's CHOICES eligibility, as a prospective end date could be extended.
- 2.9.6.3.21 TENNCARE may establish, pursuant to policies and protocols for management of waiting lists, alternative timeframes for completion of specified intake functions and activities for persons when there is a waiting list.

2.9.6.4 Care Coordination upon Enrollment in CHOICES

- 2.9.6.4.1 Upon notice of a member's enrollment in CHOICES, the CONTRACTOR shall assume responsibility for all care coordination functions and activities described herein (assessment and care planning activities for members currently enrolled with the CONTRACTOR shall begin prior to CHOICES enrollment; see Section A.2.9.6.3).
- 2.9.6.4.2 The CONTRACTOR shall be responsible for all aspects of care coordination and all requirements pertaining thereto, including but not limited to requirements set forth in the Section 1115 TennCare Demonstration Waiver, federal and state laws and regulations, this Contract, and TennCare policies and protocols.
- 2.9.6.4.3 The CONTRACTOR shall assign to each member a specific care coordinator who shall have primary responsibility for performance of care coordination activities as specified in this Contract, and who shall be the member's point of contact for coordination of all physical health, behavioral health, and long-term care services.
- 2.9.6.4.3.1 For CHOICES members, who are, upon CHOICES enrollment, receiving services in a nursing facility or a community-based residential alternative setting, the CONTRACTOR shall assign a specific care coordinator prior to the first face-to-face visit required in this Contract. If the first face-to-face visit will not occur within the first ten (10) days of the member's enrollment in CHOICES, the CONTRACTOR shall send the member written notification within ten (10) calendar days of the member's enrollment that explains how the member can reach the care coordination unit for assistance with concerns or questions pending the assignment of a specific care coordinator.
- 2.9.6.4.3.2 For CHOICES members who, upon enrollment in CHOICES, are not receiving services in a nursing facility or a community-based residential alternative setting, the CONTRACTOR shall assign a specific care coordinator and shall advise the member of the name of his/her care coordinator and provide contact information prior to the initiation of services (see Section A.2.9.6.2.5.3 and A.2.9.6.3.20), but no more than ten (10) calendar days following CHOICES enrollment.
- 2.9.6.4.3.3 For all CHOICES members and ECF CHOICES members, the assigned Care Coordinator or Support Coordinator shall be linguistically competent in the member and primary caregiver's spoken language or in the use of sign language or other non-verbal forms of communication, including the use of assistive technology, as applicable, and the use of other auxiliary aids or services in order to achieve effective communication. If a Care Coordinator or Support Coordinator is assigned before the CONTRACTOR identifies the member's primary spoken language or other communication needs, and the Care Coordinator or Support Coordinator is not linguistically competent in the member and primary caregiver's primary spoken language or is unable to accommodate the use of sign language or other non-verbal forms of communication, including the use of assistive technology, as applicable, and the use of other auxiliary aids or services in order to achieve effective communication the CONTRACTOR shall assign a new Care Coordinator or Support Coordinator who is linguistically competent in the member and primary caregiver's primary spoken language, or who is trained in the use of sign language or other non-verbal forms of communication, including the use of assistive technology, as applicable, and the use of other auxiliary aids or services in order to achieve effective communication and shall notify the member of the

new Care Coordinator or Support Coordinator and the reason for such assignment. If the CONTRACTOR is unable to assign a Care Coordinator for a CHOICES member or a Support Coordinator for an ECF CHOICES member who is linguistically competent in the member and primary caregiver's primary spoken language, or who is trained in the use of sign language or other non-verbal forms of communication, including the use of assistive technology, and the use of other auxiliary aids or services in order to achieve effective communication as applicable, the CONTRACTOR shall ensure the availability of translation services in the member and primary caregiver's primary spoken language or in sign language, or who can facilitate non-verbal forms of communication, including the use of assistive technology, as applicable, and the use of other auxiliary aids or services in order to achieve effective communication for all needs assessment and care planning activities.

- 2.9.6.4.4 The CONTRACTOR may utilize a care coordination or support coordination team approach to performing care coordination or support coordination activities prescribed in Section A.2.9.6. For each CHOICES or ECF CHOICES member, the CONTRACTOR's care coordination or support coordination team shall consist of the member's care coordinator or support coordinator and specific other persons with relevant expertise and experience appropriate to address the needs of CHOICES or ECF CHOICES members. Care coordination or support coordination teams shall be discrete entities within the CONTRACTOR's organizational structure dedicated to fulfilling CHOICES or ECF CHOICES care coordination or support coordination functions. The CONTRACTOR shall establish policies and procedures that specify, at a minimum: the composition of care coordination or support coordination teams; the tasks that shall be performed directly by the care coordinator or support coordinator as specified in this Contract, including needs assessment, caregiver assessment, development of the plan of care or person-centered support plan, and all minimum care coordination or support coordination contacts; the tasks that may be performed by the care coordinator or support coordinator or the care coordination or support coordination team; measures taken to ensure that the care coordinator or support coordinator remains the member's primary point of contact for the CHOICES or ECF CHOICES program and related issues; escalation procedures to elevate issues to the care coordinator or support coordinator in a timely manner; and measures taken to ensure that if a member needs to reach his/her care coordinator or support coordinator specifically, calls that require immediate attention by a care coordinator or support coordinator are handled by a care coordinator or support coordinator and calls that do not require immediate attention are returned by the member's care coordinator or support coordinator the next business day. The CONTRACTOR may elect to utilize specialized intake coordinators or intake teams for initial needs assessment and care planning or support planning activities. All intake activities identified as responsibilities of the care coordinator or support coordinator shall be completed by an individual who meets all of the requirements to be a care coordinator or support coordinator. Should the CONTRACTOR elect to utilize specialized intake coordinators or intake teams, the CONTRACTOR shall develop policies and procedures which specify how the contractor will coordinate a seamless transfer of information from the intake coordinator or team to the member's care coordinator or support coordinator.

2.9.6.5 Needs Assessment

2.9.6.5.1 *For Members in CHOICES Group 1*

2.9.6.5.1.1 As part of the face-to-face intake visit for current members or face-to-face visit with new members in CHOICES Group 1, as applicable, a care coordinator shall conduct any needs assessment deemed necessary by the CONTRACTOR, using a tool prior approved by TENNCARE and in accordance with protocols specified by TENNCARE. This assessment may include identification of targeted strategies related to improving overall wellness, health, functional, or quality of life outcomes (e.g., related to Population Health or pharmacy management) or to increasing and/or maintaining functional abilities, including services covered by the CONTRACTOR that are beyond the scope of the nursing facility services benefit. The care coordinator shall ensure coordination of the member's physical health, behavioral health, and long-term care needs and shall assess at least annually the member's potential for an interest in transition to the community. For children under the age of 21 in nursing facilities, this shall include explanation to the member or his parent or authorized representative, as applicable, of benefits available pursuant to EPSDT, including medically necessary benefits such as home health or private duty nursing that may be provided in the community as an alternative to nursing facility care.

2.9.6.5.1.2 Needs reassessments shall be conducted as the care coordinator deems necessary.

2.9.6.5.2 *For Members in CHOICES Groups 2 and 3*

2.9.6.5.2.1 The care coordinator shall conduct a comprehensive needs assessment using a tool prior approved by TENNCARE and in accordance with protocols specified by TENNCARE as part of its face-to-face visit with new members in CHOICES Groups 2 and 3 (see Section A.2.9.6.2.5) and as part of its face-to-face intake visit for current members applying for CHOICES Groups 2 and 3.

2.9.6.5.2.2 At a minimum, for members in CHOICES Group 2 and 3, the comprehensive needs assessment shall assess: (1) the member's overall wellness including physical, behavioral, functional, and psychosocial needs; (2) an evaluation of the member's financial health as it relates to the member's ability to maintain a safe and healthy living environment, which for individuals receiving community-based residential alternative services other than companion care, shall include the member's capabilities and desires regarding personal funds management; any training or assistance needed to support the member in managing personal funds or to develop skills needed to increase independence with managing personal funds; and any health, safety or exploitation issues that require limitations on the member's access to personal funds; (3) the member's interest in pursuing integrated, competitive employment and any barriers to pursuing employment (as applicable); (4) the member's opportunities to engage in community life and access community services and activities to the same degree as individuals not receiving HCBS; (5) the member's natural supports, including care being provided by family members and/or other caregivers, and long-term care services the member is currently receiving (regardless of payor), and whether there is any anticipated change in the member's need for such care or services or the availability of such care or services from the current caregiver or payor; (6) the physical health, behavioral health, and long-term care services and other social support services and assistance (e.g., housing or income assistance) that are needed, as applicable, to ensure the member's health safety and welfare in the

community, delay or prevent the need for institutional placement, and to support the member's individually identified goals and outcomes, including employment (as applicable) and integrated community living; and (7) the member's food security, including whether referrals and application assistance for food stamps (i.e., SNAP benefits), WIC (if caring for a minor child), or other public or community resources are appropriate.

- 2.9.6.5.2.3 The comprehensive needs assessment shall be conducted at least annually and as the care coordinator deems necessary.
- 2.9.6.5.2.4 For CHOICES Group 2 and 3 members, the CONTRACTOR shall visit the member face-to-face within five (5) business days of becoming aware that the member has a significant change in needs or circumstances as defined in Section A.2.9.6.10.2.1.17 The care coordinator shall assess the member's needs, conduct a comprehensive needs assessment and update the member's plan of care as deemed necessary based on the member's circumstances.

The care coordinator shall also sign and date the plan of care, along with any substantive updates. The plan of care shall be updated and signed by the member or his/her representative, as applicable, and the care coordinator annually and any time the

member experiences a significant change in needs or circumstances (see Section A.2.9.6.10.2.1.17).

- 2.9.6.6.2.5.1 The CONTRACTOR shall develop policies and procedures that describe the measures taken by the CONTRACTOR to address instances when a member refuses to sign the plan of care. The policies and procedures shall include a specific escalation process (ultimately to TENNCARE) that includes a review of the reasons for the member's refusal as well as actions taken to resolve any disagreements with the plan of care and shall involve the consumer advocate in helping to facilitate resolution.
- 2.9.6.6.2.5.2 When the refusal to sign is due to a member's request for additional services, including requests for a different type or an increased amount, frequency, scope, and/or duration of services than what is included in the plan of care, the CONTRACTOR shall, in the case of a new plan of care, authorize and initiate services in accordance with the plan of care; and, in the case of an annual or revised plan of care, ensure continuation of at least the level of services in place at the time the annual or revised plan of care was developed until a resolution is reached, which may include resolution of a timely filed appeal, if applicable. The CONTRACTOR shall not use the member's acceptance of services as a waiver of the member's right to dispute the plan of care or as cause to stop the resolution process.
- 2.9.6.6.2.5.3 When the refusal to sign is due to the inclusion of services that the member does not want to receive, either in totality or in the amount, frequency, scope or duration of services in the plan of care, the care coordinator shall modify the risk agreement to note this issue, the associated risks, and the measures to mitigate the risks. The risk agreement shall be signed and dated by the member or his/her representative and the care coordinator. In the event the care coordinator determines that the member's needs cannot be safely and effectively met in the community without receiving these services, the CONTRACTOR may request that it no longer provide long-term care services to the member (see Section A.2.6.1.5.7).
- 2.9.6.6.2.5.4 Instances in which a member's signature is not required are limited to: 1) member-initiated schedule changes to the POC that do not alter the level of services (i.e. the amount, duration or type of services) detailed in the current POC for the member; 2) changes in the provider agency that will deliver services that do not alter the level of services (i.e. the amount, duration or type of services) detailed in the current POC for the member; however, all schedule changes must be member-initiated; 3) changes in the member's current address and phone number(s) or the phone number(s) or address that will be used to log visits into the EVV system; 4) the end of a member's participation in MFP at the conclusion of his 365-day participation period; or 5) instances as permitted pursuant to TennCare policies and protocols. Documentation of such changes shall be maintained in the member's records.
- 2.9.6.6.2.6 The member's care coordinator/care coordination team shall provide a copy of the member's completed plan of care, including any updates, to the member, the member's representative, as applicable, the member's community-based residential alternative provider, as applicable, and other providers authorized to deliver care to the member, and shall ensure that each provider signs the plan of care indicating they understand and agree to provide the services as described prior to the schedule implementation of services and prior to any change in such

services. The CONTRACTOR shall have mechanisms in place to ensure that such signatures and confirmation of each provider's agreement to provide services occurs within the timeframes specified in A. 2.9.6.3.12, A.2.9.6.3.20, and A.2.9.6.6.2.7, such that a delay in the initiation of services does not result. Electronic signatures will be accepted for providers who are not present during the care planning process or as needed to facilitate timely implementation, including updates to the plan of care based on the member's needs.

- 2.9.6.6.2.7 Within five (5) business days of completing a reassessment of a member's needs, the member's care coordinator shall update the member's plan of care as appropriate, and the CONTRACTOR shall authorize and initiate CHOICES HCBS in the updated plan of care, except when such service(s) may be initiated only upon completion of an adverse action such that advance notice is required. In such case, HCBS in the updated plan of care shall be initiated upon expiration of the advance notice period or upon resolution of any timely filed appeal requiring continuation of the existing benefits. The CONTRACTOR shall comply with requirements for service authorization in Section A.2.9.6.2.5.12, change of provider in Section A.2.9.6.2.5.13, and notice of service delay in Section A.2.9.6.2.5.14.
- 2.9.6.6.2.7.1 Within three (3) business days of updating the member's plan of care, the member's care coordinator/care coordination team shall provide a copy of all relevant changes to the FEA, as applicable, and to other providers authorized to deliver care to the member. Relevant information shall include any information needed to ensure the provision of quality care for the member and to help ensure the member's health, safety, and welfare, including but not limited to any changes in the tasks and functions to be performed.
- 2.9.6.6.2.8 The member's care coordinator shall inform each member of his/her eligibility end date and educate members regarding the importance of maintaining TennCare CHOICES eligibility, that eligibility must be redetermined at least once a year, and that members receiving CHOICES HCBS may be contacted by TENNCARE or its designee to offer assistance with the redetermination process (e.g., collecting appropriate documentation and completing the necessary forms), when such process has not been completed timely and the member is at risk of losing eligibility.
- 2.9.6.7 Nursing Facility Diversion
 - 2.9.6.7.1 The CONTRACTOR shall develop and implement a nursing facility diversion process that complies with the requirements in this Section A.2.9.6.7 and is prior approved in writing by TENNCARE. The diversion process shall not prohibit or delay a member's access to nursing facility services when these services are medically necessary and requested by the member.
 - 2.9.6.7.2 At a minimum the CONTRACTOR's diversion process shall target the following groups for diversion activities:
 - 2.9.6.7.2.1 Members who are waiting for placement in a nursing facility;
 - 2.9.6.7.2.2 CHOICES members residing in their own homes who have a negative change in circumstances and/or deterioration in health or functional status and who request nursing facility services;

- 2.9.6.7.2.3 CHOICES members residing in adult care homes or other community-based residential alternative settings who have a negative change in circumstances and/or deterioration in health or functional status and who request nursing facility services;
- 2.9.6.7.2.4 CHOICES and non-CHOICES members admitted to an inpatient hospital or inpatient rehabilitation who are not residents of a nursing facility; and
- 2.9.6.7.2.5 CHOICES and non-CHOICES members who are placed short-term in a nursing facility regardless of payer source.
- 2.9.6.7.3 The CONTRACTOR's nursing facility diversion process shall be tailored to meet the needs of each group identified in Section A.2.9.6.7.2 above.
- 2.9.6.7.4 The CONTRACTOR's nursing facility diversion process shall include a detailed description of how the CONTRACTOR will work with providers (including hospitals regarding notice of admission and discharge planning; see Sections A.2.9.6.3.4 and A.2.9.6.3.13) to ensure appropriate communication among providers and between providers and the CONTRACTOR, training for key CONTRACTOR and provider staff, early identification of members who may be candidates for diversion (both CHOICES and non-CHOICES members), and follow-up activities to help sustain community living.
- 2.9.6.7.5 The CONTRACTOR's nursing facility diversion process shall include specific timelines for each identified activity.
- 2.9.6.8 Nursing Facility-to-Community Transition
- 2.9.6.8.1 The CONTRACTOR shall develop and implement methods for identifying members who may have the ability and/or desire to transition from a nursing facility to the community. Such methods shall include, at a minimum:
 - 2.9.6.8.1.1 Referrals, including but not limited to, treating physician, nursing facility, other providers, community-based organizations, family, and self-referrals;
 - 2.9.6.8.1.2 Identification through the care coordination process, including but not limited to: assessments, information gathered from nursing facility staff, participation in Grand Rounds (as defined in Section A.1) or review and assessment of members whose nursing facility level of care is ending and who appear to meet the at-risk level of care for Group 3.
 - 2.9.6.8.1.3 Review and analysis of members identified by TENNCARE based on Minimum Data Set (MDS) data from nursing facilities.
- 2.9.6.8.2 Members in CHOICES Group 1 (who are residents of a nursing facility) and who are under the age of twenty-one (21) and have requested to transition home will be provided coordination of care by the CONTRACTOR's CHOICES and Population Health staff.
- 2.9.6.8.3 Notwithstanding the nursing facility-to-community transition requirements set forth in this Section (A.2.9.6.8), the CONTRACTOR shall be responsible for monitoring all Group 1 members' level of care eligibility (see Section A.2.9.6.8.1.2) and for completing the process to re-establish nursing facility level of care or transition to Group 3 HCBS, as appropriate, prior to expiration of nursing facility level of care.

- 2.9.6.8.4 For transition referrals by or on behalf of a nursing facility resident, regardless of referral source, the CONTRACTOR shall ensure that within fourteen (14) days of the referral a care coordinator conducts an in-facility visit with the member to determine the member's interest in and potential ability to transition to the community, and provide orientation and information to the member regarding transition activities. The member's care coordinator/care coordination team shall document in the member's case file that transition was discussed with the member and indicate the member's wishes as well as the member's potential for transition. The CONTRACTOR shall not require a member to transition from Group 1 to Group 2 when the member expresses a desire to continue receiving nursing facility services.
- 2.9.6.8.5 For identification by the CONTRACTOR by means other than referral or the care coordination process of a member who may have the ability and/or desire to transition from a nursing facility to the community, the CONTRACTOR shall ensure that within ninety (90) days of such identification a care coordinator conducts an in-facility visit with the member to determine whether or not the member is interested in and potential ability to pursue transition to the community. The member's care coordinator/care coordination team shall document in the member's case file that transition was discussed with the member and indicate the member's wishes as well as the member's potential for transition. The CONTRACTOR shall not require a member to transition when the member expresses a desire to continue receiving nursing facility services.
- 2.9.6.8.6 If the member wishes to pursue transition to the community, within fourteen (14) days of the initial visit (see Sections A.2.9.6.8.3 and A.2.9.6.8.4 above) or within fourteen (14) days of identification through the care coordination process, the care coordinator shall conduct an in-facility assessment of the member's ability and/or desire to transition using tools and protocols specified or prior approved in writing by TENNCARE. This assessment shall include the identification of any barriers to a safe transition.
- 2.9.6.8.7 As part of the transition assessment, the care coordinator shall conduct a risk assessment in accordance with protocols developed by TENNCARE, discuss with the member the risk involved in transitioning to the community and shall begin to develop, as applicable, a risk agreement that shall be signed and dated by the member or his/her representative and which shall include identified risks to the member, the consequences of such risks, strategies to mitigate the identified risks, and the member's decision regarding his/her acceptance of risk as part of the plan of care. The risk agreement shall include the frequency and type of care coordinator contacts that exceed the minimum contacts required (see Section A.2.9.6.10.4), to mitigate any additional risks associated with transition and shall address any special circumstances due to transition. For members transitioning to Group 2, the member's care coordinator/care coordination team shall also make a determination regarding whether the member's needs can be safely and effectively met in the community and at a cost that does not exceed nursing facility care. The member's care coordinator shall explain to the member the individual cost neutrality cap and obtain a signed acknowledgement of understanding by the member or his/her representative that a change in a member's needs or circumstances that would result in the cost neutrality cap being exceeded or that would result in the CONTRACTOR's inability to safely and effectively meet a member's needs in the community and within the cost neutrality cap may result in the member's disenrollment from CHOICES Group 2, in which case, the CONTRACTOR will assist with transition to a more appropriate care

delivery setting. For members transitioning to Group 3, the care coordinator shall explain the expenditure cap.

- 2.9.6.8.8 For those members whose transition assessment indicates that they are not candidates for transition to the community, the care coordinator shall notify them in accordance with the specified transition assessment protocol.
- 2.9.6.8.9 For those members whose transition assessment indicates that they are candidates for transition to the community, the care coordinator shall facilitate the development of and complete a transition plan within fourteen (14) days of the member's transition assessment.
- 2.9.6.8.10 The care coordinator shall include other individuals such as the member's family and/or caregiver in the transition planning process if the member requests and/or approves, and such persons are willing and able to participate.
- 2.9.6.8.11 As part of transition planning, prior to the member's physical move to the community, the care coordinator shall visit the residence where the member will live to conduct an on-site evaluation of the physical residence and meet with the member's family or other caregiver who will be residing with the member (as appropriate). The care coordinator shall include in the transition plan activities and/or services needed to mitigate any perceived risks in the residence including but not limited to an increase in face-to-face visits beyond the minimum required contacts in Sections A.2.9.6.8.19 and A.2.9.6.8.20.
- 2.9.6.8.12 The transition plan shall address all services necessary to safely transition the member to the community and include at a minimum member needs related to housing, transportation, availability of caregivers, and other transition needs and supports. The transition plan shall also identify any barriers to a safe transition and strategies to overcome those barriers.
- 2.9.6.8.13 The CONTRACTOR shall approve the transition plan and authorize any covered or cost effective alternative services included in the plan within ten (10) business days of completion of the plan. The transition plan shall be fully implemented within ninety (90) days from approval of the transition plan, except under extenuating circumstances which must be documented in writing.
- 2.9.6.8.14 The member's care coordinator shall also complete a plan of care that meets all criteria described in Section A.2.9.6.6 for members in CHOICES Groups 2 and 3 including but not limited to completing a comprehensive needs assessment, completing and signing the risk agreement and making a final determination of cost neutrality. The plan of care shall be authorized and initiated prior to the member's transition to the community.
 - 2.9.6.8.14.1 If a transitioning member is enrolled in CHOICES Group 1, any CHOICES HCBS that must be completed prior to a member's transition from a nursing facility to the community in order to ensure the member's health and safety upon transition (e.g., minor home modifications, adaptive equipment, or PERS installation) shall be completed while the member is enrolled in Group 1, but shall be billed as a Group 2 service once the member is enrolled into Group 2, with the date of service the effective date of enrollment in CHOICES Group 2 (see State Medicaid Director Letter, Olmstead Update No. 3, July 25, 2000).

- 2.9.6.8.14.2 If a transitioning member is enrolled in CHOICES Group 2 or 3 but is receiving short-term nursing facility care, any CHOICES HCBS that must be completed prior to a member's transition from a nursing facility to the community in order to ensure the member's health and safety upon transition (e.g., minor home modifications, adaptive equipment, or PERS installation) shall be completed while the member resides in the facility and billed as a Group 2 or Group 3 service, as applicable. However, a member shall not be transitioned from CHOICES Group 1 into Group 2 or 3 for receipt of short-term nursing facility services in order to provide these services. Short-term nursing facility care is available only to a CHOICES 2 or CHOICES 3 participant who was receiving home and community based services upon admission to the short-term nursing facility stay.
- 2.9.6.8.15 For members requesting transition from Group 1 to Group 2, the CONTRACTOR shall not prohibit a member from transitioning to the community once the member has been counseled regarding risk. However, the CONTRACTOR may determine that the member's needs cannot be safely and effectively met in the community and at a cost that does not exceed nursing facility care. In such case, the CONTRACTOR shall seek written review and approval from TENNCARE prior to denial of any member's request to transition to the community. If TENNCARE approves the CONTRACTOR's request, the CONTRACTOR shall notify the member in accordance with TennCare rules and regulations and the transition assessment protocol, and the member shall have the right to appeal the determination (see Section A.2.19.3.12 of this Contract).

2.9.6.11.1 In addition to the roles and responsibilities otherwise specified in this Section A.2.9.6, the CONTRACTOR shall ensure that the following additional care coordination functions related to consumer direction of eligible CHOICES HCBS are fulfilled.

2.9.6.11.2 The CONTRACTOR shall be responsible for providing all needed eligible CHOICES HCBS using contract providers until all necessary requirements have been fulfilled in order to implement consumer direction of eligible CHOICES HCBS, including but not limited to: the FEA verifies that workers for these services meet all necessary requirements (see Section A.2.9.7.6.1 of this Contract); service agreements are completed and signed; and authorizations for consumer directed services are in place. The CONTRACTOR, in conjunction with the FEA, shall facilitate a seamless transition between contract providers and workers and ensure that there are no interruptions or gaps in services.

2.9.6.11.3 If a member elects not to receive eligible CHOICES HCBS using contract providers until all necessary requirements have been fulfilled in order to implement consumer direction of eligible CHOICES HCBS:

2.9.6.11.3.1 The CONTRACTOR shall document this decision, including date and member/member's representative's signature, in the manner specified by TENNCARE (see Section A.2.9.7.4.3.2 of this Contract).

2.9.6.11.3.2 The member's care coordinator shall visit the member face to face at least monthly to ensure that the member's needs are met, and shall continue to offer eligible CHOICES HCBS through contract providers (See Section A.2.9.7.4.3.3).

2.9.6.11.4 If a member is interested in participating in consumer direction of eligible CHOICES HCBS and the member does not intend to appoint a representative, the care coordinator shall determine the extent to which the member may require assistance to direct his/her services (see Section A.2.9.7.4.5). If the care coordinator determines that the member requires assistance to direct his/her services, based upon the results of a completed self-assessment instrument developed by TENNCARE, the care coordinator shall inform the member that he/she will need to designate a representative to assume the consumer direction functions on his/her behalf (see Section A.2.9.7.4.5.1).

- 2.9.6.11.5 The member's care coordinator/care coordination team shall ensure that the person identified to serve as the representative meets all qualifications (see Section A.2.9.7.2.1) and that a representative agreement is completed and signed by the member prior to forwarding a referral to the FEA (see Section A.2.9.7.4.7).
- 2.9.6.11.5.1 The member or member's representative must retain authority and responsibility for consumer direction.

- 2.9.6.11.7 For members electing to participate in consumer direction, the member's care coordinator shall integrate the member's back-up plan for consumer-directed workers (including any updates thereto) into the member's back-up plan for services provided by contract providers, as applicable, and the member's plan of care. The care coordinator shall review the back-up plan developed by the member or his/her representative (as applicable) for consumer direction to determine its adequacy to address the member's needs. The care coordinator shall, upon notification that the scheduled worker failed to report for service provision, assist the member in implementing the back-up plan as needed, and as part of ongoing care coordination activities to ensure that the member is receiving services as specified in the plan of care, shall monitor that the back-up plan is being implemented timely, when applicable, and that the member's needs are being met.
- 2.9.6.11.8 For members electing to participate in consumer direction, the member's care coordinator shall reassess the adequacy of the member's back-up plan for consumer direction on at least an annual basis or as frequently as needed, which shall include any time there are changes in the type, amount, duration, scope of eligible CHOICES HCBS or the schedule at which such services are needed, changes in consumer-directed workers (when such workers also serve as a back-up to other workers) or changes in the availability of paid or unpaid back-up workers to deliver needed care.
- 2.9.6.11.9 For members electing to participate in consumer direction, the member's care coordinator shall develop and/or update risk agreement which takes into account the member's decision to participate in consumer direction, and which identifies any additional risks associated with the member's decision to direct his/her services, the potential consequences of such risk, as well as measures to mitigate these risks. The member's representative (if applicable) shall participate in the risk assessment process. The new or updated risk agreement, shall be signed by the member (or the member's representative, as applicable) and the care coordinator. The CONTRACTOR shall provide a copy of the risk agreement to the member/representative and the FEA.
- 2.9.6.11.10 On an ongoing basis, the CONTRACTOR shall ensure that needs reassessments and updates to the plan of care occur per requirements specified in Sections A.2.9.6.11 of this Contract. The care coordinator shall ensure that, for members participating in consumer direction, the FEA is invited to participate in these meetings as appropriate.

- 2.9.6.11.11 Within three (3) business days of updating the member's plan of care, the member's care coordinator/care coordination team shall provide a copy of all relevant changes to the FEA (see Section A.2.9.6.6.2.7.1. of this Contract).

The notification shall include at a minimum: the member name; date of allegation reported and/or identified; description of issue; measures taken to mitigate risk; status of reporting to CPS or APS, as appropriate. If the allegation is in reference to a worker or representative, the FEA shall contact the member/representative to immediately release the worker or representative from his/her duties until the investigation is complete. The FEA shall notify the CONTRACTOR regarding this communication with the member/representative and the member or representative's decision. The care coordinator shall work with the member to find a new representative and the FEA shall work with the member to find a suitable replacement worker, if applicable. If the allegations are substantiated as a result of the investigation, the representative or worker shall no longer be allowed to participate in the CHOICES program as a representative or worker. If the investigation is inconclusive, the member may elect to retain the worker or representative. The member's care coordinator, with assistance from the FEA as appropriate, shall make any updates to the member's plan of care and/or risk assessment/risk agreement deemed necessary to help ensure the member's health and safety, and shall provide, at least annually, education of the member and his/her representative of the risk of, and signs and symptoms of, abuse and neglect. The CONTRACTOR may initiate action to involuntary disenroll the member from consumer direction at any time the CONTRACTOR feels that the member's decisions or actions constitute unreasonable risk such that the member's needs can no longer be safely and effectively met in the community while participating in consumer direction.

Such average shall be derived by dividing the total number of full-time equivalent care coordinators by the total weighted value of CHOICES members as delineated below.
- 2.9.6.12.8 The required maximum caseload for any individual care coordinator is a weighted value of no more than one hundred seventy-five (175) CHOICES members. Effective July 1, 2015, the required maximum caseload for any individual care coordinator is a weighted value of no more than one hundred sixty-five (165) CHOICES members.
- 2.9.6.12.9 The CONTRACTOR shall use the following methodology to calculate weighted care coordinator-to-CHOICES member staffing ratios and care coordinator caseloads:
- 2.9.6.12.9.1 Each CHOICES Group 1 member shall be factored into the weighted care coordinator-to-CHOICES member staffing ratio and weighted caseload calculations utilizing an acuity level of one (1), EXCEPT that:
- 2.9.6.12.9.1.1 Upon completion of a Transition Assessment, which indicates that a Group 1 member is a candidate for transition to the community, such member shall be factored into the weighted caseload and staffing ratio calculations using an acuity level of two and one-half (2.5) until such time as the member is transitioned to CHOICES Group 2 or Group 3 or the member is no longer a candidate for transition;
- 2.9.6.12.9.1.2 CHOICES Group 1 members under twenty-one (21) years of age shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of two and one-half (2.5).
- 2.9.6.12.9.2 Each CHOICES Group 2 member shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of two and one-half (2.5);
- 2.9.6.12.9.3 Each CHOICES Group 3 member shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of one and three quarters (1.75). Effective July 1, 2015, each CHOICES Group 3 member shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of two (2):
- 2.9.6.12.9.4 Each ECF CHOICES Group 4 member shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of two (2);
- 2.9.6.12.9.5 Each ECF CHOICES Group 5 member shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of two and one-half (2.5); and
- 2.9.6.12.9.6 Each ECF CHOICES Group 6 member shall be factored into the weighted caseload and staffing ratio calculations in accordance with their objectively assessed level of need as follows:
- 2.9.6.12.9.6.1 ECF CHOICES Group 6 members determined by an objective assessment to have low to moderate need and not to have exceptional medical or behavioral needs shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of three (3).

- 2.9.6.12.9.6.2 ECF CHOICES Group 6 members determined by an objective assessment to have low to moderate need and to have exceptional medical needs shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of three and one quarter (3.25).
- 2.9.6.12.9.6.3 ECF CHOICES Group 6 members determined by an objective assessment to have low to moderate need and to have exceptional behavioral needs (with or without exceptional medical needs) and ECF CHOICES Group 6 members determined by an objective assessment to have high need and not to have exceptional medical or behavioral needs shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of three and one half (3.5).
- 2.9.6.12.9.6.4 ECF CHOICES Group 6 members determined by an objective assessment to have high need and to have exceptional medical needs shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of three and three quarters (3.75).
- 2.9.6.12.9.6.5 ECF CHOICES Group 6 members determined by an objective assessment to have high need and to have exceptional behavioral needs (with or without exceptional medical needs) shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of four (4).
- 2.9.6.12.9.7 Using the delineated acuity factors, the following provides examples of the composition of caseloads with a weighted value of 125(Effective through June 30, 2015):

CHOICES Group 1	CHOICES Group 2	CHOICES Group 3	Total CHOICES Members on Caseload

 - 2.9.6.13.4.4 The CONTRACTOR monitors on an ongoing basis and reports to TENNCARE upon request, the total volume of CHOICES HCBS that have been provided but not reimbursed due to issues with the EVV system or due to individual exceptions, and proactively works with providers and the FEA to ensure that issues are corrected and exceptions are resolved as expeditiously as possible and within the timeframes specified above in order to provide payment as appropriate for services delivered.

- 2.9.6.13.5 The CONTRACTOR shall develop or purchase and implement an electronic visit verification system to monitor member receipt and utilization of CHOICES HCBS including at a minimum, personal care, attendant care, in-home respite and home-delivered meals. The CONTRACTOR shall select its own electronic visit verification vendor, as applicable, and shall ensure, in the development of its EVV system, the following minimal functionality:
- 2.9.6.13.5.1 The ability to receive and store service authorizations for individual members;
 - 2.9.6.13.5.2 The ability to log the arrival and departure of an individual provider staff person or worker, through the use of a static GPS device provided to the member for the sole purpose of this program;
 - 2.9.6.13.5.3 The ability to capture the arrival and departure of an individual provider staff person or worker through the member's phone number in the event there is a malfunction with the GPS device;
 - 2.9.6.13.5.4 The ability to verify in accordance with business rules that services are being delivered in the correct location (e.g., the member's home);
 - 2.9.6.13.5.5 The ability to verify the identity of the individual provider staff person or worker providing the service to the member;
 - 2.9.6.13.5.6 The ability to match services provided to a member with services authorized in the plan of care;
 - 2.9.6.13.5.7 The ability to ensure that the provider/worker delivering the service is authorized to deliver such services;
 - 2.9.6.13.5.8 The ability to create a schedule of services from the service authorizations entered for each member which identifies the time at which each service is needed, and the amount, frequency, duration and scope of each service; to ensure that workers are scheduled by providers in accordance with such schedule of services; and to ensure providers' adherence to the established schedule;
 - 2.9.6.13.5.9 The ability to establish schedules that allow for flexibility of arrival time when such schedule is authorized with a "window of time" and systemically confirm such visits appropriately;
 - 2.9.6.13.5.10 The ability to provide system-generated reporting regarding each provider's compliance with scheduling requirements, late and missed visits, and other data specified by TennCare for purposes of a provider report card and value-based payment approach;
 - 2.9.6.13.5.11 The ability to allow more flexible scheduling options, e.g., for members participating in consumer direction, including the option for open scheduling while still performing all remaining system functions;
 - 2.9.6.13.5.12 The ability to receive and store updated authorizations, including those requiring changes to existing schedules, systematically cancel existing schedules that are no longer authorized, and immediately notify the provider of such updates;
 - 2.9.6.13.5.13 The ability to confirm visits that occur per the authorized services schedule;

- 2.9.6.13.5.14 The ability to provide immediate (i.e., “real time”) notification to the CONTRACTOR, provider and FEA, as applicable, if a provider or worker does not arrive as scheduled or otherwise deviates from the authorized schedule so that service gaps and the reason the service was not provided as scheduled, are immediately identified and addressed, including through the implementation of back-up plans, as appropriate;
- 2.9.6.13.5.15 The ability to automate contact with the member to address late visits that could signal a potential gap in care in order to identify and target intervention as needed;
- 2.9.6.13.5.16 The ability for a provider of home-delivered meals to log in and enter the meals that have been delivered during the day, including the member’s name, time delivered and the reason a meal was not delivered (when applicable);
- 2.9.6.13.5.17 The ability to capture worker notes per service provided and provide such notes to the provider, CONTRACTOR and FEA as appropriate, upon request;
- 2.9.6.13.5.18 The ability to engage the provider or consumer directed worker, as applicable, as a member of the care planning team through submission of routine feedback to the CONTRACTOR and FEA as appropriate, regarding the member, including any change in status or the member’s needs;
- 2.9.6.13.5.19 The ability to collect real-time data regarding the member’s experience of care and to aggregate such data for purposes of a provider report card and value-based payment approach;
- 2.9.6.13.5.20 The ability to leverage the member-based technology for health education and self-management of chronic conditions, including monitoring, reminders and documentation of self-care (e.g., glucose checks, blood pressure checks, etc.);
- 2.9.6.13.5.21 Access to the EVV system and a dashboard for TennCare to conduct real-time monitoring of the CONTRACTOR’s performance with these requirements;
- 2.9.6.13.5.22 The CONTRACTOR shall ensure that the EVV system creates and makes available to providers and to the FEA on at least a daily basis an electronic claims submission file in the 837 format, including exceptions which have been resolved, which may be submitted to the CONTRACTOR for claims processing at the appropriate frequency;
- 2.9.6.13.5.23 The CONTRACTOR shall ensure providers and the FEA receive an electronic reconciliation report for all submitted claims.
- 2.9.6.13.6 The CONTRACTOR shall require and shall conduct readiness review activities as necessary to confirm that the EVV system vendor has a plan in place and will be compliant with all Version 5010 and ICD-10 coding requirements in a timely manner.
- 2.9.6.13.7 Notwithstanding the address and/or phone number in the 834 file, the CONTRACTOR shall use the member’s address or phone number or appropriate alternative phone number, as confirmed during the intake visit (see Section A.2.9.6.3.9) and updated (as applicable) during subsequent care coordination contacts (see Section A.2.9.6.10.2.1.5) for all HCBS that will be logged into the EVV system.

- 2.9.6.13.8 The CONTRACTOR shall not require that provider staff delivering home-delivered meals log in at arrival and departure. Instead, the provider may opt to log in on a daily basis after meals have been delivered and enter information on all the meals that were delivered that day (see Section A.2.9.6.13.5.16 above).
- 2.9.6.13.9 The CONTRACTOR shall monitor and use information from the electronic visit verification system to verify that services are provided as specified in the plan of care, and in accordance with the established schedule, including the amount, frequency, duration, and scope of each service, and that services are provided by the authorized provider/worker; and to identify and immediately address service gaps, including late and missed visits. The CONTRACTOR shall monitor services anytime a member is receiving services, including after the CONTRACTOR's regular business hours.
- 2.9.6.13.10 The CONTRACTOR shall develop and maintain an electronic case management system that includes the functionality to ensure and document compliance with all requirements specified in the Section 1115 TennCare Demonstration Waiver, federal and state laws and regulations, this Contract, and TennCare policies and protocols, including but not limited to the following:

The CONTRACTOR shall comply with all data entry and tracking processes and timelines established by TENNCARE in policy or protocol in order to ensure efficient and effective administration and oversight of the CHOICES program.

A.2.9.7 Consumer Direction of Eligible CHOICES HCBS

2.9.7.1 General

- 2.9.7.1.1 The CONTRACTOR shall offer consumer direction of eligible CHOICES HCBS to all CHOICES Group 2 and 3 members who are determined by a care coordinator, through the needs assessment/reassessment process, to need attendant care, personal care, in-home respite, companion care services and/or any other service specified in TennCare rules and regulations as available for consumer direction. (Companion care is only available for persons in Group 2 electing consumer direction of eligible CHOICES HCBS.) A service that is not specified in TennCare rules and regulations as available for consumer direction or that is not a CHOICES HCBS shall not be consumer directed. Consumer direction in CHOICES affords members the opportunity to have choice and control over how eligible CHOICES HCBS are provided, who provides the services and how much workers are paid for providing care, up to a specified maximum amount established by TENNCARE (see Section A.2.9.7.6.11). Member participation in consumer direction of eligible CHOICES HCBS is voluntary. Members may elect to participate in or withdraw from consumer direction of eligible CHOICES HCBS at any time, service by service, without affecting their enrollment in CHOICES. To the extent possible, the member shall provide his/her care coordinator ten (10) days advance notice regarding his/her intent to no longer direct one or more eligible CHOICES HCBS or to withdraw from participation in consumer direction of eligible CHOICES HCBS entirely. The CONTRACTOR shall respond to the member's request in keeping with the timeframes and processes set forth in this Section, in order to facilitate a seamless transition to appropriate service delivery. TENNCARE may establish reasonable limitations on the frequency with which members may opt into and out of consumer direction of eligible CHOICES HCBS.
- 2.9.7.1.2 Consumer direction is a process by which eligible CHOICES HCBS are delivered; it is not a service. If a member chooses not to direct his/her care, he/she shall receive authorized CHOICES HCBS through contract providers. While the denial of a member's request to participate in consumer direction or the termination of a member's participation in consumer direction gives rise to due process including the right to fair hearing, such appeals shall be processed by the TennCare Division of Long Term Care rather than the TennCare Solutions Units, which manages medical appeals pertaining to TennCare benefits (i.e., services).
- 2.9.7.1.3 Members who participate in consumer direction of eligible CHOICES HCBS choose either to serve as the employer of record of their workers or to designate a representative (see definition below in Section A.2.9.7.2.1) to serve as the employer of record on his/her behalf. As the employer of record the member or his/her representative is responsible for the following:
- 2.9.7.1.3.1 Recruiting, hiring and firing workers;
 - 2.9.7.1.3.2 Determining workers' duties and developing job descriptions;
 - 2.9.7.1.3.3 Scheduling workers;
 - 2.9.7.1.3.4 Supervising workers;
 - 2.9.7.1.3.5 Evaluating worker performance and addressing any identified deficiencies or concerns;

- 2.9.7.1.3.6 Setting wages from a range of rates established by TENNCARE;
- 2.9.7.1.3.7 Training workers to provide personalized care based on the member's needs and preferences;
- 2.9.7.1.3.8 Ensuring that workers deliver only those services authorized, and reviewing and approving hours worked by consumer-directed workers;
- 2.9.7.1.3.9 Reviewing and ensuring proper documentation for services provided; and
- 2.9.7.1.3.10 Developing and implementing as needed a back-up plan to address instances when a scheduled worker is not available or fails to show up as scheduled.

2.9.7.2 Representative for Consumer Direction

- 2.9.7.2.1 A member may designate, or have appointed by a guardian, a representative to assume the consumer direction responsibilities on his/her behalf. A representative shall meet, at minimum the following requirements: be at least 18 years of age, have a personal relationship with the member and understand his/her support needs; knows the member's daily schedule and routine, medical and functional status, medication regimen, likes and dislikes, and strengths and weaknesses; and be physically present in the member's residence on a regular basis or at least at a frequency necessary to supervise and evaluate each worker.
- 2.9.7.2.2 In order to participate in consumer direction of eligible CHOICES HCBS with the assistance of a representative, one of the following must apply: (1) the member must have the ability to designate a person to serve as his/her representative or (2) the member has a legally appointed representative who may serve as the member's representative.
- 2.9.7.2.3 The care coordinator shall, based on a self-assessment completed by the member, determine if the member requires assistance in carrying out the responsibilities required for consumer direction and therefore requires a representative. The member's care coordinator/care coordination team shall verify that a representative meets the qualifications as described in Section A.2.9.7.2.1 above.
- 2.9.7.2.4 A member's representative shall not receive payment for serving in this capacity and shall not serve as the member's worker for any consumer directed service. The CONTRACTOR shall use a representative agreement developed by TENNCARE to document a member's choice of a representative for consumer direction of eligible CHOICES HCBS and the representative's contact information, and to confirm the individual's agreement to serve as the representative and to accept the responsibilities and perform the associated duties defined therein. The CONTRACTOR shall notify the FEA within three (3) business days when it becomes aware of any changes to a representative's contact information.
- 2.9.7.2.5 The representative agreement shall be signed by the member (or person authorized to sign on member's behalf) and the representative in the presence of the care coordinator. The care coordinator shall include the representative agreement in the member's file and provide copies to the member and/or the member's representative and the FEA.

- 2.9.7.2.6 A member may change his/her representative at any time. The member shall immediately notify his/her care coordinator and the FEA when he/she intends to change representatives. The care coordinator shall verify that the new representative meets the qualifications as described above. A new representative agreement shall be completed and signed, in the presence of a care coordinator, prior to the new representative assuming their respective responsibilities. The care coordinator shall immediately notify the FEA in writing when a member changes his/her representative and provide a copy of the representative agreement. The CONTRACTOR shall facilitate a seamless transition to the new representative, and ensure that there are no interruptions or gaps in services. As part of the needs assessment and plan of care process, the care coordinator shall educate the member about the importance of notifying the care coordinator prior to changing a representative.
- 2.9.7.2.7 The FEA shall ensure that the new representative signs all service agreements (see Section A.2.9.7.6.6).
- 2.9.7.3 Fiscal Employer Agent (FEA)
- 2.9.7.3.1 The CONTRACTOR shall enter into a contract with the FEA specified by TENNCARE to provide assistance to members choosing consumer direction.
- 2.9.7.3.2 The FEA shall fulfill, at a minimum, the following financial administration and supports brokerage functions, as specified in the CONTRACTOR's contract with the FEA and the FEA's contract with TENNCARE, for all CHOICES members electing consumer direction of eligible CHOICES HCBS:
- 2.9.7.3.2.1 Assign a supports broker to each CHOICES member electing to participate in consumer direction of eligible CHOICES HCBS. The supports broker shall be responsible for assisting the member with enrollment into consumer direction and with the enrollment of new workers;
- 2.9.7.3.2.2 Notify the member's care coordinator upon becoming aware of any additional risk associated with the member participating in consumer direction that may need to be addressed in the risk assessment and plan of care processes;
- 2.9.7.3.2.3 Provide initial and ongoing training to members and their representatives (as applicable) on consumer direction and other relevant issues (see Section A.2.9.7.7 of this Contract);
- 2.9.7.3.2.4 Verify worker qualifications, including, as specified by TENNCARE, conduct background checks on workers, enroll workers into Medicaid, assign provider Medicaid ID numbers, and hold Medicaid provider agreements (see Section A.2.9.7.6.1 of this Contract);
- 2.9.7.3.2.5 Provide initial and ongoing training to workers on consumer direction and other relevant issues (see Section A.2.9.7.7 of this Contract);
- 2.9.7.3.2.6 Assist the member and/or representative in developing and updating service agreements (see Section A.2.9.7.6.6);
- 2.9.7.3.2.7 Receive, review and process timesheets;
- 2.9.7.3.2.8 Resolve discrepancies regarding timesheets;

- 2.9.7.3.2.9 Develop and implement a process to support members or their representatives in ensuring that consumer directed workers maintain in the member's home (or alternative location or format approved by TENNCARE) documentation of service delivery to support payments for services provided through consumer direction, and periodically monitor such documentation;
- 2.9.7.3.2.10 Withhold, file and pay applicable: federal, state and local income taxes; employment and unemployment taxes; and worker's compensation;
- 2.9.7.3.2.11 Pay workers for authorized services rendered within authorized timeframes;
- 2.9.7.3.2.12 Facilitate resolution of any disputes regarding payment to workers for services rendered; and
- 2.9.7.3.2.13 Notify the CONTRACTOR within no more than twenty-four (24) hours of identification of critical incidents (see Section A.2.15.7).
- 2.9.7.3.3 The FEA shall also fulfill, at a minimum, the following financial administration and supports brokerage functions for CHOICES members electing consumer direction of eligible CHOICES HCBS on an as needed basis:
 - 2.9.7.3.3.1 As needed, assist the member and/or representative in developing job descriptions;
 - 2.9.7.3.3.2 As needed, assist the member and/or representative in locating and recruiting workers;
 - 2.9.7.3.3.3 As needed, assist the member and/or representative in interviewing workers (developing questions, evaluating responses);
 - 2.9.7.3.3.4 Assist the member and/or representative in developing (as part of the onboarding process for new workers) a schedule for the member's workers that comports with the schedule at which services are needed by the member as reflected in the plan of care;
 - 2.9.7.3.3.5 Assist the member and/or representative in managing and monitoring payments to workers; and
 - 2.9.7.3.3.6 Assist the member/representative in identification and training of new workers, as needed.
- 2.9.7.3.4 The CONTRACTOR's care coordination functions shall not duplicate the supports brokerage functions performed by the FEA or its subcontractor. A member's care coordinator shall be responsible for monitoring the member's services through consumer direction.
- 2.9.7.3.5 The CONTRACTOR's contract with the FEA shall include the provisions specified by TENNCARE in the model CONTRACTOR-FEA contract.
- 2.9.7.3.6 The CONTRACTOR in collaboration with the FEA shall establish a process that allows for the efficient exchange of all relevant member information regarding members electing to participate in consumer direction between the CONTRACTOR and the FEA.

- 2.9.7.3.7 The CONTRACTOR and FEA shall develop a protocol for interfaces and transfers of customer service inquiries per the requirements of Section A.2.18 of this Contract.
- 2.9.7.3.8 The CONTRACTOR shall provide to the FEA copies of all relevant initial and updated member documents, including at a minimum, plans of care, representative agreements and risk agreements. The CONTRACTOR shall provide to the FEA all relevant documentation prior to service delivery.
- 2.9.7.3.9 The FEA shall screen monthly to determine if workers have been excluded from participation in Medicare, Medicaid, SCHIP, or any Federal health care programs (as defined in Section 1128B(f) of the Social Security Act) and not employ or contract with an individual or entity that has been excluded. If a worker has been excluded, the FEA shall notify the member regarding the worker's status and work with the member to find a replacement worker. The FEA shall notify the CONTRACTOR regarding the worker status. The CONTRACTOR shall work with the member to obtain a replacement contract provider until a replacement worker can be found and all worker requirements are fulfilled and verified.
- 2.9.7.3.10 *FEA Training*
- 2.9.7.3.10.1 The CONTRACTOR shall provide education and training to the FEA and its staff and subcontracted supports brokers (as applicable) regarding key requirements of this Contract and the contract between the CONTRACTOR and the FEA.
- 2.9.7.3.10.2 The CONTRACTOR shall provide to the FEA, in electronic format (including but not limited to CD or access via a web link), a member handbook and updates thereafter annually or any time material changes are made.
- 2.9.7.3.10.3 The CONTRACTOR shall conduct initial education and training to the FEA and its staff at least thirty (30) days prior to implementation in each Grand Region covered by this Contract. This education and training shall include, but not be limited to, the following:
- 2.9.7.3.10.3.1 The role and responsibilities of the care coordinator, including as it relates to members electing to participate in consumer direction;
- 2.9.7.3.10.3.2 CHOICES needs assessment and care planning development, implementation, and monitoring processes, including the development and activation of a back-up plan for members participating in consumer direction;
- 2.9.7.3.10.3.3 The FEA's responsibilities for communicating with the CONTRACTOR, members, representatives and workers and TENNCARE, and the process by which to do this;

- 2.9.7.3.10.4 The CONTRACTOR shall provide ongoing FEA education, training and technical assistance as deemed necessary by the CONTRACTOR or TENNCARE in order to ensure compliance with this Contract and the contract between the CONTRACTOR and the FEA.
- 2.9.7.3.10.5 The FEA shall provide training to the CONTRACTOR's care coordinators regarding consumer direction of HCBS and the role and responsibilities of the FEA (including financial administration and supports brokerage functions)
- 2.9.7.4 Needs Assessment/Plan of Care Process
- 2.9.7.4.1 A CHOICES member may choose to direct needed eligible CHOICES HCBS at any time: during CHOICES intake, through the needs assessment/reassessment and plan of care and plan of care update processes; and outside of these processes. The care coordinator shall assess the member's needs for eligible CHOICES HCBS per requirements in Sections A.2.9.6.2.5, A.2.9.6.3 and A.2.9.6.5, as applicable. The care coordinator shall use the plan of care process (including updates) to identify the eligible services that the member will direct and to facilitate the member's enrollment in consumer direction of eligible CHOICES HCBS.
- 2.9.7.4.2 The CONTRACTOR shall obtain from the member a signed statement regarding the member's decision to participate in consumer direction of eligible CHOICES HCBS.
- 2.9.7.4.2.1 The care coordinator shall assist the member in identifying which of the needed eligible CHOICES HCBS shall be consumer directed, provided by contract providers or a combination of both, in which case, there must be a set schedule which clearly defines when contract providers will be utilized. The CONTRACTOR shall not be expected or required to maintain contract providers "on standby" to serve in a back-up capacity for services a member has elected to receive through consumer direction.
- 2.9.7.4.3 If the member intends to direct one or more needed eligible CHOICES HCBS, throughout the period of time that consumer direction is being initiated, the CONTRACTOR shall arrange for the provision of needed CHOICES HCBS through contract providers in accordance with Section A.2.9.6. The care coordinator shall obtain from the member his/her choice of contract providers who will provide CHOICES HCBS until such time as workers are secured and ready to begin delivering care through consumer direction.

- 2.9.7.4.3.1 If a member has been assessed to need companion care services, the CONTRACTOR shall identify non-residential services that will offer interim support to address the member's needs and assist the member in obtaining contract providers for these services.
- 2.9.7.4.3.2 If a member electing to participate in consumer direction refuses to receive eligible CHOICES HCBS from contract providers while services are initiated through consumer direction, the decision must be documented on a signed and dated Consumer Direction Participation Form. The CONTRACTOR shall not encourage a member to forego receipt of eligible CHOICES HCBS from contract providers while these HCBS are being initiated through consumer direction.
- 2.9.7.4.3.3 For any CHOICES Group 2 or Group 3 member electing to participate in consumer direction that refuses to receive eligible CHOICES HCBS from contract providers while services are initiated through consumer direction, the member's care coordinator shall visit the member face to face at least monthly to ensure that the member's needs are safely met, and shall continue to offer eligible CHOICES HCBS through contract providers.
- 2.9.7.4.3.4 If eligible CHOICES HCBS are not initiated within sixty (60) days following referral to the FEA, the CONTRACTOR shall notify the member that eligible CHOICES HCBS must be initiated by contract providers unless these HCBS are not needed on an ongoing basis in order to safely meet the member's needs in the community, in which case, the CONTRACTOR shall submit documentation to TENNCARE to begin the process of disenrollment from CHOICES. Even if services are initiated by contract providers, if consumer directed services are not initiated within ninety (90) days of FEA referral, the CONTRACTOR shall assess whether consumer direction is appropriate for the member at this time or whether the member should be disenrolled from consumer direction. Disenrollment from consumer direction does not preclude the member from initiating consumer directed services at a later point.
- 2.9.7.4.4 Except as specified in Section A.2.9.7.4.3.2. and in accordance with requirements pertaining thereto, the CONTRACTOR shall be responsible for providing all needed eligible CHOICES HCBS using contract providers, including a back-up plan for such services, until all necessary requirements have been fulfilled in order to implement consumer direction of eligible CHOICES HCBS, including but not limited to: the FEA verifies that workers for these services meet all necessary requirements (see Section A.2.9.7.6.1 of this Contract); service agreements are completed and signed; and authorizations for consumer directed services are in place. The CONTRACTOR, in conjunction with the FEA, shall facilitate a seamless transition between contract providers and workers and ensure that there are no interruptions or gaps in services.
- 2.9.7.4.5 The care coordinator shall determine if the member will appoint a representative to assume the consumer direction functions on his/her behalf. If the member does not intend to appoint a representative, the care coordinator shall determine the extent to which a member requires assistance to participate in consumer direction of eligible CHOICES HCBS, based upon the results of the member's responses to the self-assessment instrument developed by TENNCARE. The self-assessment instrument shall be completed by the member with assistance from the member's care coordinator as appropriate. The care coordinator shall file the completed self-assessment in the member's file and provide a copy to the FEA.

- 2.9.7.4.5.1 If, based on the results of the self-assessment the care coordinator determines that a member requires assistance to direct his/her services, the care coordinator shall inform the member that he/she will need to designate a representative to assume the consumer direction functions on his/her behalf.
- 2.9.7.4.5.2 The CONTRACTOR shall forward to TENNCARE for disposition, pursuant to TennCare policy, any cases in which the CONTRACTOR plans to deny participation in consumer direction because a care coordinator has determined that the health, safety and welfare of the member would be in jeopardy if the member participates in consumer direction without a representative but the member does not want to appoint a representative to assist in directing his/her services. The CONTRACTOR shall abide by TENNCARE's decision.
- 2.9.7.4.6 The member's care coordinator/care coordination team shall ensure that the person identified to serve as the representative meets all qualifications (see Section A.2.9.7.2.1 of this Contract) and that a representative agreement is completed and signed by the member and the person prior to forwarding a referral to the FEA (see Section A.2.9.7.4.7 below).
- 2.9.7.4.7 Within two (2) business days of signing the representative agreement or completion of the self-assessment instrument if the member has not designated a representative and the care coordinator determines that the member does not require a representative to assist the member in directing his/her care, the CONTRACTOR shall forward to the FEA a referral initiating the member's participation in consumer direction of eligible CHOICES HCBS. The referral shall include at a minimum: the date of the referral; the member's name, address, telephone number, and social security number (SSN); the name of the representative and telephone number (if applicable); member's MCO ID number; member's CHOICES enrollment date; eligible selected HCBS, including amount, frequency and duration of each by type; and care coordinator's name and contact information. The CONTRACTOR shall also forward to the FEA a copy of the written confirmation of the member's decision to participate in consumer direction of eligible CHOICES HCBS, the signed POC, and the representative agreement, if applicable. Referrals shall be submitted electronically on a daily basis using the agreed upon data interface (either a standard electronic file transfer or the FEA's web portal technology or both) and process. Referrals shall be submitted on a member-by-member basis.
- 2.9.7.4.8 Within two (2) business days of receipt of the referral, the FEA shall assign a supports broker to the member, notify the care coordinator of the assignment and provide the name and contact information of the supports broker.
- 2.9.7.4.9 Within five (5) days of receipt of the referral, the FEA shall contact the member to inform the member of his/her assigned supports broker, provide contact information for the supports broker, and to begin the process of initiating consumer direction of eligible CHOICES HCBS.
- 2.9.7.4.10 *Back-up Plan for Consumer Direction and Updated Risk Assessment/Risk Agreement*
- 2.9.7.4.10.1 The member/representative (as applicable) shall have primary responsibility for the development and implementation of the back-up plan for consumer directed services. The FEA shall assist the member/representative as needed in developing and verifying the initial back-up plan for consumer direction that adequately identifies how the member/representative will address situations when a scheduled worker is not available or fails to show up as scheduled. The care

- coordinator shall assist the member as needed with implementing the back-up plan and shall update and verify the back-up plan annually and as needed.
- 2.9.7.4.10.2 The member/representative (as applicable) may not elect, as part of the back-up plan, to go without services.
- 2.9.7.4.10.3 The back-up plan for consumer direction shall include the names and telephone numbers of contacts (workers, agency staff, organizations, supports) for alternate care, the order in which each shall be notified and the services to be provided by contacts. Back-up contacts may include paid and unpaid supports; however, it is the responsibility of the member electing consumer direction and/or his/her representative to secure paid (as well as unpaid) back-up contacts who are willing and available to serve in this capacity. The CONTRACTOR shall not be expected or required to maintain contract providers “on standby” to serve in a back-up capacity for services a member has elected to receive through consumer direction.
- 2.9.7.4.10.4 All persons and/or organizations noted in the back-up plan for consumer direction shall be contacted by the member/representative to determine their willingness and availability to serve as back-up contacts. For the initial back-up plan, the FEA shall confirm with these persons and/or organizations their willingness and availability to provide care when needed, document confirmation in the member’s file and forward a copy of the documentation to the CONTRACTOR. The care coordinator shall be responsible for updating and verifying the back-up plan on an ongoing basis.
- 2.9.7.4.10.5 The member’s care coordinator shall integrate the member’s back-up plan for consumer-directed workers (including any updates thereto) into the member’s back-up plan for services provided by contract providers, as applicable, and the member’s plan of care. The care coordinator shall review the back-up plan developed by the member or his/her representative (as applicable) for consumer direction to determine its adequacy to address the member’s needs, and as part of ongoing care coordination activities to ensure that the member is receiving services as specified in the plan of care, shall monitor that the back-up plan was implemented timely, when applicable, and that the member’s needs are being met.
- 2.9.7.4.10.6 The care coordinator shall assist the member or his/her representative (as applicable) in implementing the back-up plan for consumer direction as needed, monitor to ensure that the back-up plan is implemented and effectively working to meet the member’s needs, and immediately address any concerns with the back-up plan or the member’s care.
- 2.9.7.4.10.7 The care coordinator shall assist the member or his/her representative (as applicable) in reviewing and updating the back-up plan for consumer direction at least annually and as frequently as necessary, which shall include any time there are changes in the type, amount, duration, scope of eligible CHOICES HCBS or the schedule at which such services are needed, changes in workers (when such workers also serve as a back-up to other workers) and changes in the availability of paid or unpaid back-up workers to deliver needed care. As part of the annual review of the back-up plan, the member or his/her representative and the care coordinator shall confirm that each person specified in the back-up plan continues to be willing and available to serve as back-up workers to deliver

needed care and to perform the tasks and functions needed by the member. Any updates to the back-up plan for consumer direction shall be provided to the FEA.

- 2.9.7.4.10.8 The FEA and the CONTRACTOR shall each file a copy of the back-up plan for consumer direction in the member's file.
- 2.9.7.4.10.9 The member's care coordinator shall reassess the adequacy of the member's back-up plan for consumer direction on at least an annual basis which shall include any time there are changes in the type, amount, duration, scope of eligible CHOICES HCBS or the schedule at which such services are needed, changes in consumer-directed workers (when such workers also serve as a back-up to other workers) or changes in the availability of paid or unpaid back-up workers to deliver needed care.
- 2.9.7.4.10.10 The care coordinator shall develop and/or update risk agreement which takes into account the member's decision to participate in consumer direction, and which identifies any additional risks associated with the member's decision to direct his/her services, the potential consequences of such risks, as well as measures to mitigate these risks. The member/representative shall participate in the process. The member's representative (if applicable) shall participate in the risk assessment process. The new or updated risk agreement shall be signed by the member or his/her representative (as applicable) and by the care coordinator. The CONTRACTOR, member/representative and FEA shall receive a copy of the risk agreement. The CONTRACTOR and the FEA shall each file a copy of the risk agreement in the member's file.
- 2.9.7.4.10.11 The FEA shall notify the member's care coordinator immediately if they become aware of changes in the member's needs and/or circumstances which warrant a reassessment of needs and/or risk, or changes to the plan of care or risk agreement.
- 2.9.7.4.10.12 The FEA shall assist the CONTRACTOR in identifying and addressing in the risk assessment and plan of care processes any additional risk associated with the member participating in consumer direction.
- 2.9.7.4.10.13 On an ongoing basis, the CONTRACTOR shall ensure that needs reassessments and updates to the plan of care occur per requirements specified in Sections A.2.9.7.9 of this Contract. The care coordinator shall ensure that the FEA is invited to participate in these meetings as appropriate.

2.9.7.5 Authorizations for Consumer Directed Services and Service Initiation

- 2.9.7.5.1 Consumer direction of eligible CHOICES HCBS shall not be initiated until all requirements are fulfilled including but not limited to the following: (1) the FEA verifies that the member's employer and related documentation is in order; (2) the FEA verifies that workers meet all qualifications, including participation in required training; (3) there is a signed service agreement specific to each individual worker (see Section A.2.9.7.6.6 of this Contract); and (4) the CONTRACTOR issues to the FEA an authorization for consumer directed services (see Section A.2.9.7.5.6 below) for each service.
- 2.9.7.5.2 The FEA shall work with the member to determine the appropriate level of assistance necessary to recruit, interview and hire workers and provide the assistance.

- 2.9.7.5.3 Once potential workers are identified, the FEA shall verify that a potential worker meets all applicable qualifications (see Section A.2.9.7.6.1 of this Contract).
- 2.9.7.5.4 The FEA shall ensure that a service agreement is signed between the member or member's representative and his/her worker within five (5) business days following the FEA's verification that a worker meets all qualifications.
- 2.9.7.5.5 On a weekly basis the FEA shall update the member's care coordinator of the status of completing required functions necessary to initiate consumer direction, including obtaining completed paperwork from the member/representative and obtaining workers for each identified consumer directed service and any anticipated timeframes by which qualified workers shall be secured and consumer directed services may begin.
- 2.9.7.5.6 The provision of consumer directed services shall begin as soon as possible but not longer than sixty (60) days from the date of the CONTRACTOR's referral to the FEA, except due to circumstances beyond the control of the FEA. Prior to beginning the provision of consumer directed services, the FEA shall notify the CONTRACTOR that all requirements have been fulfilled, including verification of all worker qualifications, criminal background checks, signed service agreements, and that the member is ready to begin consumer direction of eligible CHOICES HCBS. Within two (2) business days of receipt of the notification from the FEA, the CONTRACTOR shall forward to the FEA an authorization for consumer directed services. Each authorization for consumer directed services shall include authorized service, authorized units of service, start and end dates, and service code(s). Services provided through consumer direction shall be authorized in accordance with the plan of care. A member participating in consumer direction shall have authority to manage the schedule at which authorized services provided through consumer direction are needed, including personal care visits and attendant care, and to modify such schedule based on needs and preferences. Should this flexibility in scheduling result in a member utilizing all of their authorized personal care visits or attendant care hours before the end of the month, (e.g., because one or more service encounters originally anticipated to be less than four hours exceeded four hours), the member shall be permitted to utilize the remaining units of the other service interchangeably, as needed, with such units billed and paid as the service for which authorized units remain for that month. A member shall not be permitted to utilize more than the authorized total units of personal care visits and attendant care during the month. Authorized units of service in a service authorization should reflect the units of measure specified by TENNCARE for the benefit (e.g. visits, hours, days). The CONTRACTOR shall submit authorizations electronically on at least a daily basis using the agreed upon data interface (which may include a standard electronic file transfer, the FEA's web portal technology, or any combination thereof).
- 2.9.7.5.7 If initiation of consumer directed services does not begin within sixty (60) days from the date of the CONTRACTOR's referral to the FEA, the FEA shall contact the CONTRACTOR regarding the cause of the delay and provide appropriate documentation to demonstrate efforts to meet the timeframe. The CONTRACTOR shall determine the appropriate next steps, including but not limited to whether additional time is needed or if the member is still interested in participating in consumer direction of eligible CHOICES HCBS.

- 2.9.7.5.8 Upon the scheduled start date of consumer directed services, the member's care coordinator/care coordination team shall begin monitoring to ensure that services have been initiated and continue to be provided as authorized. This shall include ongoing monitoring via service utilization reports to ensure that services are provided in accordance with the member's plan of care. Upon the identification of any gaps in care, the member's care coordinator/care coordination team shall assist the member or his/her representative upon request in implementing the member's back-up plan for consumer direction, and shall continue to monitor service utilization on an ongoing basis.
- 2.9.7.5.9 Within five (5) business days of the scheduled start date of consumer directed services as specified in the authorization of consumer directed services, a member of the care coordinator team shall contact the member or his/her representative to confirm that services are being provided and that the member's needs are being met.
- 2.9.7.5.10 On an ongoing basis, in addition to requirements specified above in Sections A.2.9.7.5.3 – A.2.9.7.5.9 above:
- 2.9.7.5.10.1 The CONTRACTOR shall develop and forward to the FEA a new authorization for consumer directed services when the following occur: (1) a change in the number of service units; or (2) a change in the services to be provided through consumer direction, including the provision of a new service through consumer direction or termination of a service through consumer direction. Absent a change in circumstances, a reassessment of the member's needs as a result of such change in circumstances, and any necessary changes to the plan of care, the CONTRACTOR shall not authorize additional services due to member exhaustion of approved services or service hours.
- 2.9.7.6 Worker Qualifications
- 2.9.7.6.1 As prescribed in the FEA's contract with TENNCARE, the FEA shall ensure that workers meet all requirements prior to the worker providing services. The FEA shall ensure that workers: meet all TennCare established requirements for providers of comparable, non-consumer directed services; pass a background check which includes criminal background check (including fingerprinting), or, as an alternative, a background check from a licensed private investigation company, verification that the person's name does not appear on the State abuse registry, verification that the person's name does not appear on the state and national sexual offender registries and licensure verification, as applicable; complete all required training, including the training specified in Section A.2.9.7.7 of this Contract; complete all required applications to become a TennCare provider; sign an abbreviated Medicaid agreement; are assigned a Medicaid provider ID number; and sign a service agreement.
- 2.9.7.6.1.1 A member cannot waive a background check for a potential worker. A background check may reveal a potential worker's past criminal conduct that may pose an unacceptable risk to the member. The following findings may place the member at risk and may result in a potential worker failing the background check, possibly disqualifying a person from serving as a worker:
- 2.9.7.6.1.1.1 Conviction of an offense involving physical, sexual or emotional abuse, neglect, financial exploitation or misuse of funds, misappropriation of property, theft from any person, violence against any person, or manufacture, sale, possession or distribution of any drug;

- 2.9.7.6.1.1.2 Entering of a plea of nolo contendere or when a jury verdict of guilty is rendered but adjudication of guilt is withheld with respect to a crime reasonably related to the nature of the position sought or held;
- 2.9.7.6.1.1.3 Identification on the abuse registry;
- 2.9.7.6.1.1.4 Identification on the state or national sexual offender registry;
- 2.9.7.6.1.1.5 Failure to have a required license; and
- 2.9.7.6.1.1.6 Refusal to cooperate with a background check.
- 2.9.7.6.1.2 If a potential worker fails the background check, the potential worker may request an individualized assessment that will be conducted by the member with the help of the FEA. The individualized assessment process will help determine whether the potential worker may be excluded because of past criminal conduct. The individualized assessment will provide the potential worker with notice that he/she has been screened out because of criminal conduct and provide an opportunity for the potential worker to explain why the exclusion should not be applied to his/her circumstances. The member, with the assistance of the FEA will consider the following factors:
 - 2.9.7.6.1.2.1 Whether or not the evidence gathered during the potential worker's individualized assessment shows that the criminal conduct is related to the job in such a way that could place the member at-risk;
 - 2.9.7.6.1.2.2 The nature and gravity of the offense or conduct, such as whether the offense is related to physical or sexual or emotional abuse of another person, if the offense involves violence against another person or the manufacture, sale or distribution of drugs; and;
 - 2.9.7.6.1.2.3 The time that has passed since the offense or conduct and/or completion of the sentence;
- 2.9.7.6.1.3 After considering the individualized assessment and any other evidence submitted by the potential worker, the member can decide not to hire the potential worker or may grant an exception to the potential worker.
- 2.9.7.6.1.4 If a member decides to grant an exception to the possible disqualification of the potential worker, the FEA shall assist the member in notifying the CONTRACTOR of the granted exception and shall collaborate with the CONTRACTOR to amend the member's risk agreement to reflect that the member voluntarily chose to take on the risk associated with hiring an individual with a criminal history and is solely responsible for any negative consequences stemming from that decision.
- 2.9.7.6.2 Workers are not required to be contract providers. The CONTRACTOR shall not require a worker to sign a provider agreement or any other agreement not specified by TENNCARE.
- 2.9.7.6.3 Members shall have the flexibility to hire persons with whom they have a close personal relationship to serve as a worker, such as a neighbor or a friend.

- 2.9.7.6.4 Members may hire family members, excluding spouses, to serve as a worker. A family member shall not be reimbursed for a service that he/she would have otherwise provided without pay. The CONTRACTOR shall use the needs assessment process (see Section A.2.9.6.5) to assess the member's available existing supports, including supports provided by family members.
- 2.9.7.6.5 A member may have multiple workers or both a worker and a contract provider for a given service, in which case, there must be a set schedule which clearly defines when contract providers will be utilized. A member may elect to have a worker provide more than one service.
- 2.9.7.6.6 A member shall develop a service agreement with each worker. The service agreement template shall be developed by TENNCARE and shall include, at a minimum: the roles and responsibilities of the worker and the member; the worker's schedule (as developed by the member and/or representative), including hours and days, which may be changed by the member based on needs and preferences (see A.2.9.7.5.6); the scope of each service, i.e., the specific tasks and functions the worker is to perform; the service rate; and the requested start date for services. The service agreement shall serve as the worker's written confirmation of his/her commitment to initiate services on or before the date specified and to provide services in accordance with specified terms (including the tasks and functions to be performed and the schedule at which care is needed). If necessary, the FEA shall assist in this process. Service agreements shall be updated anytime there is a change in any of the terms or conditions specified in the agreement. Service agreements shall be signed by the new representative when there is a change in representatives.
- 2.9.7.6.7 The service agreement shall also stipulate if a worker will provide one or more self-directed health care tasks, the specific task(s) to be performed, and the frequency of each self-directed health care task (see Section A.2.7 3).
- 2.9.7.6.8 The FEA shall ensure that a service agreement is in place for each worker prior to the worker providing services.
- 2.9.7.6.9 A copy of each service agreement shall be provided to the member and/or representative. The FEA shall give a copy of the service agreement to the worker and shall maintain a copy for its files.
- 2.9.7.6.10 A member may terminate a worker at any time if he/she feels that the worker is not adhering to the terms of the service agreement and/or is not providing quality services. If the FEA or care coordinator has concerns that a worker is unable to deliver appropriate care as prescribed in the service agreement and the plan of care, but the member and/or representative chooses to continue to employ the worker, the care coordinator shall note the concern and the member's choice to continue using the worker in the member's plan of care, and shall update the risk assessment and/or risk agreement as needed. The FEA and care coordinator shall collaborate to develop strategies to address identified issues and concerns. The FEA shall inform the member and/or representative of any potential risks associated with continuing to use the worker. The CONTRACTOR shall forward to TENNCARE for disposition, pursuant to TennCare policy, any cases in which the CONTRACTOR plans to disenroll the member from consumer direction because a care coordinator has determined that the health, safety and welfare of the member may be in jeopardy if the member continues to employ a worker but

the member and/or representative does not want to terminate the worker. The CONTRACTOR and FEA shall abide by TENNCARE's decision.

2.9.7.6.11 A member shall have the flexibility to choose from a range of TENNCARE specified reimbursement levels for all eligible consumer directed HCBS, excluding companion care services which shall be reimbursed at the rate specified by TENNCARE.

2.9.7.6.12 In order to receive payment for services rendered, all workers must:

2.9.7.6.12.1 Deliver services in accordance with the member's plan of care and the MCO's service authorization, and in accordance with worker assignments and the schedule determined by the member or his/her representative.

2.9.7.6.12.2 Maintain and submit documentation of service delivery (i.e., documentation of the tasks and functions performed during the provision of services), and any other documentation, as required, for units of service delivered.

2.9.7.6.12.3 Provide no more than forty (40) hours of services within a Sunday to Saturday work week.

2.9.7.7 Training

2.9.7.7.1 The CONTRACTOR shall require all members electing to enroll in consumer direction of eligible CHOICES HCBS and/or their representatives to receive relevant training. The FEA shall be responsible for providing or arranging for initial and ongoing training of members/representatives. When training is not directly provided by the FEA, the FEA shall validate completion of training. Initial training shall be completed prior to initiation of consumer-directed services.

2.9.7.7.2 At a minimum, consumer direction training for members and/or representatives shall address the following issues:

2.9.7.7.2.1 Understanding the role of members and representatives in consumer direction;

2.9.7.7.2.2 Understanding the role of the care coordinator and the FEA;

2.9.7.7.2.3 Selecting workers;

2.9.7.7.2.4 Abuse and neglect prevention and reporting;

2.9.7.7.2.5 Being an employer, evaluating worker performance and managing workers;

2.9.7.7.2.7 Performing administrative tasks such as reviewing and approving timesheets;

2.9.7.7.2.8 Scheduling workers and back-up planning; and

2.9.7.7.2.9 Ensuring workers maintain daily communication notes for authorized services provided.

- 2.9.7.7.3 Ongoing training shall be provided by the FEA to members and/or representatives upon request and/or if a care coordinator or FEA, through monitoring, determines that additional training is warranted.
- 2.9.7.7.4 The FEA shall be responsible for providing or arranging for initial and ongoing training of all workers. When training is not directly provided by the FEA, the FEA shall validate completion of training. Initial training shall be completed prior to initiation of services. At a minimum, training shall consist of the following required elements:
 - 2.9.7.7.4.1 Overview of the CHOICES program and consumer direction of eligible CHOICES HCBS;
 - 2.9.7.7.4.2 Caring for elderly and disabled populations;
 - 2.9.7.7.4.3 Abuse and neglect identification and reporting;
 - 2.9.7.7.4.4 Fraud and abuse identification and reporting;
 - 2.9.7.7.4.5 Critical incident reporting;
 - 2.9.7.7.4.6 Submission of required documentation and withholdings;
 - 2.9.7.7.4.7 Use of the time keeping system;
 - 2.9.7.7.4.8 As appropriate, administration of self-directed health care task(s). The member or his/her representative shall be responsible for training the worker(s) regarding individualized service needs and preferences and for specific training regarding health care tasks the member or his/her representative elects to self-direct (as applicable); and
 - 2.9.7.7.4.9 Universal precautions and blood borne pathogens training.
- 2.9.7.7.5 The FEA shall assist the member/representative in determining to what extent the member/representative shall be involved in the above-specified training. The member/ representative) shall provide additional training to the worker regarding individualized service needs and preference.
- 2.9.7.7.6 The FEA shall verify that workers have successfully completed all required training prior to service initiation and payment for services.
- 2.9.7.7.7 The FEA shall be responsible for verifying and validating the worker's completion of required CPR and First Aid training from an approved provider prior to initiation of services and payment for services. Ongoing, the FEA shall ensure that workers maintain CPR and first aid certification and receive required refresher training as a condition of continued employment. The FEA may assist workers in locating appropriate courses for initial certification and recertification as appropriate. Additional training components may be provided to a worker to address issues identified by the FEA, care coordinator, member and/or the representative or at the request of the worker.
- 2.9.7.7.8 Refresher training may be provided more frequently if determined necessary by the FEA, care coordinator, member and/or representative or at the request of the worker.

2.9.7.8 Monitoring

- 2.9.7.8.1 The CONTRACTOR shall monitor the quality of service delivery and the health, safety and welfare of members participating in consumer direction through the CHOICES care coordination functions.
- 2.9.7.8.2 The CONTRACTOR shall monitor service utilization by consumer-directed members.
- 2.9.7.8.3 The CONTRACTOR shall monitor implementation of the back-up plan by the member or his/her representative.
- 2.9.7.8.4 The CONTRACTOR shall monitor a member's participation in consumer direction of eligible CHOICES HCBS to determine, at a minimum, the success and the viability of the service delivery model for the member. The CONTRACTOR shall note any patterns, such as frequent turnover of representatives or workers, habitual mismanagement of authorized services, failure to cooperate with the FEA and changing between consumer direction of eligible CHOICES HCBS and contract providers that may warrant intervention by the CONTRACTOR. The CONTRACTOR may submit a request to TENNCARE, pursuant to TennCare policy, to involuntarily withdraw the member from consumer direction of eligible CHOICES HCBS if the CONTRACTOR has concerns about its ability to protect the health, safety and welfare of the member (see Section A.2.9.7.9.4). The FEA may submit a request to the CONTRACTOR to involuntarily withdraw the member from consumer direction of eligible CHOICES HCBS due to concerns regarding the member's health, safety and welfare if the member continues in consumer direction. The CONTRACTOR must submit copies of all such requests to TENNCARE with documentation of its decision.
- 2.9.7.8.5 If at any time abuse or neglect is suspected, the member's care coordinator or the FEA shall report the allegations to the CONTRACTOR within 24 hours in accordance with the abuse and neglect plan protocols developed by the CONTRACTOR. The notification shall include at a minimum: the member name; date of allegation reported and/or identified; description of issue; measures taken to mitigate risk; status of reporting to CPS or APS, as appropriate. If the allegation is in reference to a worker or representative, the FEA shall contact the member/representative to immediately release the worker or representative from his/her duties until the investigation is complete. The FEA shall notify the CONTRACTOR regarding this communication with the member/representative and the member or representative's decision. The care coordinator shall work with the member to find a new representative and the FEA shall work with the member to find a suitable replacement worker, if applicable. If the allegations are substantiated as a result of the investigation, the representative and/or worker shall no longer be allowed to participate in the CHOICES program in any capacity. If the investigation is inconclusive, the member may elect to retain the worker or representative. The member's care coordinator, with appropriate assistance from the FEA, shall make any updates to the member's plan of care and/or risk assessment/risk agreement deemed necessary to help ensure the member's health and safety, and the CONTRACTOR may initiate action to involuntary disenroll the member from consumer direction at any time the CONTRACTOR feels that the member's decisions or actions constitute unreasonable risk such that the member's needs can no longer be safely and effectively met in the community while participating in consumer direction.

2.9.7.9 Withdrawal from Consumer Direction of Eligible CHOICES HCBS

- 2.9.7.9.1 A member may voluntarily withdraw from consumer direction of eligible CHOICES HCBS at any time. The member and/or representative shall notify the care coordinator as soon as he/she determines that he/she is no longer interested in participating in consumer direction of eligible CHOICES HCBS.
- 2.9.7.9.2 Upon receipt of a member's request to withdraw from consumer direction of eligible CHOICES HCBS, the CONTRACTOR shall conduct a face-to-face visit and update the member's plan of care, as appropriate, to initiate the process to transition the member to contract providers.
- 2.9.7.9.3 In the event that the FEA or care coordinator has concerns that a worker is unable to deliver appropriate care as prescribed in the service agreement and the plan of care, but the member and/or representative chooses to continue to employ the worker, note the concern and the member's choice to continue using the worker in the member's plan of care, and shall update the risk assessment and/or risk agreement as needed.
- 2.9.7.9.4 The CONTRACTOR shall forward to TENNCARE for disposition, pursuant to TennCare policy, any cases in which the CONTRACTOR plans to disenroll a member from consumer direction. The CONTRACTOR may initiate involuntary withdrawal of a member from consumer direction of eligible CHOICES HCBS:
- 2.9.7.9.4.1 If a member's representative fails to perform in accordance with the terms of the representative agreement and the health, safety and welfare of the member is at risk, and the member wants to continue to use the representative.
- 2.9.7.9.4.2 If a member has consistently demonstrated that he/she is unable to manage, with sufficient supports (including appointment of a representative) his/her services and the care coordinator or FEA has identified health, safety and/or welfare issues.
- 2.9.7.9.4.3 A care coordinator has determined that the health, safety and welfare of the member may be in jeopardy if the member continues to employ a worker but the member and/or representative does not want to terminate the worker.
- 2.9.7.9.4.4 Other significant concerns regarding the member's participation in consumer direction which jeopardize the health, safety or welfare of the member.
- 2.9.7.9.5 If TENNCARE approves the CONTRACTOR's request, the CONTRACTOR shall notify the member in accordance with TennCare rules and regulations, and the member shall have the right to appeal the determination (see Section A.2.19.3.12 of this Contract).
- 2.9.7.9.6 The CONTRACTOR, in conjunction with the FEA, shall facilitate a seamless transition from workers to contract providers and ensure there are no interruptions or gaps in services.

- 2.9.7.9.8 The CONTRACTOR shall notify the FEA within one business day of processing the outbound 834 enrollment file when a member voluntarily withdraws from consumer

direction of eligible CHOICES HCBS, when a member is involuntarily withdrawn from consumer direction of eligible CHOICES HCBS, and when a member is disenrolled from CHOICES or from TennCare. The notification should include the effective date of withdrawal and/or disenrollment, as applicable.

- 2.9.7.9.9 Members who have been involuntarily withdrawn may request to be reinstated in consumer direction of eligible CHOICES HCBS. The care coordinator shall work with the FEA to ensure that the issues previously identified as reasons for withdrawal have been adequately addressed prior to reinstatement. All members shall be required to participate in consumer direction training programs prior to re-instatement in consumer direction of eligible CHOICES HCBS.

- 2.9.7.9.10 Claims Submission and Payment

- 2.9.7.9.10.1 The CONTRACTOR shall reimburse the FEA for authorized eligible CHOICES HCBS provided by workers at the appropriate rate for the consumer-directed services, which includes applicable payroll taxes.

- 2.9.8.1.1 The CONTRACTOR shall, in accordance with this Contract and federal and State laws, regulations, policies and protocols, assist Eligible Individuals living in a Qualified Institution in transitioning to a Qualified Residence in the community under the State's MFP Rebalancing Demonstration (MFP).
- 2.9.8.1.2 Eligible Individuals transitioning to a Qualified Residence in the community and consenting to participate in MFP shall be transitioned from CHOICES Group 1 into CHOICES Group 2 pursuant to TennCare policies and protocols for Nursing Facility-to-community transitions and shall also be enrolled into MFP. For persons enrolled in CHOICES who are also participating in MFP, the CONTRACTOR shall comply with all applicable provisions of this Contract pertaining to the CHOICES program. This section sets forth additional requirements pertaining to the CONTRACTOR's responsibilities specifically as it relates to MFP.
- 2.9.8.1.3 For CHOICES Group 1 members not eligible to participate in MFP or who elect not to participate in MFP, the CONTRACTOR shall nonetheless facilitate transition to the community as appropriate and in accordance with Section A.2.9.6.8.
- 2.9.8.1.4 The CONTRACTOR shall not delay a CHOICES Group 1 member's transition to the community in order to meet the ninety (90)-day minimum stay in a Qualified Institution established under ACA and enroll the person into MFP.

2.9.8.2 Identification of MFP Participants

- 2.9.8.2.1 The CONTRACTOR shall identify members who may have the ability and/or desire to transition from a nursing facility to the community in accordance with Section A.2.9.6.8.
- 2.9.8.2.2 The CONTRACTOR shall assess all nursing facility residents transitioning from the NF to CHOICES Group 2 for participation in MFP. This includes CHOICES Group 1 members referred for transition, as well as nursing facility residents referred for CHOICES who are not yet enrolled in CHOICES Group 1 but may be determined eligible for Group 1, and who have expressed a desire to move back into the community. However, the resident must actually be enrolled into Group 1 in order to qualify for MFP.
- 2.9.8.2.3 Members may only elect to participate in MFP and the CONTRACTOR may only enroll a member into MFP prior to the member's transition from the Qualified Institution to the community. Members will not be eligible to enroll in MFP if they have already transitioned out of the Qualified Institution.

2.9.8.3 Eligibility/Enrollment into MFP

- 2.9.8.3.1 Member participation in MFP is voluntary. Members may deny consent to participate in MFP or may withdraw consent to participate in MFP at any time without affecting their enrollment in CHOICES.
- 2.9.8.3.2 If a member withdraws from MFP, he cannot participate in MFP again without meeting the eligibility requirements for enrollment into MFP (e.g., following a ninety (90)-day stay in a Qualified Institution).

- 2.9.8.3.3 Only CHOICES Group 1 members who qualify to enroll in CHOICES Group 2 shall be eligible to transition to Group 2 and enroll into MFP.
- 2.9.8.3.4 In addition to facilitating transition from CHOICES Group 1 to CHOICES Group 2 pursuant to Section A.2.9.6.8 of this Contract and TENNCARE's policies and protocols, the CONTRACTOR shall facilitate the enrollment of Eligible Individuals who consent into MFP.
- 2.9.8.3.5 The member's care coordinator or transition team shall, using information provided by TENNCARE, provide each potential MFP participant with an overview of MFP and answer any questions the participant has. The CONTRACTOR shall have each potential MFP participant or his authorized representative, as applicable, sign an MFP Informed Consent Form affirming that such overview has been provided by the CONTRACTOR and documenting the member's decision regarding MFP participation.
- 2.9.8.3.6 Once a potential MFP participant has consented to participate in MFP, the CONTRACTOR shall notify TENNCARE within two (2) business days via the TENNCARE PreAdmission Evaluation System (TPAES) unless otherwise directed by TENNCARE, and shall maintain supporting documentation as specified by TENNCARE that shall be made available to TENNCARE upon request.
- 2.9.8.3.7 The CONTRACTOR shall verify that each potential MFP participant is an Eligible Individual and shall provide attestation thereof to TENNCARE. The CONTRACTOR shall enter all required data elements into TPAES unless otherwise directed by TENNCARE, and shall maintain supporting documentation as specified by TENNCARE that shall be made available to TENNCARE upon request.
- 2.9.8.3.8 The CONTRACTOR shall verify that each potential MFP participant will transition into a Qualified Residence in the community and shall provide attestation thereof to TENNCARE. The CONTRACTOR shall enter all required data elements into TPAES unless otherwise directed by TENNCARE and shall maintain supporting documentation as specified by TENNCARE that shall be made available to TENNCARE upon request.
- 2.9.8.3.9 Final determinations regarding whether a member can enroll into MFP shall be made by TENNCARE based on information provided by the CONTRACTOR.
- 2.9.8.3.10 TENNCARE may request and the CONTRACTOR shall submit in a timely manner additional documentation as needed to make such determination. Documentation submitted by the CONTRACTOR may be verified, to the extent practicable, by other information, either prior or subsequent to enrollment in MFP, including eligibility, claims and encounter data.
- 2.9.8.4 Participation in MFP
- 2.9.8.4.1 The participation period for MFP is 365 days. This includes all days during which the member resides in the community, regardless of whether CHOICES HCBS are received each day. Days are counted consecutively except for days during which the member is admitted to an inpatient facility.
- 2.9.8.4.2 The participation period for MFP does not include any days during which the member is admitted to an inpatient facility.

- 2.9.8.4.3 MFP participation will be “suspended” in the event a member is re-admitted for a short-term inpatient facility stay. Member will not have to re-qualify for MFP regardless of the number of days the member is in the inpatient facility, and shall be re-instated in MFP upon return to a Qualified Residence in the community.
- 2.9.8.4.4 It may take longer than 365 calendar days to complete the 365-day MFP participation period days since a member’s participation period may be interrupted by one or more inpatient facility stays.
- 2.9.8.4.5 For MFP participants, a significant change in circumstances (see Section A.2.9.6.10.2.1.16) shall include any admission to an inpatient facility, including a hospital, psychiatric hospital, PRTF, nursing facility or Medicare-certified Skilled Nursing Facility. The member’s Care Coordinator shall (see Section A.2.9.6.2.4) visit the member face-to-face within five (5) business days of any inpatient facility admission and shall assess the member’s needs, conduct a comprehensive needs assessment and update the member’s plan of care, including the member’s Risk Agreement, as deemed necessary based on the member’s needs and circumstances. If the visit is conducted in the inpatient facility, the CONTRACTOR may elect to have someone who meets the qualifications of a Care Coordinator complete the required face-to-face visit and conduct a comprehensive needs assessment, in which case, the qualified individual conducting the face-to-face visit shall coordinate with the member’s Care Coordinator to update the member’s plan of care, including the member’s Risk Agreement, as deemed necessary based on the member’s needs and circumstances.
- 2.9.8.4.6 The CONTRACTOR shall review the circumstances which resulted in the inpatient facility admission and shall evaluate whether the services and supports provided to the member are sufficient to safely meet his needs in the community such that continued participation in CHOICES Group 2 and in MFP is appropriate.
- 2.9.8.4.7 The CONTRACTOR shall notify TENNCARE within five (5) business days of admission any time a member is admitted to an inpatient facility. Such notification shall be made via TPAES unless otherwise directed by TENNCARE. The CONTRACTOR shall maintain supporting documentation as specified by TENNCARE that shall be made available to TENNCARE upon request.
- 2.9.8.4.7.1 For purposes of MFP, admission for observation (which is not considered inpatient care) shall not be considered admission to an inpatient facility. Nor shall participation in MFP be suspended during observation days.
- 2.9.8.4.8 The CONTRACTOR shall be involved in discharge planning on behalf of any MFP participant admitted to an inpatient facility.
- 2.9.8.4.9 The CONTRACTOR shall notify TENNCARE within two (2) business days when an MFP participant is discharged from a short-term stay in an inpatient facility. Such notification shall include whether the member is returning to the same Qualified Residence in which he lived prior to the inpatient stay, or a different residence which shall also be a Qualified Residence. Such notification shall be made via TPAES unless otherwise directed by TENNCARE. The CONTRACTOR shall maintain supporting documentation as specified by TENNCARE that shall be made available to TENNCARE upon request.

- 2.9.8.4.10 If at any time during the member's participation in MFP, the member changes residences, including instances in which the change in residences occurs upon discharge from an inpatient facility stay, the CONTRACTOR shall: 1) notify TENNCARE within two (2) business days of the change in residence; 2) verify that the new residence is a Qualified Residence; and 3) provide attestation thereof to TENNCARE. The CONTRACTOR shall enter all required data elements into TPAES unless otherwise directed by TENNCARE, and shall maintain supporting documentation as specified by TENNCARE that shall be made available to TENNCARE upon request.
- 2.9.8.4.11 The CONTRACTOR shall track the member's residency throughout the 365-day MFP participation period. In addition, the CONTRACTOR shall, for purposes of facilitating completion of Quality of Life surveys, continue to track MFP participants' residency for two (2) years following transition to the community which may be up to one (1) year following completion of the MFP participation period, or until the member is no longer enrolled in the CONTRACTOR's health plan.
- 2.9.8.4.12 The CONTRACTOR shall, using a template provided by TENNCARE, issue a written notice of MFP participation to each member enrolled in MFP which shall not occur prior to transition from CHOICES Group 1 to CHOICES Group 2. Such notice shall be issued within ten (10) business days of notification from TENNCARE via the outbound 834 enrollment file furnished by TENNCARE to the CONTRACTOR that the member is enrolled in MFP.
- 2.9.8.4.13 The CONTRACTOR shall, using a template provided by TENNCARE, issue a written notice to each member upon conclusion of the 365-day participation period. Such notice shall be issued within ten (10) business days of notification from TENNCARE via the outbound 834 enrollment file furnished by TENNCARE to the CONTRACTOR that the member is no longer enrolled in MFP.
- 2.9.8.4.14 A member who successfully completes 365-day participation period for MFP and is subsequently re-institutionalized may qualify to participate in MFP again but must first meet the "Eligible Individual" criteria. There shall be a minimum of ninety (90) days between MFP participation occurrences. Prior to enrollment in a second MFP occurrence, the care coordinator shall assess the reason for the re-institutionalization to determine if the member is an appropriate candidate for re-enrollment in MFP and if so, shall develop a plan of care (including a Risk Agreement) that will help to ensure that appropriate supports and services are in place to support successful transition and permanency in the community.
- 2.9.8.5 Plan of Care
- 2.9.8.5.1 For members participating in the MFP, the Plan of Care shall reflect that the member is an MFP participant, including the date of enrollment into MFP (i.e., date of transition from CHOICES Group 1 to CHOICES Group 2).
- 2.9.8.5.2 Upon conclusion of the member's 365-day participation period in MFP, the Plan of Care shall be updated to reflect that he is no longer participating in MFP.
- 2.9.8.6 Services
- 2.9.8.6.1 A member enrolled in MFP shall be simultaneously enrolled in CHOICES Group 2 and shall be eligible to receive covered benefits as described in Section A.2.6.1.

2.9.8.7 Continuity of Care

2.9.8.7.1 Upon completion of a person's 365-day participation in MFP, services (including CHOICES HCBS) shall continue to be provided in accordance with the covered benefits described in Section A.2.6.1 and the member's plan of care. Transition from participation in MFP and CHOICES Group 2 to participation *only* in CHOICES Group 2 shall be seamless to the member, except that the CONTRACTOR shall be required to issue notice of the member's conclusion of his 365-day MFP participation period.

2.9.8.8 Level of Care and Short-Term Nursing Facility Stay in MFP

2.9.8.8.1 In order to enroll in MFP, a member must meet NF LOC. Group 3 members are not eligible for MFP.

2.9.8.8.2 A CHOICES Group 2 member participating in MFP who meets the nursing facility level of care in place at the time of admission may be admitted for an inpatient short-term nursing facility stay during his 365-day participation period and remain enrolled in MFP regardless of the number of days the member is admitted for inpatient facility care.

2.9.8.8.3 MFP participants admitted for short-term nursing facility stays shall be re-instated in MFP upon discharge and return to a Qualified Residence in the community. The member is not required to meet the ninety (90) day residency requirement criteria for re-instatement into MFP.

2.9.8.8.4 If the short-term stay will exceed ninety (90) days, the CONTRACTOR shall facilitate transition from CHOICES Group 2 to CHOICES Group 1. A transition from Group 2 to Group 1 will not necessitate a member's disenrollment from MFP, regardless of the length of stay in the facility, except in cases that care coordinator has assessed the reason for the re-institutionalization and determined that the member is not an appropriate candidate for continued enrollment in CHOICES Group 2 and MFP.

2.9.8.8.5 The member's care coordinator shall monitor the member's inpatient stay and shall visit the member face-to-face at least monthly during the inpatient stay or more frequently as necessary to facilitate timely and appropriate discharge planning.

2.9.8.8.6 The CONTRACTOR shall conduct a Transition Assessment and develop a Transition Plan (see Section A.2.9.6.8) as necessary to facilitate the member's return to the community. Such assessment shall include a review of the circumstances which resulted in the nursing facility admission and shall evaluate whether the services and supports provided to the member are sufficient to safely meet his needs in the community such that transition back to CHOICES Group 2 and continued participation in MFP is appropriate. The CONTRACTOR shall update the member's plan of care, including the member's Risk Agreement, as deemed necessary based on the member's needs and circumstances.

2.9.8.8.7 Upon discharge from the short-term stay, within one (1) business day, the care coordinator shall visit the member in his/her Qualified Residence. During the ninety (90) days following transition and re-instatement into MFP, the care coordinator shall conduct monthly face-to-face in-home visits to ensure that the plan of care is being followed, that the plan of care continues to meet the member's needs, and the member has successfully transitioned back to the community.

- 2.9.8.8.8 MFP participants admitted for short-term nursing facility stays shall be re-instated in MFP upon discharge and return to a Qualified Residence in the community. The member is not required to meet the ninety (90) day residency requirement criteria for re-instatement into MFP.
- 2.9.8.8.9 Days that are spent in an inpatient facility, including short-term nursing facility stays, do not count as part of the member's 365-day MFP participation period.
- 2.9.8.9 TPAES
- 2.9.8.9.1 The CONTRACTOR shall use the TENNCARE PreAdmission Evaluation System (TPAES) to facilitate enrollments into and transitions between LTC programs, including CHOICES and the State's MFP Rebalancing Demonstration (MFP), and shall comply with all data collection processes and timelines established by TENNCARE in policy or protocol in order to gather data required to comply with tracking and reporting requirements pertaining to MFP. This shall include (but is not limited to) attestations pertaining to Eligible Individual and Qualified Residence, changes of residence, inpatient facility admissions and discharges, reasons for re-institutionalization, and reasons for disenrollment from MFP.
- 2.9.8.10 IT requirements

- 2.9.8.11.1 The CONTRACTOR's case management system (see Section A.2.9.6.13.10) shall identify persons enrolled in MFP and shall generate reports and management tools as needed to facilitate and monitor compliance with contract requirements and timelines.
- 2.9.8.12 MFP Readiness Review

- 2.9.8.12.2 The CONTRACTOR shall cooperate in a "readiness review" conducted by TENNCARE to review the CONTRACTOR's readiness to fulfill its obligations regarding MFP in accordance with the Contract. This review may include, but is not limited to, desk and on-site review of documents provided by the CONTRACTOR, a walk-through of the CONTRACTOR's operations, system demonstrations (including systems connectivity testing), and interviews with CONTRACTOR's staff. The scope of the review may include any and all MFP requirements of the Contract as determined by TENNCARE.
- 2.9.8.12.3 Based on the results of the review activities, TENNCARE will issue a letter of findings and, if needed, will request a corrective action plan from the CONTRACTOR.

The goal of these interventions will be to improve prescribing practices among the identified contract providers, as appropriate. Interventions shall be personal and one-on-one.
- 2.9.11.5 At any time, upon request from TENNCARE, the CONTRACTOR shall provide assistance in educating, monitoring and intervening with providers. For example, TENNCARE may require assistance in monitoring and intervening with providers regarding prescribing patterns for narcotics.

A.2.9.12 Coordination of Dental Benefits

2.9.12.1 General

- 2.9.12.1.1 The CONTRACTOR is not responsible for the provision and payment of dental benefits; TENNCARE contracts with a dental benefits manager (DBM) to provide these services.
- 2.9.12.1.2 As provided in Section A.2.6.1.3, the CONTRACTOR is responsible for transportation to and from dental services as well as the facility, medical and anesthesia services related to medically necessary and approved dental services that are not provided by a dentist or in a dentist's office.
- 2.9.12.1.3 The CONTRACTOR may require prior authorization for services related to dental services including the facility, anesthesia, and/or medical services related to the dental service. However, the CONTRACTOR may waive authorization of said services based upon authorization of the dental services by the dental benefits manager. The CONTRACTOR shall approve and arrange transportation to and from dental services in accordance with this Contract, including but not limited to Attachment XI.

2.9.12.2 Services and Responsibilities

The CONTRACTOR shall coordinate with the DBM and/or the ID HCBS waiver contractor for dental services. Coordination of dental services, at a minimum, includes establishing processes for:

- 2.9.12.2.1 Means for referral that ensures immediate access for emergency care and provision of urgent and routine care according to TennCare guidelines for specialty care (see Attachment III);
- 2.9.12.2.2 Means for the transfer of information (to include items before and after the visit);
- 2.9.12.2.3 Maintenance of confidentiality;
- 2.9.12.2.4 Resolving disputes related to prior authorizations and claims and payment issues; and
- 2.9.12.2.5 Cooperation with the DBM regarding training activities provided by the DBM.

2.9.12.3 Operating Principles

Coordinating the delivery of dental services to TennCare members is the primary responsibility of the DBM and/or the ID HCBS waiver contractor. However, the CONTRACTOR shall provide coordination assistance and shall be responsible for communicating the DBM/HCBS provider services, provider relations, and/or claim coordinator contact information to all of its contract providers. With respect to specific member issues, the CONTRACTOR shall work with the DBM/HCBS coordinator towards a resolution. Should systemic issues arise, the CONTRACTOR shall meet and resolve the issues with the DBM/HCBS waiver contractor. In the event that such issues cannot be resolved, the MCO and the DBM/HCBS waiver contractor shall meet with TENNCARE to reach final resolution of matters involved. Final resolution of system issues shall occur within ninety (90) calendar days from referral to TENNCARE.

2.9.12.4 Resolution of Requests for Prior Authorization

- 2.9.12.4.1 The CONTRACTOR agrees, and recognizes that the DBM has agreed through its contractual arrangement with the State, that any dispute concerning which party should respond to a request for prior authorization shall not cause a denial, delay, reduction, termination or suspension of any appropriate service to a TennCare enrollee. The CONTRACTOR shall require that its DBM care coordinators will, in addition to their responsibilities for DBM care coordination, deal with issues related to requests for prior authorization that require coordination between the DBM and the CONTRACTOR. The CONTRACTOR shall provide the DBM with a list of its DBM care coordinators and telephone number(s) at which each DBM care coordinator may be contacted. When the CONTRACTOR receives a request for prior authorization from a provider for a member and the CONTRACTOR believes the service is the responsibility of the DBM, the CONTRACTOR's DBM care coordinator shall contact the DBM's care coordinator by the next business day after receiving the request for prior authorization. The DBM care coordinator shall also contact the member and/or member's provider. For routine requests contact to the member or member's provider shall be made within fourteen (14) days or less of the provider's request for prior authorization and shall comply with all applicable consent decrees and court orders and TennCare rules and regulations. For urgent requests, contact shall be made immediately after receiving the request for prior authorization.
- 2.9.12.4.2 The CONTRACTOR shall assign staff members to serve on a coordination committee with DBM staff members. This committee shall be responsible for addressing all issues of dental care coordination. The committee will review disputes regarding clinical care and provide a clinical resolution to the dispute, subject to the terms of this Contract. The CONTRACTOR and the DBM shall attempt in good faith

to resolve any dispute and communicate the decision to the provider requesting prior authorization of a service. In the event the CONTRACTOR and the DBM cannot agree within ten (10) calendar days of the provider's request for prior authorization, the party who first received the request from the provider shall be responsible for prior authorization and payment to the contract provider within the time frames designated by TENNCARE. The CONTRACTOR and the DBM are responsible for enforcing hold harmless protection for the member. The CONTRACTOR shall ensure that any response to a request for authorization shall not exceed fourteen (14) calendar days and shall comply with all applicable consent decrees and court orders and TennCare rules and regulations.

2.9.12.5 Claim Resolution Processes

- 2.9.12.5.1 The CONTRACTOR shall designate one or more claims coordinators to deal with issues related to claims and payment issues that require coordination between the DBM and the CONTRACTOR. The CONTRACTOR agrees and recognizes that the DBM has agreed through its contractual arrangement with the State, to also designate one or more claims coordinators to deal with issues related to claims and payment issues that require coordination between the DBM and the CONTRACTOR. The CONTRACTOR shall provide the DBM and TennCare, with a list of its claims coordinators and telephone number(s) at which each claims coordinator may be contacted.
- 2.9.12.5.2 When the CONTRACTOR receives a disputed claim for payment from a provider for a member and believes care is the responsibility of the DBM, the CONTRACTOR's claims coordinators shall contact the DBM's claims coordinators within four (4) calendar days of receiving such claim for payment. If the CONTRACTOR's claims coordinator is unable to reach agreement with the DBM's claims coordinators on which party is responsible for payment of the claim, the claim shall be referred to the Claims Coordination Committee (described below) for review.
- 2.9.12.5.3 The CONTRACTOR shall assign claims coordinators and other representatives, as needed, to a joint CONTRACTOR/DBM Claims Coordination Committee. The number of members serving on the Claims Coordination Committee shall be determined within ten (10) calendar days of the execution of this Contract by the mutual agreement of the DBM and MCO. The CONTRACTOR shall, at a minimum, assign two (2) representatives to the committee. The make-up of the committee may be revisited from time to time during the term of this Contract. The Claims Coordination Committee shall review any disputes and negotiate responsibility between the CONTRACTOR and the DBM. Unless otherwise agreed, such meeting shall take place within ten (10) calendar days of receipt of the initial disputed claim or request from the provider. If resolution of the claim results in the party who assumed responsibility for authorization and payment having no liability, the other party shall reimburse and abide by the prior decisions of that party. Reimbursement shall be made within ten (10) calendar days of the Claims Coordination Committee's decision.
- 2.9.12.5.4 If the Claims Coordination Committee cannot reach an agreement as to the proper division of financial responsibility within ten (10) calendar days of the initial referral to the Claims Coordination Committee, said claim shall be referred to both the CONTRACTOR's and the DBM's CEO or the CEO's designee, for resolution immediately. A meeting shall be held among the CEOs or their designee(s) as soon as possible, but not longer than ten (10) calendar days after the meeting of the Claims Coordination Committee.

- 2.9.12.5.5 If the meeting between the CEOs, or their designee(s), of the DBM and MCO does not successfully resolve the dispute within ten (10) calendar days, the parties shall, within fourteen (14) calendar days of the meeting, submit a Request for Resolution of the dispute to the State or the State's designee for a decision on responsibility.
- 2.9.12.5.6 The process before the submission of a Request for Resolution, as described above, shall be completed within thirty (30) calendar days of receiving the claim for payment. In the event the parties cannot agree within thirty (30) calendar days of receiving the claim for payment, the MCO and the DBM shall be responsible for enforcing hold harmless protections for the member and the party who first received the request or claim from the provider shall be responsible for authorization and payment to the provider in accordance with the requirements of the MCO's or DBM's respective contract with the State of Tennessee. Moreover, the party that first received the request or claim from the provider shall also make written request of all requisite documentation for payment and shall provide written reasons for any denial.
- 2.9.12.5.7 The Request for Resolution shall contain a concise description of the facts regarding the dispute, the applicable contract provisions, and the position of the party making the request. A copy of the Request for Resolution shall also be delivered to the other party. The other party shall then submit a Response to the Request for Resolution within fifteen (15) calendar days of the date of the Request for Resolution. The Response shall contain the same information required of the Request for Resolution. Failure to timely file a Response or obtain an extension from the State shall be deemed a waiver of any objections to the Request for Resolution.
- 2.9.12.5.8 The State or its designee shall make a decision in writing regarding who is responsible for the payment of services within ten (10) calendar days of the receipt of the required information ("Decision"). The Decision may reflect a split payment responsibility that designates specific proportions to be paid by the MCO and the DBM. The Decision shall be determined solely by the State or its designee based on specific circumstances regarding each individual case. Within five (5) business days of receipt of the Decision, the non-successful party shall reimburse any payments made by the successful party for the services. The non-successful party shall also pay to the State, within thirty (30) calendar days of the Decision, an administrative fee equal to ten percent (10%) of the value of the claims paid, not to exceed one-thousand dollars (\$1,000), for each Request for Resolution. The amount of the DBM's or MCO's payment responsibility shall be contained in the State's Decision. These payments may be made with reservation of rights regarding any judicial resolution. If a party fails to pay the State for the party's payment responsibility as described in this Section, Section A.2.9.12.5.8, within thirty (30) calendar days of the date of the State's Decision, the State may deduct amounts of the payment responsibility from any current or future amount owed the party by the State.

2.9.12.6 Denial, Delay, Reduction, Termination or Suspension

The CONTRACTOR agrees that any claims payment dispute or request for authorization shall not cause a denial, delay, reduction, termination or suspension of any appropriate services to a TennCare member. In the event there is a claim for emergency services, the party receiving a request for authorization to treat any member shall insure that the member is treated immediately and payment for the claim shall be approved or disapproved based on the definition of emergency services specified in this Contract.

2.9.12.7 Emergencies

Prior authorization shall not be required for emergency services prior to stabilization.

2.9.12.8 Claims Processing Requirements

All claims shall be processed in accordance with the requirements of the MCO's and DBM's respective contracts with the State of Tennessee.

2.9.12.9 Appeal of Decision

Appeal of any Decision shall be to a court or commission of competent jurisdiction and shall not constitute a procedure under the Administrative Procedure Act, TCA 4-5-201 *et seq.* Exhaustion of the above-described process shall be required before filing of any claim or lawsuit on issues covered by this Section, Section A.2.9.12.9

2.9.12.10 Duties and Obligations

The existence of any dispute under this Contract shall in no way affect the duty of the CONTRACTOR and the DBM to continue to perform their respective obligations, including their obligations established in their respective contracts with the State pending resolution of the dispute under this Section, Section A.2.9.12.10. In accordance with TCA 56-32-126(b), a provider may elect to resolve the claims payment dispute through independent review.

2.9.12.11 Confidentiality

2.9.12.11.1 The CONTRACTOR agrees, and recognizes that the DBM has agreed through its contractual arrangement with the State, to cooperate with the State to develop confidentiality guidelines that (1) meet state, federal, and other regulatory requirements; (2) meet the requirements of the professions or facilities providing care and maintaining records; and (3) meet both DBM and MCO standards. These standards shall apply to both DBM's and MCO's providers and staff. If the CONTRACTOR or DBM believes that the standards require updating, or operational changes are needed to enforce the standards, the CONTRACTOR shall meet with the DBM to resolve these issues. Such standards shall provide for the exchange of confidential e-mails to ensure the privacy of the members.

2.9.12.11.2 The DBM and MCO shall ensure all materials and information directly or indirectly identifying any current or former member which is provided to or obtained by or through the MCO's or DBM's performance of this Contract, whether verbal, written, tape, or otherwise, shall be maintained in accordance with the standards of confidentiality of TCA 33-4-22, Section E.6 of this Contract, 42 CFR Part 2, and the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and, unless required by applicable law, shall not be disclosed except in accordance with those requirements or to TENNCARE, and CMS, or their designees. Nothing stated herein shall prohibit the disclosure of information in summary, statistical, or other form that does not identify any current or former member or potential member.

2.9.12.12 Access to Service

The CONTRACTOR agrees and recognizes that the DBM has agreed through its contractual arrangement with the State, to establish methods of referral which ensure immediate access to emergency care and the provision of urgent and routine care in accordance with TennCare guidelines.

However, to the extent that services available to a member through a HCBS ID waiver are also covered services pursuant to this Contract, the CONTRACTOR shall be responsible for providing all medically necessary covered services. HCBS ID waiver services may supplement, but not supplant, medically necessary covered services. ICF/IID services and HCBS ID waiver services shall be provided to qualified members as

described in TennCare rules and regulations through contracts between TENNCARE and appropriate providers.

- 2.9.15.2 The CONTRACTOR is responsible for covered services for members residing in an ICF/IID or enrolled in a HCBS ID waiver. For members residing in an ICF/IID, the CONTRACTOR is responsible for providing covered services that are not included in the per diem reimbursement for institutional services (e.g., prosthetics, some items of durable medical equipment, non-emergency ambulance transportation, and non-emergency transportation). Except as provided below for NEMT, for members enrolled in a HCBS ID waiver, the CONTRACTOR shall provide all medically necessary covered services, including covered services that may also be provided through the HCBS ID waiver. MCOs are encouraged to work with school-based providers to manage the care of students with special needs. The State has implemented a process, referred to as TennCare Kids Connection, to facilitate notification of MCOs when a school-aged child enrolled in TennCare has an Individualized Education Plan (IEP) that identifies a need for medical services. In such cases, the school is responsible for obtaining parental consent to share the IEP with the MCO and for subsequently sending a copy of the parental consent and IEP to the MCO. The school is also responsible for clearly delineating the services on the IEP that the MCOs are to consider for payment. If a school-aged member, needing medical services, is identified by the CONTRACTOR by another means, the CONTRACTOR shall request the IEP from the appropriate school system.
 - 2.9.16.7.2 The CONTRACTOR shall designate a contact person to whom correspondence concerning children with medical services included in their IEPs will be directed. After receipt of an IEP, the CONTRACTOR shall:
 - 2.9.16.7.2.1 Either accept the IEP as indication of a medical problem and treat the IEP as a request for service or assist in making an appointment to have the child evaluated by the child's PCP or another contract provider.  - 2.11.1.3.5 Give affected providers written notice if it declines to include individual or groups of providers in its network;
 - 2.11.1.3.6 Maintain all provider agreements in accordance with the provisions specified in 42 CFR 438.12, 438.214 and Section A.2.12 of this Contract; and

- 2.11.1.3.7 Not discriminate against providers and entities in accordance with the federal prohibition against discrimination as provided for under the collective “federal health care provider conscience protection statutes,” referenced individually as the Church Amendments, 42 U.S.C. § 300a–7, section 245 of the Public Health Service Act, 42 U.S.C. § 238n, and the Weldon Amendment, Consolidated Appropriations Act, 2010, Public Law 111–117, Div. D, Sec. 508(d), 123 Stat. 3034, 3279–80.
- 2.11.1.4 Section A.2.11.1.3 shall not be construed to:
- 2.11.1.4.1 Require the CONTRACTOR to contract with providers beyond the number necessary to meet the needs of its members and the access standards of this Contract; however, the CONTRACTOR shall contract with nursing facilities pursuant to the requirements of Section A.2.11.6 of this Contract and shall contract with at least two (2) providers for each CHOICES HCBS to cover each county in the Grand Region, as specified in Section A.2.11.6.3;
- 2.11.1.4.2 Preclude the CONTRACTOR from using different reimbursement amounts for different specialties or for different providers in the same specialty; however, the CONTRACTOR shall reimburse long-term care services in accordance with Sections A.2.13.3 and A.2.13.4; or
- 2.11.1.4.3 Preclude the CONTRACTOR from establishing measures that are designed to maintain quality of services and control costs and are consistent with its responsibilities to members.
- 2.11.1.5 The CONTRACTOR may not prohibit, or otherwise restrict, a health care professional acting within the lawful scope of practice, from advising or advocating on behalf of a member who is his or her patient for the following:
- 2.11.1.5.1 The member’s health status, medical, behavioral health, or long-term care, or treatment options, including any alternative treatment that may be self administered;
- 2.11.1.5.2 Any information the member needs in order to decide among all relevant treatment options;
- 2.11.1.5.3 The risks, benefits, and consequences of treatment or non-treatment; or
- 2.11.1.5.4 The member’s right to participate in decisions regarding his or her health care, including the right to refuse treatment, and to express preferences about future treatment decisions.
- 2.11.1.6 Prior to including a provider on the *Provider Enrollment File* (see Section A.2.30.8.1) and/or paying a provider’s claim, the CONTRACTOR shall ensure that the provider has a National Provider Identifier (NPI) Number, where applicable, and has obtained a Medicaid provider number from TENNCARE.
- 2.11.1.7 If a member requests a provider located outside the access standards, and the CONTRACTOR has an appropriate provider within the access requirements who accepts new members, it shall not be considered a violation of the access requirements for the CONTRACTOR to grant the member’s request. However, in such cases the CONTRACTOR shall not be responsible for providing transportation for the member to access care from this selected provider, and the CONTRACTOR

shall notify the member in writing as to whether or not the CONTRACTOR will provide transportation for the member to seek care from the requested provider.

- 2.11.1.8 If the CONTRACTOR is unable to meet the access standard for a covered service for which the CONTRACTOR is responsible for providing non-emergency transportation to a member, the CONTRACTOR shall provide transportation regardless of whether the member has access to transportation.
- 2.11.1.8.1 In the event the CONTRACTOR is unable to meet the access standard for adult day care (see Attachment III), the CONTRACTOR shall provide and pay for the cost of transportation for the member to the adult day care facility until such time the CONTRACTOR has sufficient provider capacity.
- 2.11.1.8.2 The CONTRACTOR is not required to provide non-emergency transportation for HCBS provided through a 1915(c) waiver program for persons with intellectual disabilities (i.e., mental retardation) and HCBS provided through the CHOICES program, except as provided in Section A.2.11.1.8.1 above.
- 2.11.1.9 If the CONTRACTOR is unable to provide medically necessary covered services to a particular member using contract providers, the CONTRACTOR shall adequately and timely cover these services for that member using non-contract providers, for as long as the CONTRACTOR's provider network is unable to provide them. At such time that the required services become available within the CONTRACTOR's network and the member can be safely transferred, the CONTRACTOR may transfer the member to an appropriate contract provider as specified in Section A.2.9.5.
- 2.11.1.10 The CONTRACTOR shall monitor provider compliance with access requirements specified in Attachment III, including but not limited to appointment and wait times and take corrective action for failure to comply. The CONTRACTOR shall maintain an emergency/contingency plan in the event that a large provider of services collapses or is otherwise unable to provide needed services and shall conduct surveys and office visits to monitor compliance with appointment waiting time standards and shall report findings and corrective actions to TENNCARE in accordance with Section A.2.30.8.2.
- 2.11.1.11 The CONTRACTOR shall use its best efforts to contract with providers to whom the CONTRACTOR routinely refers members.
- 2.11.1.12 TENNCARE reserves the right to direct the CONTRACTOR to terminate or modify any provider agreement when TENNCARE determines it to be in the best interest of the State.
- 2.11.1.13 To demonstrate sufficient accessibility and availability of covered services, the CONTRACTOR shall comply with all reporting requirements specified in Section A.2.30.8.

A.2.11.2 Primary Care Providers (PCPs)

- 2.11.2.1 With the exception of members dually eligible for Medicare and TennCare, the CONTRACTOR shall ensure that each member has an assigned PCP, as defined in Section A.1, who is responsible for coordinating the covered services provided to the member. For CHOICES members, the CONTRACTOR shall develop and implement protocols that address, at a minimum, the roles and responsibilities of the PCP and care coordinator and collaboration between a member's PCP and care coordinator.
- 2.11.2.2 The CONTRACTOR shall ensure that there are PCPs willing and able to provide the level of care and range of services necessary to meet the medical and behavioral health needs of its members, including those with chronic conditions. There shall be a sufficient number of PCPs who accept new TennCare members within the CONTRACTOR's service area so that the CONTRACTOR meets the access standards provided in Attachment III.
- 2.11.2.3 To the extent feasible and appropriate, the CONTRACTOR shall offer each member (other than members who are dually eligible for Medicare and TennCare) the opportunity to select a PCP.
- 2.11.2.4 The CONTRACTOR may, at its discretion, allow vulnerable populations (for example, persons with multiple disabilities, acute, or chronic conditions, as determined by the CONTRACTOR) to select their attending specialists as their PCP so long as the specialist is willing to perform all responsibilities of a PCP as defined in Section A.1.
- 2.11.2.5 If a member who is not dually eligible for Medicare and TennCare fails or refuses to select a PCP from those offered within thirty (30) calendar days of enrollment, the CONTRACTOR shall assign a PCP. The CONTRACTOR may assign a PCP in less than thirty (30) calendar days if the CONTRACTOR provides the enrollee an opportunity to change PCPs upon receipt of notice of PCP assignment.
- 2.11.2.6 The CONTRACTOR shall establish policies and procedures to enable member's reasonable opportunities to change PCPs. Such policies and procedures may not specify a length of time greater than twelve (12) months between PCP changes under normal circumstances. If the ability to change PCPs is limited, the CONTRACTOR shall include provisions for more frequent PCP changes with good cause. The policies and procedures shall include a definition of good cause as well as the procedures to request a change and must allow members to call or fax a change request that will facilitate an immediate change to the assigned PCP. The criteria for PCP change limitations must be approved by TENNCARE.
- 2.11.2.7 If a member requests assignment to a PCP located outside the distance/time requirements in Attachment III and the CONTRACTOR has PCPs available within the distance/time requirements who accept new members, it shall not be considered a violation of the access requirements for the CONTRACTOR to grant the member's request. However, in such cases the CONTRACTOR shall have no responsibility for providing transportation for the member to access care from this selected provider, and the CONTRACTOR shall notify the member in writing as to whether or not the CONTRACTOR will provide transportation for the member to seek care from the requested provider. In these cases, the CONTRACTOR shall allow the member to change assignment to a PCP within the distance/time requirements at any time if the member requests such a change.

A.2.11.3 **Specialty Service Providers**

2.11.3.1 Essential Hospital Services and Centers of Excellence

2.11.3.1.1 The CONTRACTOR shall demonstrate sufficient access to essential hospital services which means that, at a minimum, in each Grand Region served by the CONTRACTOR, the CONTRACTOR shall demonstrate a contractual arrangement with at least one (1) tertiary care center for each of the following:

2.11.3.1.1.1 Neonatal services;

2.11.3.1.1.2 Perinatal services;

2.11.3.1.1.3 Pediatric services;

2.11.3.1.1.4 Trauma services; and

2.11.3.1.1.5 Burn services.

2.11.3.1.2 The CONTRACTOR shall demonstrate sufficient access to comprehensive care for people with HIV/AIDS which means that, at a minimum, in each Grand Region in which the CONTRACTOR operates, the CONTRACTOR shall demonstrate a contractual arrangement with at least two (2) HIV/AIDS Centers of Excellence located within the CONTRACTOR's approved Grand Region(s). HIV/AIDS centers of Excellence are designated by the DOH.

2.11.3.1.3 The CONTRACTOR shall demonstrate a contractual arrangement with all Centers of Excellence for Behavioral Health located within each Grand Region(s) served by the CONTRACTOR.

2.11.3.2 Physician Specialists

2.11.3.2.1 The CONTRACTOR shall establish and maintain a network of physician specialists that is adequate and reasonable in number, in specialty type, and in geographic distribution to meet the medical and behavioral health needs of its members (adults and children) without excessive travel requirements. This means that, at a minimum:

2.11.3.2.1.1 The CONTRACTOR has signed provider agreements with providers of the specialty types listed in Attachment IV who accept new TennCare enrollees and are available on at least a referral basis; and

2.11.3.2.1.2 The CONTRACTOR is in compliance with the access and availability requirements in Attachments III, IV, and V.

2.11.3.3 TENNCARE Monitoring

2.11.3.3.1 TENNCARE will monitor CONTRACTOR compliance with specialty network standards on an ongoing basis. TENNCARE will use data from the monthly *Provider Enrollment File* required in Section A.2.30.8.1, to verify compliance with the specialty network requirements. TENNCARE will use these files to confirm the CONTRACTOR has a sufficient number and distribution of physician specialists and in conjunction with MCO enrollment data to calculate member to provider ratios. TENNCARE will also periodically phone providers listed on these reports to confirm that the provider is a contract provider as reported by the CONTRACTOR. TENNCARE shall also monitor appeals data for indications that problems exist with access to specialty providers.

2.11.3.3.2 TENNCARE will require a corrective action plan from the CONTRACTOR when:

2.11.3.3.2.1 Twenty-five percent (25%) or more of non-dual members do not have access to one or more of the physician specialties listed in Attachment IV within sixty (60) miles;

2.11.3.3.2.2 Any non-dual member does not have access to one or more of the physician specialties listed in Attachment IV within ninety (90) miles; or

2.11.3.3.2.3 The member to provider ratio exceeds that listed in Attachment IV.

2.11.3.3.3 TENNCARE will review all corrective action plans and determine, based on the actions proposed by the CONTRACTOR, appeals data, and the supply of specialty providers available to non-TennCare members, whether the corrective action plan will be accepted. Corrective action plans shall include, at a minimum, the following:

2.11.3.3.3.1 The addition of contract providers to the provider network as documented on the provider enrollment file that resolves the specialty network deficiency;

2.11.3.3.3.2 A list of providers with name, location, and expected date of provider agreement execution with whom the CONTRACTOR is currently negotiating a provider agreement and, if the provider becomes a contract provider would resolve the specialty network deficiency;

2.11.3.3.3.3 For those deficiencies that are not resolved, a detailed account of attempts to secure an agreement with each provider that would resolve the deficiency. This shall include the provider name(s), address(es), date(s) contacted, and a detailed explanation as to why the CONTRACTOR is unable to secure an agreement, e.g., lack of provider willingness to participate in the TennCare program, provider prefers to limit access to practice, or rate requests are inconsistent with TennCare actuarial assumptions;

2.11.3.3.3.4 A listing of non-contract providers, including name and location, who are being used to provide the deficient specialty provider services and the rates the CONTRACTOR is currently paying these non-contract providers;

2.11.3.3.3.5 Affirmation that transportation will be provided for members to obtain services from providers who are willing to provide services to members but do not meet the specialty network standards;

- 2.11.3.3.3.6 Documentation of how these arrangements are communicated to the member; and
- 2.11.3.3.3.7 Documentation of how these arrangements are communicated to the PCPs.

A.2.11.4 Special Conditions for Prenatal Care Providers

- 2.11.4.1 The CONTRACTOR shall have a sufficient number of contract providers who accept members in accordance with TennCare access standards in Attachment III so that prenatal or other medically necessary covered services are not delayed or denied to pregnant women at any time, including during their presumptive eligibility period. Additionally, the CONTRACTOR shall make services available from non-contract providers, if necessary, to provide medically necessary covered services to a woman enrolled in the CONTRACTOR's MCO.
- 2.11.4.2 Regardless of whether prenatal care is provided by a PCP, physician extender or an obstetrician who is not the member's PCP, the access standards for PCP services shall apply when determining access to prenatal care except for cases of a first prenatal care appointment for women who are past their first trimester of pregnancy on the day they are determined to be eligible for TennCare. For women who are past their first trimester of pregnancy on the day they are determined to be eligible, a first prenatal care appointment shall occur within fifteen (15) calendar days of the day they are determined to be eligible. Failure to do so shall be considered a material breach of the provider's provider agreement with the CONTRACTOR (see Sections A.2.7.5.2 and A.2.11.4).

A.2.11.5 Special Conditions for Behavioral Health Services

- 2.11.5.1 At the direction of the State, the CONTRACTOR shall divert new admissions to other inpatient facilities as appropriate, utilizing the Regional Mental Health Institutes only when no other option is available.
- 2.11.5.2 The CONTRACTOR shall identify, develop or enhance existing mental health and/or substance abuse inpatient and residential treatment capacity for adults and adolescents with a co-occurring mental health and substance abuse disorder.
- 2.11.5.3 The CONTRACTOR shall contract with specified crisis service teams for both adults and children as directed by TENNCARE unless the State approves the use of other crisis service providers.

A.2.11.6 Special Conditions for Long-Term Services and Supports Providers

In addition to the requirements in Section A.2.11.1 of this Contract and the access standards specified in Attachment III of this Contract, the CONTRACTOR shall meet the following requirements for long-term services and supports providers.

- 2.11.6.1 The CONTRACTOR shall, pursuant to TCA 71-5-1412 contract with any licensed and certified nursing facility willing to contract with the MCO to provide that service under the same terms and conditions as are offered to any other participating facility contracted to provide that service under any policy, contract or plan that is part of the TennCare managed long-term care service delivery system. Terms and conditions shall not include the rate of reimbursement. This does not prevent the CONTRACTOR from enforcing the provisions of its contract with the facility. This section shall expire on June 30, 2017. Thereafter, the CONTRACTOR shall contract

with a sufficient number of nursing facilities in order to have adequate capacity to meet the needs of CHOICES members for nursing facility services.

- 2.11.6.2 For community-based residential alternatives, the CONTRACTOR shall demonstrate good faith efforts to develop the capacity to have a travel distance of no more than sixty (60) miles between a member's community-based residential alternative placement and the member's residence before entering the facility.
- 2.11.6.3 At a minimum, the CONTRACTOR shall contract with at least two (2) providers for each CHOICES and each ECF CHOICES HCBS, other than community-based residential alternatives, to cover each county in each Grand Region covered under this Contract unless otherwise specified by TENNCARE. For CHOICES and ECF CHOICES HCBS provided in a member's place of residence, the provider does not need to be located in the county of the member's residence but must be willing and able to serve residents of that county. For adult day care, the provider does not have to be located in the county of the member's residence but must meet the access standards for adult day care specified in Attachment III.
- 2.11.6.4 In addition, the CONTRACTOR shall maintain a network of CHOICES and ECF CHOICES HCBS providers that is adequate to meet the needs of each and every CHOICES member in Group 2 and 3 and in any ECF CHOICES Group, and to provide authorized CHOICES or ECF CHOICES HCBS within the timeframe prescribed in Sections A.2.9.2, A.2.9.3, and A.2.9.6 of this Contract. This includes initiating CHOICES or ECF CHOICES HCBS in the member's plan of care or person centered supports plan, as appropriate, within the timeframes specified in this Contract and continuing services in accordance with the member's plan of care or person centered supports plan, as appropriate, including the amount, frequency, duration and scope of each service in accordance with the member's service schedule.
 - 2.11.6.4.1 In developing and maintaining its network of ECF CHOICES providers, the CONTRACTOR shall consider the following as preferred contracting standards for participating providers:
 - 2.11.6.4.1.1 The provider currently participates in one or more of the Section 1915(c) waiver programs for individuals with I/DD, and has a consistent Quality Assurance (QA) performance rating of "proficient" or "exceptional performance." Providers with "exceptional performance" shall be given additional consideration. For the purpose of this Section, consistent QA performance shall mean that the provider receives the ratings of performance described above for at least two (2) consecutive years, including the most recent survey results.
 - 2.11.6.4.1.2 The provider has or is actively seeking (meaning applied for and has financially invested in the process) accreditation from a nationally recognized accrediting body, e.g., Commission on Accreditation of Rehabilitation Facilities (applicable only if accredited for the specific services the provider will provide in ECF CHOICES), Council on Quality and Leadership (CQL), and the Council On Accreditation (COA). Acceptance of accreditation from other entities not listed must be prior approved by TENNCARE.

- 2.11.6.4.1.6 The provider has achieved documented success in helping individuals with I/DD achieve employment opportunities in integrated community settings at a competitive wage. Such success may be based on the number or percent of persons served that the provider has successfully placed in integrated employment settings who are earning a competitive wage; success in developing customized employment options for individuals with more significant physical or behavior support needs; or other employment successes the CONTRACTOR determines merit additional contracting consideration;
- 2.11.6.4.1.7 The provider has demonstrated leadership in employment service delivery and community integration, e.g., designing and implementing plans to transition away from facility-based day services to integrated employment services with community-based wraparound supports.
- 2.11.6.4.1.8 The provider can demonstrate longstanding community relationships that can be leveraged to assist members in pursuing and achieving employment and integrated community living goals, including commitments from such community-based organizations to work with the provider in order to help persons supported by the provider to achieve such goals.
- 2.11.6.4.1.9 The provider has assisted persons supported by the agency in successfully transitioning into more independent living arrangements, such as Semi-Independent Living.

professionals to be an integral part of the person-centered planning team, as needed, to participate in team meetings and provide additional intensive consultation for individuals whose functional, medical or behavioral needs are determined to be complex.

- 2.11.6.4.1.15 The provider meets other standards established by TennCare in policy or protocol that are intended to confer preferred contracting status.
- 2.11.6.4.2 Additional contracting consideration shall be given for each preferred contracting standard satisfied by a potential provider. The CONTRACTOR shall not be obligated to contract with every provider who meets one or more of these preferred contracting standards; nor shall the CONTRACTOR be prohibited from contracting with providers who do not meet any of these preferred contracting standards. However, the CONTRACTOR shall be able to demonstrate to TENNCARE that these standards are being thoughtfully considered in developing an adequate network of qualified providers for the ECF CHOICES program and shall include in its network reporting information regarding which, if any, preferred contracting standards have been met.

This shall include a summary of provider network capacity issues by service and county, the CONTRACTOR's remediation and QI activities and the targeted and actual completion dates for those activities.
 - 2.11.6.5.5 CHOICES and ECF CHOICES HCBS network deficiencies (in addition to those specified in Section A.2.11.6.5.4 above) by service and by county and interventions to address the deficiencies.
 - 2.11.6.5.6 Demonstration of the CONTRACTOR's efforts to develop and enhance existing community-based residential alternatives (including adult care homes, community living supports, and community living supports-family model) capacity for elders and/or adults with physical disabilities and individuals with intellectual and developmental disabilities. The CONTRACTOR shall specify related activities, including provider recruitment activities, and provide a status update on capacity building.

The CONTRACTOR shall actively participate with TENNCARE, other TennCare managed care contractors, and other stakeholders as part of a statewide initiative to develop and implement strategies to increase the pool of available qualified direct support staff and to improve retention of qualified direct support staff. To demonstrate this strategy, the CONTRACTOR shall report annually to TENNCARE on the status of any affordable housing development and networking strategies it elects to implement (See Section A.2.30.6.13).
- 2.11.6.8 TENNCARE will evaluate the need for further action when the above standards are not met. - 2.11.6.8.1 The requested CAP, RFI or ORR response shall detail the CONTRACTOR's network adequacy considering any alternate measures, documentation of unique market conditions and/or its plan for correction. If TENNCARE determines the CONTRACTOR's response demonstrates the existence of alternate measures or unique market conditions, TENNCARE may elect to request periodic updates from the CONTRACTOR regarding efforts to address such conditions.

- 2.11.7.1 The CONTRACTOR's provider network must have adequate capacity to deliver covered physical and behavioral health services that meet the needs of persons with I/DD. Indicators of an adequate network include, but are not limited to:

Any decision to deny a service authorization request or to authorize a service in an amount, duration, or scope that is less than requested shall be made by a physical health or behavioral health care professional who has appropriate clinical expertise in treating the member's condition or disease or, in the case of long-term care services, a long-term care professional who has appropriate expertise in providing long-term care services.
- 2.14.1.9 Except as provided in Section A.2.6.1.4, the CONTRACTOR shall not place maximum limits on the length of stay for members requiring hospitalization and/or surgery. The CONTRACTOR shall not employ, and shall not permit others acting on their behalf to employ utilization control guidelines or other quantitative coverage limits, whether explicit or de facto, unless supported by an individualized determination of medical necessity based upon the needs of each member and his/her medical history. The CONTRACTOR shall consider individual member characteristics in the determination of readiness for discharge. This requirement is

not intended to limit the ability of the CONTRACTOR to use clinical guidelines or criteria in placing tentative limits on the length of a prior authorization or pre-admission certification.

- 2.14.1.10 The CONTRACTOR shall have mechanisms in place to ensure that required services are not arbitrarily denied or reduced in amount, duration, or scope solely because of the diagnosis, type of illness, or condition.
- 2.14.1.11 The CONTRACTOR shall assure, consistent with 42 CFR 438.6(h), 42 CFR 422.208 and 422.210, that compensation to individuals or entities that conduct UM activities is not structured so as to provide incentives for the individual or entity to deny, limit, or discontinue medically necessary covered services to any member.
- 2.14.1.12 As part of the provider survey required by Section A.2.18.7.4, the CONTRACTOR shall assess provider/office staff satisfaction with UM processes to identify areas for improvement.

2.14.1.13 Inpatient Care

The CONTRACTOR shall provide for methods of assuring the appropriateness of inpatient care. Such methodologies shall be based on individualized determinations of medical necessity in accordance with UM policies and procedures and, at a minimum, shall include the items specified in subparagraphs A.2.14.1.13.1 through A.2.14.1.13.5 below:

- 2.14.1.13.1 Pre-admission certification process for non-emergency admissions;
- 2.14.1.13.2 A concurrent review program to monitor and review continued inpatient hospitalization, length of stay, or diagnostic ancillary services regarding their appropriateness and medical necessity. In addition, the CONTRACTOR shall have a process in place to determine for emergency admissions, based upon medical criteria, if and when a member can be transferred to a contract facility in the network, if presently in a non-contract facility;
- 2.14.1.13.3 Admission review for urgent and/or emergency admissions, on a retroactive basis when necessary, in order to determine if the admission is medically necessary and if the requested length of stay for the admission is reasonable based upon an individualized determination of medical necessity. Such reviews shall not result in delays in the provision of medically necessary urgent or emergency care;
- 2.14.1.13.4 Restrictions against requiring pre-admission certification for admissions for the normal delivery of children; and
- 2.14.1.13.5 Prospective review of same day surgery procedures.

2.14.1.14 Nursing Facility

- 2.14.1.14.1 The CONTRACTOR shall ensure that level II reimbursement of nursing facility care is provided for CHOICES members who have been determined by TENNCARE to be eligible for Level II reimbursement of nursing facility care for the period specified by TENNCARE, except when level I reimbursement is billed by the nursing facility and there is an approved LOC eligibility segment for such level of reimbursement. The CONTRACTOR shall monitor the member's condition, and if the CONTRACTOR determines that, prior to the end date specified by TENNCARE, the

member no longer requires and/or the facility is no longer providing the skilled and/or rehabilitative services for which Level II reimbursement of nursing facility care was approved by TENNCARE, the CONTRACTOR may submit to TENNCARE a request to modify the member's level of reimbursement for nursing facility services. The CONTRACTOR shall submit documentation as specified by TENNCARE to support the request. The CONTRACTOR may reimburse the nursing facility at the Level I (rather than Level II) per diem rate only when such rate is billed by the nursing facility and there is an approved LOC eligibility segment for such level of reimbursement or upon approval from TENNCARE of a reduction in the member's level of care (i.e., reimbursement) as reflected on the outbound 834 enrollment file.

2.14.1.15 Emergency Department (ED) Utilization

The CONTRACTOR shall utilize the following guidelines in identifying and managing care for members who are determined to have excessive and/or inappropriate ED utilization:

- 2.14.1.15.1 Review ED utilization data, at a minimum, every six (6) months to identify members with utilization exceeding the threshold defined by TENNCARE as ten (10) or more visits in the defined six (6) month period (January through June and July through December);
- 2.14.1.15.2 Enroll non-CHOICES members whose utilization exceeds the threshold of ED visits defined by TENNCARE in the previous six (6) month period in the appropriate level of Population Health services (see Section A.2.8.4 of this Contract) and may use the information to identify members who may be eligible for CHOICES in accordance with the requirements in Section A.2.9.6.3 if appropriate;
- 2.14.1.15.3 For CHOICES members whose utilization exceeds the threshold of ED visits defined by TENNCARE in the previous six (6) month period, the care coordinator shall conduct appropriate follow-up to identify the issues causing frequent ED utilization and determine appropriate next steps. For CHOICES members in Group 1, appropriate next steps may include communication with the nursing facility to determine interventions to better manage the member's condition. For CHOICES members in Groups 2 and 3, appropriate next steps may include modifications to the member's plan of care in order to address service delivery needs and better manage the member's condition.
- 2.14.1.15.4 As appropriate, make contact with members whose utilization exceeded the threshold of ED visits defined by TENNCARE in the previous six (6) month period and their primary care providers for the purpose of providing education on appropriate ED utilization; and
- 2.14.1.15.5 Assess the most likely cause of high utilization and develop a Population Health Complex Case Management (see Section A.2.8.4 of this Contract) plan based on results of the assessment for each non-CHOICES member.

2.14.1.16 Hospitalizations and Surgeries

The CONTRACTOR shall comply with any applicable federal and state laws or rules related to length of hospital stay. TENNCARE will closely monitor encounter data related to length of stay and re-admissions to identify potential problems. If

indicated, TENNCARE may conduct special studies to assess the appropriateness of hospital discharges.

A.2.14.2 Prior Authorization for Physical Health and Behavioral Health Covered Services

- 2.14.2.1 The CONTRACTOR shall have in place, and follow, written policies and procedures for processing requests for initial and continuing prior authorizations of services and have in effect mechanisms to ensure consistent application of review criteria for prior authorization decisions. The policies and procedures shall provide for consultation with the requesting provider when appropriate. If prior authorization of a service is granted by the CONTRACTOR and the service is provided, payment for the prior authorized service shall not be denied based on the lack of medical necessity, assuming that the member is eligible on the date of service, unless it is determined that the facts at the time of the denial of payment are significantly different than the circumstances which were described at the time that prior authorization was granted.
- 2.14.2.2 Prior authorization for home health nurse, home health aide and private duty nursing services shall comply with TennCare rules and regulations.
- 2.14.2.3 Prior authorization requests shall be processed in accordance with 42 CFR § 438.210(d) and the guidelines described in TennCare rules and regulations which include, but are not limited to, provisions regarding decisions, notices, medical contraindication, and the failure of an MCO to act timely upon a request. Instances in which an enrollee's health condition shall be deemed to require an expedited authorization decision by the CONTRACTOR shall include requests for home health services for enrollees being discharged from a hospital or other inpatient setting when such home health services are needed to begin upon discharge.

A.2.14.3 Referrals for Physical Health and Behavioral Health

- 2.14.3.1 Except as provided in Section A.2.14.4, the CONTRACTOR may require members to seek a referral from their PCP prior to accessing non-emergency specialty physical health services.
- 2.14.3.2 If the CONTRACTOR requires members to obtain PCP referral, the CONTRACTOR may exempt certain services, identified by the CONTRACTOR in the member handbook, from PCP referral.
- 2.14.3.3 For members determined to need a course of treatment or regular care monitoring, the CONTRACTOR shall have a mechanism in place to allow members to directly access a specialist as appropriate for the members' condition and identified needs.
- 2.14.3.4 The CONTRACTOR shall not require that a woman go in for an office visit with her PCP in order to obtain the referral for prenatal care.
- 2.14.3.5 Referral Provider Listing
 - 2.14.3.5.1 The CONTRACTOR shall provide all PCPs with a current hard copy listing of referral providers, including behavioral health providers at least thirty (30) calendar days prior to the start date of operations. Thereafter the CONTRACTOR shall mail PCPs an updated version of the listing on a quarterly basis. The CONTRACTOR shall also maintain an updated electronic, web-accessible version of the referral provider listing.

2.14.3.5.2 The referral provider listing shall be in the format specified by TENNCARE for the hard copy provider directory in Section A.2.17.8.

2.14.3.5.3 As required in Section A.2.30.11.5, the CONTRACTOR shall submit to TENNCARE a copy of the referral provider listing, a data file of the provider information in a media and format described by TENNCARE, and documentation regarding mailing.

A.2.14.4 Exceptions to Prior Authorization and/or Referrals for Physical Health and Behavioral Health

2.14.4.1 Emergency and Post-Stabilization Care Services

The CONTRACTOR shall provide emergency services without requiring prior authorization or PCP referral, as described in Section A.2.7.1, regardless of whether these services are provided by a contract or non-contract provider. The CONTRACTOR shall provide post-stabilization care services (as defined in Section A.1) in accordance with 42 CFR 422.113.

2.14.4.2 TennCare Kids

The CONTRACTOR shall not require prior authorization or PCP referral for the provision of TennCare Kids screening services.

2.14.4.3 Access to Women's Health Specialists

The CONTRACTOR shall allow female members direct access (without requiring a referral) to a women's health specialist who is a contract provider for covered services necessary to provide women's routine and preventive health care services. This is in addition to the member's designated source of primary care if that source is not a women's health specialist.

2.14.4.4 Behavioral Health Services

The CONTRACTOR shall not require a PCP referral for members to access a behavioral health provider.

2.14.4.5 Transition of New Members

Pursuant to the requirements in Section A.2.9.2 regarding transition of new members, the CONTRACTOR shall provide for the continuation of medically necessary covered services regardless of prior authorization or referral requirements. However, as provided in Section A.2.9.2, in certain circumstances the CONTRACTOR may require prior authorization for continuation of services beyond the initial thirty (30) days.

A.2.14.5 Authorization of Long-Term Care Services

2.14.5.1 The CONTRACTOR shall have in place an authorization process for covered long-term care services and cost effective alternative services that is separate from but integrated with the CONTRACTOR's prior authorization process for covered physical health and behavioral health services (See Section A.2.9.6 of this Contract).

- 2.14.5.2 The CONTRACTOR may decide whether it will issue service authorizations for nursing facility services, or whether it will instead process claims for such services in accordance with the level of care (i.e., reimbursement, including the duration of such level of reimbursement) approved by TENNCARE (see Section A.2.14.1.14), except that the CONTRACTOR may reimburse a facility at the Level I per diem rate when such lesser rate is billed by the facility and there is an approved LOC eligibility segment for such level of reimbursement.
- 2.14.5.3 The CONTRACTOR shall authorize and initiate CHOICES HCBS for CHOICES members within the timeframes specified in Sections A.2.9.2, A.2.9.3, and A.2.9.6 of this Contract.
- 2.14.5.4 The CONTRACTOR shall not require that CHOICES HCBS be ordered by a treating physician, but may consult with the treating physician as appropriate regarding the member's physical health, behavioral health, and long-term care needs and in order to facilitate communication and coordination regarding the member's physical health, behavioral health, and long-term care services.
- 2.14.5.5 The CONTRACTOR may determine the duration of time for which CHOICES HCBS will be authorized. However, the CONTRACTOR shall be responsible for monitoring its authorizations and for ensuring that there are no gaps in authorizations for CHOICES HCBS in accordance with the plan of care. The CONTRACTOR shall further be responsible for ensuring that service authorizations are consistent with the plan of care, including the schedule at which services are needed and any updates to the plan of care and/or schedule, and except in the following circumstance, for notifying providers in advance when a service authorization (including a schedule) will be changed. Retroactive entry or adjustments in service authorizations for CHOICES HCBS should be made only when required to accommodate payment of services that had been authorized but an adjustment in the schedule of services was required based on the member's needs.
- 2.14.5.6 For non-CHOICES members receiving care in non-contract nursing facilities authorized by the CONTRACTOR as a cost-effective alternative, the CONTRACTOR shall reimburse services in accordance with its authorization until such time that the member is no longer eligible for services, is enrolled in CHOICES, or such care is no longer medically necessary or cost-effective.
- 2.14.5.7 The CONTRACTOR shall determine medical necessity of ventilator weaning and short term tracheal suctioning for individuals recently weaned from a ventilator, but who still require intensive respiratory intervention. TENNCARE shall determine medical necessity of chronic ventilator care and tracheal suctioning other than short-term tracheal suctioning following recent ventilator weaning through the PAE process.

- 2.14.5.8 The CONTRACTOR shall provide authorization for Enhanced Respiratory Care (ERC) reimbursement rates based upon medical necessity. Prior to authorizing ERC reimbursement, the CONTRACTOR shall also confirm that the NF has an available bed licensed by the Tennessee Department of Health specifically for the provision of ventilator weaning or chronic ventilator care or tracheal suctioning, as applicable, and that authorizing reimbursement at those rates for a member to receive those services would not cause the facility to exceed the number of beds licensed for such specialized ERC on any given day. The CONTRACTOR must also provide authorizations for ERC reimbursement specific to the service being requested: ventilator weaning, chronic ventilator care, and/or tracheal suctioning. The CONTRACTOR shall not provide a broad ERC authorization that fails to specify which rate is being approved.

A.2.14.6 Transition of CHOICES Members Receiving Long-Term Care Services at the Time of Implementation

For transitioning members enrolled in CHOICES as of the date of implementation, the CONTRACTOR shall be responsible for continuing to provide the long-term care services previously authorized for the member, as specified in Section A.2.9.3 of this Contract.

A.2.14.7 Notice of Adverse Action Requirements

- 2.14.7.1 The CONTRACTOR shall clearly document and communicate the reasons for each denial of a prior authorization request in a manner sufficient for the provider and member to understand the denial and decide about requesting reconsideration of or appealing the decision.
- 2.14.7.2 The CONTRACTOR shall comply with all member notice provisions in TennCare rules and regulations.
- 2.14.7.3 The CONTRACTOR shall issue appropriate notice prior to any CONTRACTOR-initiated decision to reduce or terminate CHOICES or non-CHOICES nursing facility services and shall comply with all federal court orders, and federal and state laws and regulations regarding members' transfer or discharge from nursing facilities.

A.2.14.8 Medical History Information Requirements

- 2.14.8.1 The CONTRACTOR is responsible for eliciting pertinent medical history information from the treating provider(s), as needed, for purposes of making medical necessity determinations. With respect to CHOICES HCBS which are not primarily medical in nature, pertinent medical history shall include assessments, case notes, and documentation of service delivery by HCBS providers. Medical information from the treating physician may also be pertinent in better understanding the member's functional needs. The CONTRACTOR shall take action (e.g., sending a CONTRACTOR representative to obtain the information and/or discuss the issue with the provider, imposing financial penalties against the provider, etc.), to address the problem if a treating provider is uncooperative in supplying needed information. The CONTRACTOR shall make documentation of such action available to TENNCARE, upon request. Providers who do not provide requested information for purposes of making a medical necessity determination for a particular item or service shall not be entitled to payment for the provision of such item or service.

- 2.14.8.2 Upon request by TENNCARE, the CONTRACTOR shall provide TENNCARE with individualized medical record information from the treating provider(s). The CONTRACTOR shall take whatever action necessary to fulfill this responsibility within the required appeal time lines as specified by TENNCARE and/or applicable TennCare rules and regulations, up to and including going to the provider's office to obtain the medical record information. Should a provider fail or refuse to respond to the CONTRACTOR's efforts to obtain medical information, and the appeal is decided in favor of the member, at the CONTRACTOR's discretion or a directive by TENNCARE, the CONTRACTOR shall impose financial penalties against the provider as appropriate.

A.2.14.9 **PCP Profiling**

The CONTRACTOR shall profile its PCPs. Further, the CONTRACTOR shall investigate the circumstances surrounding PCPs who appear to be operating outside peer norms and shall intervene, as appropriate, when utilization or quality of care issues are identified. As part of these profiling activities, the CONTRACTOR shall analyze utilization data, including but not limited to, information provided to the CONTRACTOR by TENNCARE, and report back information as requested by TENNCARE. PCP profiling shall include, but not be limited to the following areas:

2.14.9.4 Inpatient Admissions

The CONTRACTOR shall maintain a procedure to identify and evaluate member utilization of inpatient services by PCP panel.

2.14.9.5 Pharmacy Utilization

At a minimum, the CONTRACTOR shall profile PCP prescribing patterns for generic versus brand name and the number of narcotic prescriptions written. In addition, the CONTRACTOR shall comply with the requirements in Section A.2.9.11 of this Contract.

- 2.22.3.4 The CONTRACTOR agrees that at such time that TENNCARE in conjunction with appropriate work groups presents recommendations concerning claims billing and processing that are consistent with industry norms, the CONTRACTOR shall comply with said recommendations within ninety (90) calendar days from notice by TENNCARE.

A.2.22.4 Prompt Payment

- 2.22.4.1 The CONTRACTOR shall comply with prompt pay claims processing requirements in accordance with TCA 56-32-126.
- 2.22.4.2 The CONTRACTOR shall ensure that ninety percent (90%) of clean claims for payment for services delivered to a TennCare enrollee are paid within thirty (30) calendar days of the receipt of such claims.
- 2.22.4.3 The CONTRACTOR shall process, and if appropriate pay, within sixty (60) calendar days ninety-nine point five percent (99.5%) of all claims for covered services delivered to a TennCare enrollee. The terms "processed and paid" are synonymous with terms "process and pay" of TCA 56-32-126(b)(1)(A) and (B).
- 2.22.4.4 Notwithstanding Sections A.2.22.4.1 through A.2.22.4.3, the CONTRACTOR shall comply with the following processing requirements for nursing facility claims and for CHOICES HCBS claims for services other than PERS, assistive technology, minor home modifications, and pest control submitted electronically in a HIPAA-compliant format:

- 2.22.4.4.2 Ninety-nine point five percent (99.5%) of clean claims for nursing facility services and CHOICES HCBS other than PERS, assistive technology, minor home modifications, and pest control shall be processed and paid within twenty-one (21) calendar days of receipt.
- 2.22.4.5 The CONTRACTOR shall comply with the requirements in Sections A.2.22.4.2 and A.2.22.4.3 above for processing claims for PERS, assistive technology, minor home modifications, and pest control.

- 2.22.4.7 If a claim is partially or totally denied on the basis the provider did not submit any required information or documentation with the claim, then the remittance advice or other appropriate written or electronic notice shall specifically identify all such information and documentation. Resubmission of a claim with further information and/or documentation shall constitute a new claim for purposes of establishing the time frame for claims processing.
- 2.22.4.8 To the extent that the provider agreement requires compensation of a provider on a monthly fixed fee basis or on any other basis that does not require the submission of a claim as a condition to payment, such payment shall be made to the provider by no later than (i) the time period specified in the provider agreement/contract between the provider and the CONTRACTOR or subcontractor, or if a time period is not specified in the contract (ii) the tenth (10th) day of the calendar month if the payment is to be made by a subcontractor, or (iii) if the CONTRACTOR is required to compensate the provider directly, within five (5) calendar days after receipt of the capitated payment and supporting remittance advice information from TENNCARE.

In situations of third party benefits, the time frames for filing a claim shall begin on the date that the third party documented resolution of the claim. In situations of enrollment in the CONTRACTOR's MCO with a retroactive eligibility date, the time frames for filing a claim shall begin on the date that the CONTRACTOR receives notification from TENNCARE of the enrollee's eligibility/enrollment.
- 2.22.4.10 As it relates to MCO Assignment Unknown (see Sections A.2.13.12 and A.2.13.13), the CONTRACTOR shall not deny a claim on the basis of the provider's failure to file a claim within a specified time period after the date of service when the provider could not have reasonably known which MCO the member was in during the timely filing period. However, in such cases the CONTRACTOR may impose timely filing requirements beginning on the date of notification of the individual's enrollment.
- 2.22.4.11 For purposes of timely filing (see Section A.2.12.9.28):

- 2.22.4.11.1 For institutional claims that include span dates of service (i.e., a 'From' and 'Through' date on the claim), the 'Through' date on the claim shall be used for determining the date of service for claims filing timeliness. The CONTRACTOR shall provide a minimum of sixty (60) days from the date of initial notice of an invalid and/or insufficient claim or one hundred twenty (120) days from the date of service or “Through” date on a span bill, whichever is later, for submission of a valid, complete claim.
- 2.22.4.11.2 For claims submitted by physicians and other suppliers that include span dates of service, the line item 'From' date shall be used for determining the date of service for claims filing timeliness. The CONTRACTOR shall provide a minimum of sixty (60) days from the date of initial notice of an invalid and/or insufficient claim or one hundred twenty (120) days from the date of service or “Through” date on a span bill, whichever is later, for submission of a valid, complete claim.
- 2.22.4.11.3 For claims submitted by physicians and other suppliers that do not include span dates of service, the date of service shall be used for determining claims filing timeliness. The CONTRACTOR shall provide a minimum of sixty (60) days from the date of initial notice of an invalid and/or insufficient claim or one hundred twenty (120) days from the date of service, whichever is later, for submission of a valid, complete claim.
- 2.22.4.11.4 Except for 1) recovery of overpayments as required pursuant to Section 6402 of the Affordable Care Act and TENNCARE policy; and 2) retrospective adjustments of a nursing facility’s per diem rate(s) (see Section A.2.13.3.4), paid claims requiring correction or resubmission must be submitted as adjustments to the paid claim within 120 days of the date of payment notification. Corrections to a claim should only be submitted if the original claim information was wrong or incomplete.
- 2.22.4.11.5 The provider has the right to file a dispute if he or she disagrees with a claim decision regarding the denial or compensation of a claim in accordance with Section (A.2.12.9)
- 2.22.4.11.6 The CONTRACTOR shall specify in its provider manual a period of time that is consistent with the requirements of Section A.2.22.4.

- 2.22.5.4 The CONTRACTOR shall monitor, on an at least a monthly basis, the number, dollar value and percentage of each long-term care provider’s denied claims for long-term care services (NF and CHOICES HCBS), including the cause of such claims denial; take immediate action to resolve issues that are the responsibility of the CONTRACTOR and are preventing the payment of such claims for the identified provider and all other providers who may be affected by the same issue(s); and shall

initiate training and technical assistance as needed to any long-term care provider whose monthly volume of denied claims for long-term care services exceeds twenty percent (20%). The CONTRACTOR shall submit to TENNCARE on a quarterly basis, a report, in the manner and format prescribed by TENNCARE, of all long-term care contractors for whom the number or dollar value of denied claims for long-term care services exceeded twenty percent (20%) of the total number or dollar value of claims for long-term care services submitted by the provider during any month.

- 2.22.5.5 The CONTRACTOR shall also monitor, on an at least a monthly basis, the number, dollar value and percentage of each long-term care provider's rejected claims for long-term care services (NF and CHOICES HCBS), including the cause of such claims rejection. The CONTRACTOR shall take immediate action to resolve issues that are the responsibility of the CONTRACTOR and are preventing the submission of clean claims for the identified provider and for all other providers who may be affected by the same issue(s). This shall include, but is not limited to issues with service authorizations. The CONTRACTOR shall initiate training and technical assistance as needed to any long-term care provider whose rejected claims for long-term care services are a result of provider error.

- 2.22.6.3 The audit shall utilize a random sample of all "processed or paid" claims upon initial submission in each month (the terms "processed and paid" are synonymous with terms "process and pay" of TCA 56-32-126(b)(1)(A) and (B)). A minimum sample of one hundred and sixty (160) claims randomly selected from the entire population of electronic and paper claims processed or paid upon initial submission for the month tested is required. Additionally, each monthly sample of one hundred and sixty (160) claims shall contain a minimum of thirty (30) claims associated with nursing facility services provided to CHOICES members and thirty (30) claims associated with CHOICES HCBS provided to CHOICES members.
- 2.22.6.4 The minimum attributes to be tested for each claim selected shall include:
- 2.22.6.4.1 Claim data correctly entered into the claims processing system;
- 2.22.6.4.2 Claim is associated to the correct provider, or if submitted by the FEA, the correct consumer-directed worker;
- 2.22.6.4.3 Service obtained the proper authorization;
- 2.22.6.4.4 Member eligibility at processing date correctly applied;

- 2.22.6.4.14 Application of the expenditure cap for a CHOICES member in Group 3; and
- 2.22.6.4.15 Proper coding including bundling/unbundling.

 - 2.22.6.5.5 Claims processed or paid in error have been corrected.
- 2.22.6.6 If the CONTRACTOR subcontracts for the provision of any covered services (see Section A.2.26), and the subcontractor is responsible for processing claims (see Section A.2.26.13), then the CONTRACTOR shall submit a claims payment accuracy percentage report for the claims processed by the subcontractor. - 2.22.7.1 In addition to the claims payment accuracy testing procedures described in Section A.2.22.6, the CONTRACTOR shall perform a monthly self test on the accuracy of claims processing based on claims judgmentally selected by TDCI. The maximum number of claims selected by TDCI each month will not exceed twenty-five (25), unless TDCI, at its discretion, determines a larger sample is warranted based on the results of the accuracy tests. The results reported by the CONTRACTOR are not intended to represent the percentage of compliance or non-compliance for the total population of claims processed by the CONTRACTOR or subcontractors.
- 2.22.7.2 The monthly focused claims testing procedures include:
 - 2.22.7.2.1 The CONTRACTOR shall complete the attribute sheets provided by TDCI for each claim to be tested within thirty (30) calendar days of receipt from TDCI.

 - 2.22.8.1.6 Covered service: the system shall verify that a service is a covered service and is eligible for payment;
 - 2.22.8.1.7 Provider validation: the system shall approve for payment only those claims received from providers eligible to render services for which the claim was submitted; and
 - 2.22.8.1.8 Benefit limits: the system shall ensure that benefit limit rules set by TENNCARE are factored into the determination of whether a claim should be adjudicated and paid and whether CHOICES HCBS that exceed a benefit limit were approved as a cost effective alternative.

- 2.22.8.2 The CONTRACTOR shall perform system edits for valid dates of service: the system shall assure that dates of service are valid dates, e.g., date of discharge is later than date of admission; admission or discharge dates are not in the future or outside of a member's TennCare eligibility span.

The EOBs shall be examined for correctness based on how the associated claim was processed and for adherence to the requirements outlined in Section A.2.22.8. The CONTRACTOR shall ensure that the examined EOBs constitute a representative sample of EOBs from all types of services and provider types. To the extent that the CONTRACTOR and/or TENNCARE considers a particular type of service or provider to warrant closer scrutiny, the CONTRACTOR shall over sample as needed.
- 2.22.9.5 Based on the EOBs sent to TennCare enrollees, the CONTRACTOR shall track any complaints received from enrollees and resolve the complaints according to its established policies and procedures. The resolution may be enrollee education, provider education, or referral to TBI/OIG. The CONTRACTOR shall use the feedback received to modify or enhance the EOB sampling methodology.

A.2.22.10 Remittance Advices and Related Functions

- 2.22.10.1 In concert with its claims payment cycle the CONTRACTOR shall provide an electronic status report indicating the disposition for every adjudicated claim for each claim type submitted by providers seeking payment as well as capitated payments generated and paid by the CONTRACTOR.

Re-submittals of rejected files, or notification of when the file will be resubmitted shall be completed within one (1) business day. Due to the need for timely data and to maintain integrity of processing sequence, should the CONTRACTOR fail to respond in accordance with this Section, the CONTRACTOR shall address any issues that prevent processing of an encounter batch in accordance with procedures specified in Section A.2.23.13.

2.23.4.2.2 TENNCARE will reject or report individual claims or encounters failing certain edits, as deemed appropriate and necessary by TENNCARE to ensure accurate processing or encounter data quality, and will return these transactions to the CONTRACTOR for research and resolution. TENNCARE will require expeditious action on the part of the CONTRACTOR to resolve errors or problems associated with said claims or the adjudication thereof, including any necessary changes or corrections to any systems, processes or data transmission formats, in accordance with the procedure specified in Section A.2.23.13. Generally the CONTRACTOR shall, unless otherwise directed by TENNCARE, address ninety percent (90%) of reported errors within thirty (30) calendar days and address ninety-nine percent (99%) of reported errors within sixty (60) calendar days. Such errors will be considered acceptably addressed when the CONTRACTOR has either confirmed and corrected the reported issue or disputed the reported issue with supporting information or documentation that substantiates the dispute. TENNCARE may

require resubmission of the transaction with reference to the original in order to document resolution. Failure to promptly research and address reported errors, including submission of and compliance with an acceptable corrective action plan as required, may result in damages and sanctions as described in Section A.2.23.13.

2.23.4.3 Provision of Encounter Data

- 2.23.4.3.1 Within two (2) business days of the end of a payment cycle the CONTRACTOR shall generate encounter data files for that payment cycle from its claims management system(s) and/or other sources. If the CONTRACTOR has more than one (1) payment cycle within the same calendar week, the encounter data files may be merged and submitted within two (2) business days of the end of the last payment cycle during the calendar week.
- 2.23.4.3.2 Any encounter data from a subcontractor shall be included in the file from the CONTRACTOR. The CONTRACTOR shall not submit separate encounter files from subcontractors.
- 2.23.4.3.3 The files shall contain settled claims and claim adjustments, including but not limited to adjustments necessitated by payment errors, processed during that payment cycle, as well as encounters processed during that payment cycle from providers with whom the CONTRACTOR has a capitation arrangement.
- 2.23.4.3.4 The level of detail associated with encounters from providers with whom the CONTRACTOR has a capitation arrangement shall be equivalent to the level of detail associated with encounters for which the CONTRACTOR received and settled a fee-for-service claim.
- 2.23.4.3.5 The CONTRACTOR shall adhere to federal and/or TENNCARE payment rules in the definition and treatment of certain data elements, e.g., units of service, that are standard fields in the encounter data submissions and will be treated similarly by TENNCARE across all MCOs.
- 2.23.4.3.6 The CONTRACTOR shall provide encounter data files electronically to TENNCARE in adherence to the procedure and format indicated in the HIPAA Implementation and TennCare Companion guides.
- 2.23.4.3.7 The CONTRACTOR shall institute processes to insure the validity and completeness of the data it submits to TENNCARE. At its discretion, TENNCARE will conduct general data validity and completeness audits using industry-accepted statistical sampling methods. Data elements that will be audited include but are not limited to: member ID, date of service, provider ID (including NPI number and Medicaid I.D. Number), category and sub category (if applicable) of service, diagnosis codes, procedure codes and modifiers, revenue codes, adherence to hard benefit limits, date of claim processing, and date of claim payment. Control totals shall also be reviewed and verified. Additionally, the CONTRACTOR shall reconcile all encounter data submitted to the State to control totals and to the CONTRACTOR's Medical Loss Ratio reports and supply the reconciliation to TENNCARE with each of the Medical Loss Ratio report submissions as specified in Section A.2.30.16.2.1 (see Section A.2.30.18.3).

Any outbound 834 transactions which fail to update/load systematically must be manually updated within twenty-four (24) hours of receipt. The CONTRACTOR shall report to TENNCARE, in a form and format to be provided by TENNCARE, outbound 834 transactions that are not processed within these time frames and include information regarding when the transactions were completed. Any transactions that are not updated/loaded within twenty-four (24) hours of receipt from TENNCARE and/or persistent issues with high volumes of transitions that require manual upload may require the CONTRACTOR to initiate a Corrective Action Plan for resolution of the issues preventing compliance. If the CONTRACTOR has reason to believe they may not meet this requirement based on unusual circumstances, the CONTRACTOR must notify TENNCARE and TENNCARE may make an exception without requiring a Corrective Action Plan.
- 2.23.5.3 The CONTRACTOR shall transmit to TENNCARE, in the formats and methods specified in the HIPAA Implementation and TennCare Companion guides or as otherwise specified by TENNCARE: member address changes, telephone number changes, and PCP.

- 2.23.6.3 The CONTRACTOR's Systems shall contain controls to maintain information integrity. These controls shall be in place at all appropriate points of processing. The controls shall be tested in periodic and spot audits following a methodology to be developed jointly by and mutually agreed upon by the CONTRACTOR and TENNCARE.
- 2.23.6.4 Audit trails shall be incorporated into all Systems to allow information on source data files and documents to be traced through the processing stages to the point where the information is finally recorded. The audit trails shall:
 - 2.23.6.4.1 Contain a unique log-on or terminal ID, the date, and time of any create/modify/delete action and, if applicable, the ID of the system job that effected the action;
 - 2.23.6.4.2 Have the date and identification "stamp" displayed on any on-line inquiry;

- 2.30.20.1 If the CONTRACTOR has subcontracted claims processing for TennCare claims, the CONTRACTOR shall provide to TENNCARE a Type II SOC1 examination based on the Statement on Standards for Attestation Engagements (SSAE) No. 16 for each non-affiliated organization processing claims that represent more than twenty percent (20%) of TennCare medical expenses of the CONTRACTOR. This report shall be performed by an independent auditor (“service auditor”) and shall be due annually on May 1 for the preceding year operations or portion thereof.
- 2.30.20.2 In a Type II report, the auditor will express an opinion on whether the organization’s description of controls presents the relevant aspects of the organization’s actual controls in operation for the period specified in the report, typically one year. Also the report will determine whether the controls were suitably designed to achieve specified control objectives with sufficient effectiveness to provide reasonable, but not absolute assurance that the control objectives were achieved during the period specified.
- 2.30.20.2.1 The service auditor will express an opinion on (1) whether the service organization’s description of its controls presents fairly, in all material respects, the relevant aspects of the service organization’s controls that had been placed in operation as of a specific date, and (2) whether the controls were suitably designed to achieve specified control objectives, and (3) whether the controls that were tested were operating with sufficient effectiveness to provide reasonable, but not absolute, assurance that the control objectives were achieved during the period specified.

A.2.30.21 HIPAA/HITECH Reports

The CONTRACTOR shall submit a *Privacy/Security Incident Report*. This report shall be provided at least annually, but the CONTRACTOR shall provide the report more frequently if requested by TENNCARE. The report shall include, at a minimum, the date of the incident, the date of notification to TENNCARE’s privacy officer, the nature and scope of the incident, the CONTRACTOR’s response to the incident, and the mitigating measures taken by the CONTRACTOR to prevent similar incidents in the future. Upon TENNCARE’s request, the CONTRACTOR shall provide additional details within a reasonable amount of time. “Port scans” or other unsuccessful queries to the CONTRACTOR’s information system shall not be considered a privacy/security incident for purposes of this report.

- 2.30.22.2 As a part of the requested documentation for the Nondiscrimination Compliance Questionnaire the CONTRACTOR shall include reports that capture data for all language and communication assistance services used and provided by the CONTRACTOR under this Contract. One report shall contain the names of the CONTRACTOR's language and communication assistance service providers, the languages that interpretation and translation services are available in, the auxiliary aids or services that were provided and that are available, the hours the language and communication assistance services are available, and the numbers individuals call to access language and communication assistance services. A separate report shall list all requests for language and communication assistance services, including the requestor's name and identification number, the requested service, the date of the request, the date the service was provided, and the name of the service provider.
- 2.30.22.3 The CONTRACTOR shall submit a quarterly *Non-discrimination Compliance Report* which shall include the following:
 - 2.30.22.3.1 A summary listing that captures the total number of the CONTRACTOR's new hires that have completed civil rights/nondiscrimination training and cultural competency training and the dates the trainings were completed for that quarter; and
 - 2.30.22.3.1.1 A listing of the total number of the CONTRACTOR's employees that have completed annual civil rights training and cultural competency training and the dates completed for that quarter, if annual training was provided during that quarter.
 - 2.30.22.3.2 An update of all written discrimination complaints filed by individuals, such as, employees, members, providers and subcontractors in which the discrimination allegation is related to the provision of and/or access to TennCare covered services provided by the CONTRACTOR, which the CONTRACTOR is assisting TENNCARE with resolving.  - 2.30.22.3.2.1 The CONTRACTOR shall also provide a listing of all discrimination claims that are reported to the CONTRACTOR that are claimed to be related to the provision of and/or access to TennCare covered services provided by the CONTRACTOR. This listing shall include, at a minimum: identity of the person making the report, the person's relationship to the CONTRACTOR, circumstances of the report, type of covered service related to the report, date of the report, the CONTRACTOR's resolution, and date of resolution. A.2.30.23 Terms and Conditions Reports

- 2.30.23.1 Quarterly, by January 30, April 30, July 30, and October 30 each year the CONTRACTOR shall make written disclosure regarding conflict of interest that includes the elements in Section E.28.
- 2.30.23.2 Pursuant to Section D.8, on a semi-annual basis the CONTRACTOR shall submit the attestation in Attachment X.

SECTION B CONTRACT PERIOD:

- B.1 This Contract shall be effective for the period beginning January 1, 2014, and ending on December 31, 2016. The Middle Tennessee region is scheduled to have implementation of services effective January 1, 2015. Implementation dates for West and East Tennessee will be determined by the State and shared with the contractors within one month of announcement of the winning proposers. In no case will these implementation dates be earlier than January 1, 2015 or later than January 1, 2016.
- B.2 Term Extension. The State reserves the right to extend this Contract for an additional period or periods of time representing increments of no more than one year and a total contract term of no more than eight (8) years, provided that such an extension of the contract term is effected prior to the current, contract expiration date by means of a contract amendment. If a term extension necessitates additional funding beyond that which was included in the original Contract, an increase of the State's maximum liability will also be effected through contract amendment, and shall be based upon payment rates provided in the original Contract.

SECTION C PAYMENT TERMS AND CONDITIONS:

C.1 MAXIMUM LIABILITY

- C.1.1 In no event shall the maximum liability of the State under this Contract exceed Three Billion Seven Hundred Seventy-Five Million Three Hundred Thirty-One Thousand Eight Hundred Dollars (\$3,775,331,800.00). The payment methodology in section C.3 shall constitute the entire compensation due the CONTRACTOR for all service and CONTRACTOR obligations hereunder regardless of the difficulty, materials or equipment required. The payment method or rates include, but are not limited to, all applicable taxes, fees, overheads, and all other direct and indirect costs incurred or to be incurred by the CONTRACTOR.

The CONTRACTOR is not entitled to be paid the maximum liability for any period under the Contract or any extensions of the Contract for work not requested by the State. The maximum liability represents available funds for payment to the CONTRACTOR and does not guarantee payment of any such funds to the CONTRACTOR under this Contract unless the State requests work and the CONTRACTOR performs said work. In which case, the CONTRACTOR shall be paid in accordance with the payment rates detailed in section C.3. The State is under no obligation to request work from the CONTRACTOR in any specific dollar amounts or to request any work at all from the CONTRACTOR during any period of this Contract.

- C.1.2 If the Contract maximum would be exceeded as a result of an increase in enrollment, a change in mix of enrollment among rate cells or any rate adjustment pursuant to Section C.3.4, the State shall adjust the Contract maximum liability to accommodate the aforementioned circumstances. This adjustment shall be based on consultation with the State's independent actuary.
- C.1.3 This Contract does not obligate the State to pay a fixed minimum amount and does not create in the CONTRACTOR any rights, interests or claims of entitlement in any funds.
- C.1.4 The CONTRACTOR is not entitled to be paid the maximum liability for any period under the Contract or any extensions of the Contract. The maximum liability represents available funds for payment to the CONTRACTOR and does not guarantee payment of these funds to the CONTRACTOR under this Contract.

C.2 COMPENSATION FIRM

- C.2.1 The capitation rates and the Maximum Liability of the State under this Contract are firm for the duration of the Contract and are not subject to escalation for any reason unless amended, or changed by the Notice specified in Section C.3.4.2 of this Contract.

C.3 PAYMENT METHODOLOGY

C.3.1 GENERAL

- C.3.1.1 The CONTRACTOR shall be compensated based on the payment rates herein for units of service authorized by the State in a total amount not to exceed the Contract Maximum Liability established in section C.1.

C.3.1.2 TENNCARE shall make monthly payments to the CONTRACTOR for its satisfactory performance and provision of covered services under this Contract. Capitation rates shall be paid according to the methodology as described in this Contract.

C.3.1.3 The CONTRACTOR agrees that capitation payments, any payments related to processing claims for services incurred prior to the start date of operations pursuant to Section C.3.7.1.2.1, any payments for claims incurred during a period of retroactive eligibility greater than twelve (12) months prior to the member's date of enrollment with the CONTRACTOR, and any incentive payments (if applicable) are payment in full for all services provided pursuant to this Contract. TENNCARE shall not reimburse CONTRACTOR for any costs, liquidated damages and/or penalties incurred by the CONTRACTOR and which result from actions or inactions, including penalties associated with CONTRACTOR's failure to timely pay any and all expenses, fees, taxes and other regulatory/ministerial costs associated with the requirements of operating as an HMO in this state. The taxes, fees, expenses, and other regulatory/ministerial costs referenced herein shall include but not be limited to premium taxes associated with any and all obligations required by the Tennessee Health Maintenance Organization Act of 1986 codified at TCA 56-32-101 *et seq.* or any subsequent amendments thereto and/or the Tennessee Prepaid Limited Health Services Act of 2000 codified at TCA 56-51-101 *et seq.* or any subsequent amendments thereto. TENNCARE shall not share with the CONTRACTOR any financial losses realized under this Contract.

C.3.2 **ANNUAL ACTUARIAL STUDY**

In accordance with TCA 71-5-188, the State will retain a qualified actuary to conduct an annual actuarial study of the TennCare program. The CONTRACTOR shall provide any information requested and cooperate in any manner necessary as requested by TENNCARE in order to assist the State's actuary with completion of the annual actuarial study.

C.3.3 **CAPITATION PAYMENT RATES**

C.3.3.1 The CONTRACTOR will be paid a base capitation rate for each enrollee based on the enrollee's rate category. Rate categories are based on various factors, including the enrollee's enrollment in CHOICES, category of aid, age/sex combination and the Grand Region served by the CONTRACTOR under this Contract. TENNCARE shall take Third Party Liability (TPL) into account in the development of capitation rates consistent with this Contract (Section A.2.21.4 and the definition of Medical Expenses described herein). This recognizes that it is the CONTRACTOR that is primarily responsible for TPL recoveries and that medical claims experience used for rate setting is net of any TPL recoveries of subrogation activities. The rate categories and the specific rates associated with each rate category are specified in Attachment XII.

3.3.1.1 The capitation payment for MFP participants who must also be enrolled in CHOICES will be the applicable CHOICES capitation payment. There will be no add-on for MFP participants.

- C.3.3.2 The major aid categories are as follows:
- 3.3.2.1 Medicaid;
 - 3.3.2.2 Uninsured/Uninsurable;
 - 3.3.2.3 Disabled - The disabled rate is only for those enrollees who are eligible for Medicaid as a result of a disability; and
 - 3.3.2.4 Duals/Waiver Duals - For the purpose of capitation rates, Duals/Waiver Duals are TennCare Medicaid or TennCare Standard enrollees who have Medicare eligibility.
- C.3.3.3 TENNCARE will determine the appropriate rate category to which each enrollee is assigned for payment purposes under this Contract.
- C.3.3.4 TENNCARE's assignment of an enrollee to a rate category is for payment purposes under this Contract, only, and is not an "adverse action" or determination of the benefits to which an enrollee is entitled under the TennCare program, TennCare rules and regulations, TennCare policies and procedures, the TennCare waiver or relevant court orders or consent decrees.
- C.3.4 **CAPITATION RATE ADJUSTMENT**
- C.3.4.1 The CONTRACTOR and TENNCARE agree that the capitation rates described in Section C.3 of this Contract may be adjusted periodically.
- C.3.4.2 The CONTRACTOR and TENNCARE further agree that adjustments to capitation rates shall occur only by written notice from TENNCARE to the CONTRACTOR and followed up with Contract amendment. The notice will be given at least thirty (30) calendar days before the new rates are paid. Should the CONTRACTOR refuse to continue this Contract under the new rates, the CONTRACTOR then may activate the Termination provisions contained in Section E.14.7 of this Contract. During the six (6) month Termination Notice period the CONTRACTOR will continue to be paid under the new rates. In the event the CONTRACTOR indicates that it is refusing to accept the new rates, but does not choose to institute Termination proceedings under Section E.14.7 of this Contract then the State may at its option:
- 3.4.2.1 Declare that a public exigency exists under Section E.12 of this Contract. If the State makes this declaration the CONTRACTOR will continue to be paid under the new rates,
 - 3.4.2.2 Declare that the Contract is Terminated for Convenience in whole or in part (one or more Grand Regions) under the provisions of Section E.14.6 and D.3. of this Contract. If the State makes this declaration the CONTRACTOR will continue to be paid under the new rates for the period of time until the Termination date.

- C.3.4.3 The base capitation rates shall be adjusted by the State for health plan risk in accordance with the following:
- 3.4.3.1 Health plan risk assessment scores will be initially calibrated after current TennCare enrollees are assigned to the MCOs for retroactive application to payment rates effective on the start date of operations. This initial calibration will be based upon the distribution of enrollment on the start date of operations and health status information will be derived from encounter data submitted to TENNCARE by MCOs serving the Grand Region through the most recent twelve (12) month period deemed appropriate by the State's actuary.
 - 3.4.3.2 Health plan risk assessment scores will be calibrated annually based upon health status information derived from encounter data submitted to TENNCARE by MCOs serving the Grand Region through the most recent twelve (12) month period deemed appropriate by the State's actuary.
 - 3.4.3.3 TENNCARE will calibrate health plan risk assessment scores on an ongoing basis for the purpose of monitoring shifts in enrollment. If warranted prior to the next scheduled annual calibration as demonstrated by a significant change in health plan risk assessment scores, TENNCARE may adjust the original base capitation rates as subsequently adjusted for all MCOs.
 - 3.4.3.4 In addition to the annual calibration of risk adjustment factors, those factors will be updated when there is a significant change in program participation. This may occur when an MCO is removed from a Grand Region. If an MCO is removed from a Grand Region, that MCO's membership may be temporarily distributed to TennCare Select or distributed to the remaining MCOs or to new MCOs. New risk adjustment values for the remaining MCOs or new MCO(s) will be calculated that consider the population that will be enrolled in the MCO for the remainder of the contract year only. In this instance, MCOs would be given the option to provide TENNCARE, in writing, with a six (6) months notice of termination in accordance with Section E.14.7.2. This notice option is not available for rate adjustments as described in Sections C.3.4.3.1 through C.3.4.3.3.
 - 3.4.3.5 An individual's health status will be determined in accordance with a methodology established or adopted by TENNCARE and described in protocols developed by TENNCARE.
 - 3.4.3.6 For CHOICES members, only the non-long-term care component of the base capitation rate will be adjusted for health plan risk. The long-term care component of the base capitation rate will not be adjusted for health plan risk. The long-term care component of the base capitation rate will be adjusted in accordance with a methodology established or adopted by TENNCARE and described in protocols developed by TENNCARE.
- C.3.4.4 In addition to other adjustments specified in Section C.3.4 of this Contract, the capitation rates shall be adjusted annually for inflation in accordance with the recommendation of the State's actuary.

- C.3.4.5 If (i) changes are required pursuant to federal or state statute, federal regulations, the action of a federal agency, a state or federal court, or rules and regulations of a State of Tennessee agency other than the TennCare Bureau and (ii) the changes are likely to impact the actuarial soundness of the capitation rate(s) described in Section C.3.2, as determined by TENNCARE, TENNCARE shall have its independent actuary review the required change and determine whether the change would impact the actuarial soundness of the capitation rate(s). If TENNCARE's independent actuary determines that the change would impact the actuarial soundness of one or more of the capitation rates, the actuary shall determine the appropriate adjustment to the impacted capitation rate(s).
- C.3.4.6 In the event TENNCARE amends TennCare rules or regulations or initiates a policy change not addressed in Section C.3.4.5 above that is likely to impact the capitation rate(s) described in Section C.3.4, as determined by TENNCARE, TENNCARE shall have its independent actuary review the proposed change and determine whether the change would impact the actuarial soundness of the capitation rate(s). If TENNCARE's independent actuary determines that the change would impact the actuarial soundness of one or more of the capitation rates, the actuary shall determine the appropriate adjustment to the impacted capitation rate(s).
- C.3.4.7 With respect to Post Eligibility Treatment of Income (PETI), TENNCARE will perform a review of patient liability experience to determine remaining liability that had not been addressed in the managed care rate setting process. If additional adjustments are necessary, the adjustments will be made on a periodic basis to assure the correct application of federal funds.
- C.3.4.8 In the event the amount of the six percent (6%) premium tax is increased or decreased during the term of this Contract, the payments shall be increased or decreased by an amount equal to the increase/decrease in premium payable by the CONTRACTOR.
- C.3.4.9 Any rate adjustments shall be subject to the availability of state appropriations.

C.3.5 CAPITATION PAYMENT SCHEDULE

TENNCARE shall make payment by the fifth (5th) business day of each month to the CONTRACTOR for the CONTRACTOR's satisfactory performance of its duties and responsibilities as set forth in this Contract.

C.3.6 CAPITATION PAYMENT CALCULATION

- C.3.6.1 When eligibility has been established by the State for enrollees, the amount owed to the CONTRACTOR shall be calculated as described herein.
- C.3.6.2 Each month payment to the CONTRACTOR shall be equal to the number of enrollees enrolled in the CONTRACTOR's MCO five (5) business days prior to the date of the capitation payment multiplied by the appropriate capitation rate(s) for the enrollee.
- C.3.6.3 The capitation rates stated in Attachment XII will be the amounts used to determine the amount of the monthly capitation payment.
- C.3.6.4 The actual amount owed the CONTRACTOR for each member shall be determined by dividing the appropriate monthly capitation rate(s) by the number of days in the month and then multiplying the quotient of this transaction by the actual number of days the member was enrolled in the CONTRACTOR's MCO.

- C.3.6.5 The amount paid to the CONTRACTOR shall equal the total of the amount owed for all enrollees determined pursuant to Section C.3.6.4 less the withhold amount (see Section C.3.9), capitation payment adjustments made pursuant to Section C.3.7 or C.3.12, and any other adjustments, which may include withholds for penalties, damages, liquidated damages, or adjustments based upon a change of enrollee status.

C.3.7 CAPITATION PAYMENT ADJUSTMENTS

- C.3.7.1 The State has the discretion to retroactively adjust the capitation payment for any enrollee if TENNCARE determines an incorrect payment was made to the CONTRACTOR; provided, however:

3.7.1.1 For determining the capitation rate(s) only, each Grand Region being served by the enrollee's MCO under this Contract will be used to determine payment. The capitation payment shall not be retroactively adjusted to reflect a different Grand Region of residence so long as the enrollee's MCO assignment is effective.

3.7.1.2 For individuals enrolled with a retroactive effective date on the date of enrollment, the payment rate for retroactive periods shall be the capitation rate(s) for the applicable rate category and the Grand Region in which the enrollee's assigned MCO is operating under this Contract as specified in Attachment XII, except that:

3.7.1.2.1 The CONTRACTOR agrees to manually process claims and reimburse providers for services incurred prior to the start date of operations of this Contract; however, the CONTRACTOR will not be at risk for these services. The CONTRACTOR shall be paid two dollars (\$2.00) per claim as reimbursement for processing claims for services incurred prior to the start date of operations. Actual expenditures for covered services and the allowed amount for claims processing are subject to TCA 56-32-124. The CONTRACTOR shall negotiate provider reimbursement subject to TENNCARE prior written approval and prepare checks for payment of providers for the provision of covered services incurred during an enrollee's period of eligibility prior to the start date of operations on an as needed basis. The CONTRACTOR shall notify the State of the amount to be paid in a mutually acceptable form and format at least forty-eight (48) hours in advance of distribution of any provider payment related to this requirement. TENNCARE shall remit payment to the CONTRACTOR in an amount equal to: the amount to be paid to providers; plus, two dollars (\$2.00) per claim processed by the CONTRACTOR; plus, an amount sufficient to cover any payment due in accordance with TCA 56-32-124 within forty-eight (48) hours of receipt of notice. The CONTRACTOR shall then release payments to providers within twenty-four (24) hours of the receipt of funds from the State. The CONTRACTOR is responsible for any payments required pursuant to TCA 56-32-124.

3.7.1.2.2 The CONTRACTOR will not receive a capitation payment for periods of retroactive eligibility greater than twelve (12) months prior to the member's date of enrollment with the CONTRACTOR. The CONTRACTOR agrees to process claims and reimburse providers for services incurred during a period of retroactive eligibility more than twelve (12) months prior to the member's date of enrollment with the CONTRACTOR; however, the CONTRACTOR will not be at risk for these services. Actual expenditures for covered services are subject to TCA 56-32-124. The CONTRACTOR shall reimburse providers in accordance with this Contract and shall submit to TENNCARE on a monthly basis a claims invoice file for the provision of covered services incurred during an enrollee's period of retroactive eligibility greater than twelve (12) months prior to the member's date of enrollment with the CONTRACTOR. TENNCARE shall remit payment to the CONTRACTOR in an

amount equal to: the amount to be paid to providers; plus, an amount sufficient to cover any payment due in accordance with TCA 56-32-124 within ten (10) business days of receipt of notice; however, TENNCARE reserves the right to further review such claims and to recover any overpayments subsequently identified. The CONTRACTOR shall release payments to providers within two (2) business days of the receipt of funds from the State. The CONTRACTOR is responsible for any payments required pursuant to TCA 56-32-124. Based on the provisions herein, TENNCARE shall not make any further retroactive adjustments, other than those described herein.

- 3.7.1.3 If a provider seeks reimbursement for a service provided during a retroactive period of eligibility, the CONTRACTOR shall assess cost sharing responsibilities in accordance with the cost sharing schedules in effect on the date of service for which reimbursement is sought (see Attachment II) and collect patient liability from CHOICES members as applicable (see Sections A.2.6.7 and A.2.21.5).
- 3.7.1.4 Should TENNCARE determine after the capitation payment is made that an enrollee's capitation rate category had changed or the enrollee was deceased, TENNCARE shall retroactively adjust the payment to the CONTRACTOR as follows:
 - 3.7.1.4.1 If an enrollee is deceased, TENNCARE shall recoup any and all capitation payments made after the enrollee's date of death, including any pro-rated share of a capitation payment intended to cover dates of service after the enrollee's date of death.
 - 3.7.1.4.2 If an enrollee's capitation rate category has changed, TENNCARE shall retroactively adjust the payment to the CONTRACTOR to accurately reflect the enrollee's capitation rate category for the period for which payment has been made, up to a maximum of twelve (12) months. For changes in an enrollee's eligibility category covering a retroactive period greater than twelve (12) months that affect an enrollee's capitation rate category, the capitation payment made to the CONTRACTOR for periods greater than twelve (12) months shall not be adjusted, and the CONTRACTOR shall consider the capitation payment already received as payment in full. Based on the provisions herein, TENNCARE shall not make any further retroactive adjustments, other than those described herein.
 - 3.7.1.4.3 TENNCARE and the CONTRACTOR agree that the twelve (12) month limitation described in Section C.3.7.1.4 is applicable only to retroactive capitation rate payment adjustments described in those paragraphs and shall in no way be construed as limiting the effective date of eligibility or enrollment in the CONTRACTOR's MCO.
- 3.7.1.5 The CONTRACTOR shall not be entitled to a CHOICES capitation payment for any calendar month during which a CHOICES member does not receive nursing facility services or ongoing CHOICES HCBS, except under extenuating circumstances which must be reported to TENNCARE on the CHOICES Utilization Report. Acceptable extenuating circumstances may include, but are not limited to, a member's temporary hospitalization or temporary receipt of Medicare-reimbursed skilled nursing facility care. The determination that the CONTRACTOR is not entitled to a CHOICES capitation payment shall be made by TENNCARE based on information provided in monthly CHOICES Utilization Reports and/or upon review and analysis of the CONTRACTOR's encounter data. For any month in which the CONTRACTOR is not entitled to the CHOICES capitation payment, the capitation

payment will be retroactively adjusted to reflect the appropriate non-CHOICES capitation rate applicable for that month.

- 3.7.1.6 The effective date of the CHOICES capitation payment may be retroactively adjusted by TENNCARE in any instance in which the CONTRACTOR fails to initiate nursing facility services or ongoing CHOICES HCBS within the timeframes prescribed in Section A.2.9.6, in which case, the effective date of the CHOICES capitation payment will be the date of initiation of nursing facility or ongoing HCBS.
- 3.7.1.7 The CONTRACTOR shall, at TENNCARE's discretion and pursuant to policies or protocols established by TENNCARE, participate in a periodic capitation reconciliation process regarding CHOICES capitation payments to verify the receipt of nursing facility services or ongoing HCBS during each month that a CHOICES capitation payment was made, and to adjust the capitation payment for all months during which such services were not provided to the member, except under specific circumstances defined by TENNCARE in policies and protocols. Such reconciliation process shall be conducted based on encounters submitted to TENNCARE by the CONTRACTOR pursuant to Section A.2.23.4 of this Contract.
- 3.7.1.8 Payment adjustments resulting in a reduction or increase of the capitation rate shall be accomplished through the monthly capitation reconciliation process, or pursuant to other processes as established by TENNCARE.

C.3.8 SERVICE DATES

Except where required by this Contract or by applicable federal or state law, the CONTRACTOR shall not make payment for the cost of any services provided prior to the effective date of eligibility in the CONTRACTOR's MCO. The CONTRACTOR shall make payment for the cost of any covered services obtained on or after 12:01 a.m. on the effective date of eligibility in the CONTRACTOR's MCO.

C.3.9 WITHHOLD OF THE CAPITATION RATE

- C.3.9.1 A withhold of the aggregate capitation payment shall be applied to ensure CONTRACTOR compliance with the requirements of this Contract and to provide an agreed incentive for assuring CONTRACTOR compliance with the requirements of this Contract. The withhold as described herein shall be applied by Grand Region and may be retained by Grand Region or statewide based upon specific deficiencies as determined by TENNCARE.
- C.3.9.2 The amount due for the first monthly payment, and for each month thereafter, calculated pursuant to Section C.3.6 shall be reduced by the appropriate cash flow withhold percentage amount and set aside for distribution to the CONTRACTOR in the next regular monthly payment, unless retained as provided below.
 - 3.9.2.1 Except as further provided below, the applicable capitation payment withhold amount will be equivalent to ten percent (10%) of the monthly capitation payment for the first six months following the start date of operations, and for any consecutive six (6) month period following the CONTRACTOR's cure of a deficiency as determined by TENNCARE;
 - 3.9.2.2 If, during any consecutive six (6) month period following the start date of operations, TENNCARE determines that the CONTRACTOR has no deficiencies and has not issued a notice of deficiency, the monthly withhold amount will be reduced to five percent (5%) of the monthly capitation payment.

- 3.9.2.3 If, during any consecutive six (6) month period following a reduction of the monthly withhold amount to five percent (5%) of the monthly capitation payment, TENNCARE determines that the CONTRACTOR has no deficiencies and has not issued a notice of deficiency, the monthly withhold amount will be reduced to two and one half percent (2.5%) of the monthly capitation payment.
- 3.9.2.4 If the CONTRACTOR is notified by TENNCARE of a minor deficiency and the CONTRACTOR cures the minor deficiency to the satisfaction of TENNCARE within a reasonable time prior to the next regularly scheduled capitation payment cycle, TENNCARE may disregard the minor deficiency for purposes of determining the withhold.
- 3.9.2.5 If TENNCARE has determined the CONTRACTOR is not in compliance with a requirement of this Contract in any given month, TENNCARE may issue a written notice of deficiency and TENNCARE may retain the amount withheld for the month prior to TENNCARE identifying the compliance deficiencies.
- 3.9.2.6 The withhold amounts for subsequent months thereafter in which the CONTRACTOR has not cured the deficiencies may at TENNCARE's discretion be applied in accordance with Section C.3.9.2.1 as described above. If the CONTRACTOR has attained a five percent (5%) withhold or a two and one half percent (2.5%) withhold and TENNCARE subsequently determines the CONTRACTOR is not in compliance with a requirement of this Contract, TENNCARE may provide written notice of such determination and TENNCARE may, at the discretion of TENNCARE, re-institute the retention of the ten percent (10%) withhold as described in Section C.3.9.2.1 at the next capitation payment cycle. Monthly retention of the withhold amount may continue for each subsequent month so long as the identified deficiencies have not been corrected.
- 3.9.2.6.1 These funds may not be distributed to the CONTRACTOR unless it is determined by TENNCARE the CONTRACTOR has come into compliance with the Contract requirement(s) within six (6) months of TENNCARE identifying these deficiencies. For example, if a specified deficiency(s) is corrected within four (4) months and there are no other identified deficiencies which the CONTRACTOR has been given written notice of by TENNCARE, the withhold for the four (4) consecutive months will be paid to the CONTRACTOR upon TENNCARE determination that the deficiency(s) was corrected. However, any amounts withheld by TENNCARE for six (6) consecutive months (i.e., six (6) consecutive capitation payment cycles) for the same or similar compliance deficiency(s) may be permanently retained by TENNCARE on the first day after the sixth consecutive month period and may not be paid to the CONTRACTOR. For purposes of permanent retention of the withhold amount, six (6) consecutive months shall be calculated from the date the withhold amount was initially retained and shall not be based on the date of the notice of deficiency or the date of notification of the withhold retention. If the same or similar specified deficiency(s) continues beyond six (6) consecutive months, TENNCARE may declare the MCO ineligible for future distribution of the ten percent (10%) incentive withhold and may continue to permanently retain any amounts withheld by TENNCARE for six (6) consecutive months. Such ineligibility will continue for each month TENNCARE determines the same or similar specified deficiency(s) continues to exist. Once a CONTRACTOR corrects the deficiency(s), TENNCARE may reinstate the MCO's eligibility for distribution of the ten percent (10%) compliance incentive payment of future withholds. If TENNCARE determines that distribution of the ten percent (10%) withhold is appropriate, distribution of the ten percent (10%)

shall be made at the time of the next scheduled monthly check write which includes all other payments due the CONTRACTOR.

C.3.9.3 No interest shall be due to the CONTRACTOR on any sums withheld or retained under this Section. The provisions of this Section may be invoked alone or in conjunction with any other remedy or adjustment otherwise allowed under this Contract.

C.3.9.4 If TENNCARE has not identified CONTRACTOR deficiencies, TENNCARE will pay to the CONTRACTOR the withhold of the CONTRACTOR's payments withheld in the month subsequent to the withhold.

C.3.10 **PAY-FOR-PERFORMANCE QUALITY INCENTIVE PAYMENTS**

C.3.10.1 **General**

3.10.1.1 TENNCARE will make incentive payments to the CONTRACTOR in accordance with this Section C.3.10.

3.10.1.2 Pursuant to 42 CFR 438.6, the total of all payments made to the CONTRACTOR for a year shall not exceed one hundred and five percent (105%) of capitation payments made to the CONTRACTOR.

3.10.1.3 In the first year that the incentives are available, the TennCare regional average HEDIS score (as calculated by TENNCARE using audited MCO HEDIS results) for each of the measures specified by TENNCARE for the last full calendar year prior to the year that the CONTRACTOR began operating under this Contract will serve as the baseline. If complete TennCare HEDIS data for these measures is not available for the region for the year prior to the year that the CONTRACTOR began operating under this Contract, then the last year for which complete data is available will serve as the baseline. Beginning with Reporting Year 2016, the following measures will be used for incentives through reporting year 2018. The measures are the following HEDIS measures and one EPSDT measure:

3.10.1.3.1 Timeliness of Prenatal Care;

3.10.1.3.2 Postpartum Care;

3.10.1.3.3 Medication Management for People with Asthma – seventy five percent (75%) measure;

3.10.1.3.4 Diabetes- Nephropathy, retinal exam, and BP <140/90;

3.10.1.3.5 Follow-up Care for Children Prescribed ADHD medication-initiation phase;

3.10.1.3.6 Follow-up Care for Children Prescribed ADHD Medication – continuation phase. Both initiation and continuation measures have to be calculated in order to receive quality incentive payment;

3.10.1.3.7 Adolescent well-care visits;

3.10.1.3.8 Immunizations for Adolescents – Combo 1;

3.10.1.3.9 Antidepressant Medication Management – acute and continuation;

3.10.1.3.10 EPSDT screening ratio ninety percent (90%) or above.

3.10.1.4 If NCQA makes changes in any of the measures selected by TENNCARE, such that valid comparison to prior years will not be possible, TENNCARE, at its sole discretion, may elect to either eliminate the measure from pay-for-performance incentive eligibility or replace it with another measure.

C.3.10.2 HEDIS Measures

3.10.2.1 Beginning the third year of operations, on July 1 of each year, the CONTRACTOR will be eligible for a \$.03 PMPM payment, applied to member months from the preceding calendar year, for each of the audited HEDIS measures in accordance with Section C.3.10.2.2 below (calculated from the preceding calendar year's data) for which significant improvement has been demonstrated. Significant improvement is defined using NCQA's minimum effect size change methodology (see Section C.3.10.3 below).

3.10.2.2 Incentive payments will be available for selected audited HEDIS measures as determined by TENNCARE following review and analysis of HEDIS plan-specific rates.

3.10.2.2.1 After the first full year of audited HEDIS measures, and each year thereafter, TENNCARE will notify the CONTRACTOR of the audited HEDIS measures that have been selected for eligibility for the specified calendar year's Pay-For-Performance Quality Incentive Measures in each region for which the CONTRACTOR serves.

3.10.2.2.2 The annual notification will advise the CONTRACTOR of the calendar year being measured and the specifics that TENNCARE will use to determine eligibility for the Pay-For-Performance Quality Incentive Payments.

C.3.10.3 NCQA Minimum Effect Size Change Methodology

3.10.3.1 The NCQA minimum effect size change methodology is as follows:

Baseline Rate	Minimum Effect Size
0-59	At least a 6 percentage point change
60-74	At least a 5 percentage point change
75-84	At least a 4 percentage point change
85-92	At least a 3 percentage point change
93-96	At least a 2 percentage point change
97-99	At least a 1 percentage point change

C.3.11 MFP INCENTIVE PAYMENTS

C.3.11.1 Financial incentives will be paid to the CONTRACTOR based on activities performed as part of the MFP Rebalancing Demonstration and in accordance with the following:

3.11.1.1 Upon successful transition to the community of each MFP demonstration participant up to and including the MCO's established benchmark for the calendar year (or for a partial year at implementation, as applicable) – a one-time payment of \$1,000.

- 3.11.1.1.1 If a member has been enrolled in more than one MCO during the ninety (90)-day minimum stay in a Qualified Institution established under ADA, the incentive payment shall be awarded to the MCO in which the person is enrolled at transition to the community and enrollment into MFP.
- 3.11.1.2 Upon successful transition to the community of each MFP demonstration participant that exceeds the MCO's established benchmark for the calendar year (or for a partial year at implementation, as applicable) – a one-time payment of \$2,000.
 - 3.11.1.2.1 If a member has been enrolled in more than one MCO during the ninety (90)-day minimum stay in a Qualified Institution established under ADA, the incentive payment shall be awarded to the MCO in which the person is enrolled at transition to the community and enrollment into MFP.
- 3.11.1.3 Upon each MFP demonstration participant's completion of community living for the full 365-day demonstration participation period without readmission to a nursing facility (excluding short-term SNF stays solely for purposes of receiving post-hospital short-term rehabilitative services covered by Medicare), a one-time payment of \$5,000.
 - 3.11.1.3.1 If a member has been enrolled in more than one MCO during the 365-day participation period in MFP, a pro-rated portion of the incentive payment shall be awarded to each MCO based on the number of days the member was enrolled in each plan. Only days included in the 365-day participation period shall be counted and not any days during which MFP participation was suspended during an inpatient facility stay.
- 3.11.1.4 Upon achievement of only one (1) of the remaining MFP program benchmarks 2-5 for each calendar year of the demonstration (or for a partial year at implementation, as applicable), a one-time payment of \$10,000 per MCO (this payment shall be pro-rated for any partial year).
- 3.11.1.5 Upon achievement of only two (2) remaining MFP program benchmarks 2-5 for each calendar year of the demonstration (or for a partial year at implementation, as applicable), a one-time payment of \$25,000 per MCO (this payment shall be pro-rated for any partial year).
- 3.11.1.6 Upon achievement of only three (3) remaining MFP program benchmarks 2-5 for each calendar year of the demonstration (or for a partial year at implementation, as applicable), a one-time payment of \$50,000 per MCO (this payment shall be pro-rated for any partial year).
- 3.11.1.7 Upon achievement of all four (4) of the remaining MFP program benchmarks 2-5 for each calendar year of the demonstration (or for a partial year at implementation, as applicable), a one-time payment of \$100,000 per MCO (this payment shall be pro-rated for any partial year).

- C.3.11.2 The CONTRACTOR shall be eligible to receive only one incentive payment pertaining to benchmarks #s 2-5 which shall depend on the total number of benchmarks which the CONTRACTOR meets or exceeds. These incentive payments are not cumulative.
- C.3.11.3 MFP incentive payments pertaining to benchmark #1 shall be payable semi-annually within sixty (60) days following the end of each semi-annual reporting period for activities performed during the semi-annual period.
- C.3.11.4 The MFP incentive payments pertaining to benchmark #s 3-5 (which shall depend on the total number of these benchmarks which the CONTRACTOR meets or exceeds) shall be payable within sixty (60) days following the end of each calendar year for activities performed during the year.

C.3.12 EFFECT OF DISENROLLMENT ON CAPITATION PAYMENTS

- C.3.12.1 Payment of capitation payments shall cease effective the date of the member's disenrollment from the CONTRACTOR's MCO, and the CONTRACTOR shall have no further responsibility for the care of the enrollee. Except for situations involving enrollment obtained by fraudulent applications or death, disenrollment from TennCare shall not be made retroactively.

C.3.12.2 Fraudulent Enrollment

- 3.12.2.1 In the case of fraudulent, misrepresented or deceptive applications submitted by the enrollee, the CONTRACTOR, at its discretion, may refund to TENNCARE all capitation payments made on behalf of persons who obtained enrollment in TennCare through such means and the CONTRACTOR may pursue full restitution for all payments made on behalf of the individual while the person was inappropriately enrolled in the CONTRACTOR's MCO.
- 3.12.2.2 In the event of enrollment obtained by fraud, misrepresentation or deception by the CONTRACTOR's staff, officers, employees, providers, volunteers, subcontractors, or anyone acting for or on behalf of the CONTRACTOR, TENNCARE may retroactively recover capitation amounts plus interest, as allowed by TCA 47-14-103, and any other monies paid to the CONTRACTOR for the enrollment of that individual. The refund of capitation payments plus interest will not preclude the State from exercising its right to criminal prosecution, civil penalties, trebled damages and/or other remedial measures.

C.3.13 HMO PAYMENT TAX

The CONTRACTOR shall be responsible for payment of applicable taxes for all payments received under this Contract pursuant to TCA 56-32-124. In the event the amount due pursuant to TCA 56-32-124 is increased during the term of this Contract, the payments to the CONTRACTOR shall be increased by an amount equal to the increase in the amount due by the CONTRACTOR.

C.3.14 HEALTH INSURER FEE

- C.3.14.1 The CONTRACTOR and TENNCARE acknowledge that the CONTRACTOR is subject to a Health Insurer Fee (HIF) imposed by the federal government under the Patient Protection and Affordable Care Act (PPACA) of 2010. The CONTRACTOR is responsible for payment of a percentage of the Health Insurer Fee for all health insurance providers. The CONTRACTOR'S obligation is determined by the ratio of the CONTRACTOR'S net written premiums for the preceding year compared to the total net written premiums of all covered entities subject to the Health Insurer Fee for the same year.
- C.3.14.2 The amount of the Health Insurer Fee attributable to the CONTRACTOR and attributable to the CONTRACTOR'S premiums under this Contract could affect the actuarial soundness of the premiums received by the CONTRACTOR from TENNCARE for the period during which the Health Insurer Fee is assessed. To preserve the actuarially sound capitation rate payments, TENNCARE shall reimburse the CONTRACTOR for the amount of the Health Insurer Fee, including an actuarially sound adjustment for the estimated impact of the non-deductibility of the Health Insurer Fee for Federal and State tax purposes, specifically attributable to the CONTRACTOR'S TENNCARE membership.
- C.3.14.3 The monthly capitation rates will be paid excluding the amount for the Health Insurer Fee. Once the CONTRACTOR'S Health Insurer Fee amount is known, TENNCARE will determine the amount this is as a percent of the capitation rates paid in the previous fiscal year using the aggregate member months for the fiscal year as of the July following the fiscal year and the capitation rates paid for the fiscal year. TENNCARE will then calculate the amount owed to the CONTRACTOR, including any adjustments for Federal and State taxes, in aggregate for the 12 month fiscal year and pay the capitation adjustment as a single payment. The amount attributable to the CONTRACTOR'S TENNCARE membership shall be determined based on the CONTRACTOR'S final Form 8963 filing, the final notification of the Health Insurer Fee amount owed by the CONTRACTOR received from the United States Internal Revenue Service, and supporting documentation from the CONTRACTOR as requested by TENNCARE.
- C.3.14.4 TENNCARE shall complete its calculation of the amount owed to the CONTRACTOR within ninety (90) days of its receipt of the final notification and supporting documentation from the CONTRACTOR. Payment is contingent on the availability of State funds and CMS approval of the capitation rates including the Health Insurer Fee adjustment. Capitation rates excluding the Health Insurer Fee adjustment will be included in the contracts and, following payment of the amount owed to the CONTRACTOR, separate rates will be added that contain the capitation rate adjustment to reflect the Health Insurer Fee.

C.3.15 PAYMENT FOR DISTRIBUTION TO TENNCARE'S PBM

- C.3.15.1 TENNCARE shall make a payment to the CONTRACTOR in an amount equal to the invoice that is billed to the CONTRACTOR by the TennCare PBM. The CONTRACTOR shall make payment to the TennCare PBM no later than the Friday following receipt of the payment from TENNCARE unless extended by TENNCARE due to unforeseen circumstances or bank holidays. This payment is not considered a part of the CONTRACTOR's capitation payment and shall not be subject to the withhold described in Section C.3.9 of this Contract.

C.4 TRAVEL COMPENSATION

- C.4.1 The CONTRACTOR shall not be compensated or reimbursed for travel, meals, or lodging.

C.5 RETURN OF FUNDS AND DEDUCTIONS

- C.5.1 In accordance with the Affordable Care Act and TennCare policy and procedures, the CONTRACTOR shall report overpayments and, when it is applicable, return overpayments to TENNCARE within sixty (60) days from the date the overpayment is identified by the CONTRACTOR. Overpayments that are not returned within sixty (60) days from the date the overpayment was identified by the CONTRACTOR may result in a penalty pursuant to state or federal law.
- C.5.2 The CONTRACTOR shall refund to TENNCARE any overpayments due or funds disallowed pursuant to this Contract within thirty (30) calendar days of the date of written notification from TENNCARE, unless otherwise authorized by TENNCARE in writing.
- C.5.3 The State reserves the right to deduct from amounts which are or shall become due and payable to the CONTRACTOR under this or any agreement or contract between the CONTRACTOR and the State of Tennessee any amounts which are or shall become due and payable to the State of Tennessee by the CONTRACTOR.

C.6 PREREQUISITE DOCUMENTATION

- C.6.1 The CONTRACTOR shall not invoice the State under this Contract until the State has received the following documentation properly completed.
- C.6.1.1 The CONTRACTOR shall complete, sign, and present to the State an "Authorization Agreement for Automatic Deposit (ACH Credits) Form" provided by the State. By doing so, the CONTRACTOR acknowledges and agrees that, once said form is received by the State, all payments to the CONTRACTOR, under this or any other contract the CONTRACTOR has with the State of Tennessee shall be made by Automated Clearing House (ACH).
- C.6.1.2 The CONTRACTOR shall complete, sign, and present to the State a "Substitute W-9 Form" provided by the State. The taxpayer identification number detailed by said form must agree with the CONTRACTOR's Federal Employer Identification Number or Tennessee Edison Registration ID referenced in this Contract.
- C.6.1.3 The CONTRACTOR shall not be paid under this Contract until the CONTRACTOR has completed the appropriate forms and submitted them to the State.

SECTION D STANDARD TERMS AND CONDITIONS:

D.1 REQUIRED APPROVALS

The State is not bound by this Contract until it is signed by the contract parties and approved by appropriate officials in accordance with applicable Tennessee laws and regulations (depending upon the specifics of this contract, said officials may include, but are not limited to, the Commissioner of Finance and Administration, the Commissioner of Human Resources, and the Comptroller of the Treasury).

D.2 MODIFICATION AND AMENDMENT

This Contract may be modified only by a written amendment signed by all parties hereto and approved by both the officials who approved the base contract and, depending upon the specifics of the contract as amended, any additional officials required by Tennessee laws and regulations (said officials may include, but are not limited to, the Commissioner of Finance and Administration, the Commissioner of Human Resources, and the Comptroller of the Treasury).

D.3 TERMINATION FOR CONVENIENCE

The State may terminate this Contract without cause for any reason. Said termination shall not be deemed a breach of contract by the State. The State shall give the CONTRACTOR at least thirty (30) days written notice before the effective termination date. The CONTRACTOR shall be entitled to compensation for satisfactory, authorized service completed as of the termination date, but in no event shall the State be liable to the CONTRACTOR for compensation for any service which has not been rendered. Upon such termination, the CONTRACTOR shall have no right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

D.4 TERMINATION FOR CAUSE

If the CONTRACTOR fails to properly perform its obligations under this Contract in a timely or proper manner, or if the CONTRACTOR violates any terms of this Contract, the State shall have the right to immediately terminate the Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the above, the CONTRACTOR shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Contract by the CONTRACTOR.

D.5 SUBCONTRACTING

The CONTRACTOR shall not assign this Contract or enter into a subcontract for any of the services performed under this Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, each shall contain, at a minimum, sections of this Contract below pertaining to "Conflicts of Interest," "Nondiscrimination," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the CONTRACTOR shall be the prime contractor and shall be responsible for all work performed.

D.6 CONFLICTS OF INTEREST

The CONTRACTOR warrants that no part of the total Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the CONTRACTOR in connection with any work contemplated or performed relative to this Contract.

The CONTRACTOR acknowledges, understands, and agrees that this Contract shall be null and void if the CONTRACTOR is, or within the past six months has been, an employee of the State of Tennessee or if the CONTRACTOR is an entity in which a controlling interest is held by an individual who is, or within the past six months has been, an employee of the State of Tennessee.

D.7 NONDISCRIMINATION

The CONTRACTOR hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Contract or in the employment practices of the CONTRACTOR on the grounds of handicap or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The CONTRACTOR shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

D.8 PROHIBITION OF ILLEGAL IMMIGRANTS

The requirements of *Tennessee Code Annotated*, Section 12-4-124, *et seq.*, addressing the use of illegal immigrants in the performance of any Contract to supply goods or services to the state of Tennessee, shall be a material provision of this Contract, a breach of which shall be grounds for monetary and other penalties, up to and including termination of this Contract.

D.8.1 The CONTRACTOR hereby attests, certifies, warrants, and assures that the CONTRACTOR shall not knowingly utilize the services of an illegal immigrant in the performance of this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant in the performance of this Contract. The CONTRACTOR shall reaffirm this attestation, in writing, by submitting to the State a completed and signed copy of the document at Attachment X, hereto, semi-annually during the period of this Contract. Such attestations shall be maintained by the CONTRACTOR and made available to state officials upon request.

D.8.2 Prior to the use of any subcontractor in the performance of this Contract, and semi-annually thereafter, during the period of this Contract, the CONTRACTOR shall obtain and retain a current, written attestation that the subcontractor shall not knowingly utilize the services of an illegal immigrant to perform work relative to this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant to perform work relative to this Contract. Attestations obtained from such subcontractors shall be maintained by the CONTRACTOR and made available to state officials upon request.

D.8.3 The CONTRACTOR shall maintain records for all personnel used in the performance of this Contract. Said records shall be subject to review and random inspection at any reasonable time upon reasonable notice by the State.

D.8.4 The CONTRACTOR understands and agrees that failure to comply with this section will be subject to the sanctions of Tennessee Code Annotated, Section 12-4-124, et seq. for acts or omissions occurring after its effective date. This law requires the Commissioner of Finance and Administration to prohibit a contractor from contracting with, or submitting an offer, proposal, or bid to contract with the State of Tennessee to supply goods or services for a period of one year after a contractor is discovered to have knowingly used the services of illegal immigrants during the performance of this Contract.

D.8.5 For purposes of this Contract, "illegal immigrant" shall be defined as any person who is not either a United States citizen, a Lawful Permanent Resident, or a person whose physical presence in the United States is authorized or allowed by the federal Department of Homeland Security and who, under federal immigration laws and/or regulations, is authorized to be employed in the U.S. or is otherwise authorized to provide services under the Contract.

The financial statements shall be prepared in accordance with generally accepted accounting principles.

D.10 **PREVAILING WAGE RATES**

D.11 **MONITORING**

The CONTRACTOR's activities conducted and records maintained pursuant to this Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.

D.12 **PROGRESS REPORTS**

The CONTRACTOR shall submit brief, periodic, progress reports to the State as requested.

D.13 **STRICT PERFORMANCE**

Failure by any party to this Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Contract shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.

D.14 **INDEPENDENT CONTRACTOR**

The parties hereto, in the performance of this Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Contract shall be construed to create an employer/employee relationship or to allow either to exercise

control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The CONTRACTOR, being an independent contractor and not an employee of the State, agrees to carry adequate public liability and other appropriate forms of insurance, including adequate public liability and other appropriate forms of insurance on the CONTRACTOR's employees, and to pay all applicable taxes incident to this Contract.

D.15 STATE LIABILITY

The State shall have no liability except as specifically provided in this Contract.

D.16 FORCE MAJEURE

The obligations of the parties to this Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, natural disasters, riots, wars, epidemics, or any other similar cause.

D.17 STATE AND FEDERAL COMPLIANCE

The CONTRACTOR shall comply with all applicable State and Federal laws and regulations in the performance of this Contract.

D.18 GOVERNING LAW

This Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The CONTRACTOR agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Contract. The CONTRACTOR acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising therefrom, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.

D.19 COMPLETENESS

This Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.

D.20 SEVERABILITY

If any terms and conditions of this Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Contract are declared severable.

D.21 HEADINGS

Section headings of this Contract are for reference purposes only and shall not be construed as part of this Contract.

CONTRACTOR shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

E.4 TENNESSEE CONSOLIDATED RETIREMENT SYSTEM

The CONTRACTOR acknowledges and understands that, subject to statutory exceptions contained in *Tennessee Code Annotated*, Section 8-36-801, *et. seq.*, the law governing the Tennessee Consolidated Retirement System (TCRS), provides that if a retired member of TCRS, or of any superseded system administered by TCRS, or of any local retirement fund established pursuant to *Tennessee Code Annotated*, Title 8, Chapter 35, Part 3 accepts state employment, the member's retirement allowance is suspended during the period of the employment. Accordingly and notwithstanding any provision of this Contract to the contrary, the CONTRACTOR agrees that if it is later determined that the true nature of the working relationship between the CONTRACTOR and the State under this Contract is that of "employee/employer" and not that of an independent contractor, the CONTRACTOR, if a retired member of TCRS, may be required to repay to TCRS the amount of retirement benefits the CONTRACTOR received from TCRS during the period of this Contract.

E.5 TENNESSEE DEPARTMENT OF REVENUE REGISTRATION

The CONTRACTOR shall be registered with the Department of Revenue for the collection of Tennessee sales and use tax. This registration requirement is a material requirement of this Contract.

E.6 CONFIDENTIALITY OF INFORMATION

E.6.1 The CONTRACTOR shall comply with all state and federal law regarding information security and confidentiality of information. In the event of a conflict among these requirements, the CONTRACTOR shall comply with the most restrictive requirement.

E.6.2 All material and information, regardless of form, medium or method of communication, provided to the CONTRACTOR by the State or acquired by the CONTRACTOR pursuant to this Contract shall be regarded as confidential information in accordance with the provisions of state and federal law and ethical standards and shall not be disclosed, and all necessary steps shall be taken by the CONTRACTOR to safeguard the confidentiality of such material or information in conformance with state and federal law and ethical standards.

The CONTRACTOR shall not use any information so obtained in any manner except as necessary for the proper discharge of its obligations and securement of its rights under this Contract and in compliance with federal and state law.

E.6.4 All information as to personal facts and circumstances concerning members or potential members obtained by the CONTRACTOR shall be treated as privileged communications, shall be held confidential, and shall not be divulged without the written consent of TENNCARE or the member/potential member, provided that nothing stated herein shall prohibit the disclosure of information in summary, statistical, or other form which does not identify particular individuals. The use or disclosure of information concerning members/potential members shall be limited to purposes directly connected with the administration of this Contract and shall be in compliance with federal and state law.

E.7 INCORPORATION OF ADDITIONAL DOCUMENTS

Each of the following documents is included as a part of this Contract by reference. In the event of a discrepancy or ambiguity regarding the CONTRACTOR's duties, responsibilities, and performance under this Contract, these items shall govern in order of precedence below.

Forbearance, forgiveness, or indulgence in any other form or manner by either party in any regard whatsoever shall not constitute a waiver of the covenant, condition, duty, obligation, or undertaking to be kept, performed, or discharged by the party to which the same may apply. Until complete performance or satisfaction of all such covenants, conditions, duties, obligations, or undertakings, the other party shall have the right to invoke any remedy available under law or equity notwithstanding any such forbearance, forgiveness or indulgence.

The parties therefore acknowledge that the CONTRACTOR shall be subject to damages and/or sanctions as described below. It is further agreed that the CONTRACTOR shall pay TENNCARE liquidated damages as directed by TENNCARE; provided however, that if it is finally determined that the CONTRACTOR would have been able to meet the Contract requirements listed below but for TENNCARE's failure to perform as provided in this Contract, the CONTRACTOR shall not be liable for damages resulting directly therefrom.

BEHAVIORAL HEALTH SPECIALIZED SERVICE DESCRIPTIONS

The CONTRACTOR shall provide medically necessary mental health case management and psychiatric rehabilitation services according to the requirements herein.

All behavioral health services shall be rendered in a manner that supports the recovery of persons experiencing mental illness and enhance the development of resiliency of children and families who are impacted by mental illness, serious emotional disturbance, and/or substance abuse issues. Recovery is a consumer driven process in which consumers are able to work, learn and participate fully in their communities. Recovery is the ability to live a fulfilling and productive life [with] a disability.

SERVICE	Mental Health Case Management
----------------	--------------------------------------

DEFINITION

Mental health case management is a supportive service provided to enhance treatment effectiveness and outcomes with the goal of maximizing resilience and recovery options and natural supports for the individual. Mental health case management is consumer-centered, consumer focused and strength-based, with services provided in a timely, appropriate, effective, efficient and coordinated fashion. It consists of activities performed by a team or a single mental health case manager to support clinical services. Mental health case managers assist in ensuring the individual/family access to services.

The Case Management Society of America (CMSA) defines case management as a collaborative process of assessment, planning, facilitation and advocacy for options and services to meet an individual's and family's comprehensive health needs through communication and available resources to promote quality cost-effective outcomes.

Mental health case management requires that the mental health case manager and the individual and/or family have a strong productive relationship which includes viewing the individual/family as a responsible partner in identifying and obtaining the necessary services and resources. Services rendered to children and youth shall be consumer-centered and family-focused with case managers working with multiple systems (e.g. education, child welfare, juvenile justice). Mental health case management is provided in community settings, which are accessible and comfortable to the individual/family. The service should be rendered in a culturally competent manner and be outcome driven. Mental health case management shall be available 24 hours a day, 7 days a week. The service is not time limited and provides the individual/family the opportunity to improve their quality of life.

The CONTRACTOR shall ensure mental health case management is rendered in accordance with all of the service components and guidelines herein.

SERVICE DELIVERY

The CONTRACTOR shall:

- Determine caseload size based on an average number of individuals per case manager, with the expectation being that case managers will have mixed caseloads of clients and flexibility between Levels 1 and 2a and 2b (Levels 1 and 2 are defined below); and
- Ensure that caseload sizes and minimum contacts are met as follows:

Case Management Type	Maximum Caseload Size	Minimum Face-to-Face Contacts
Level 1 (Team Intensive Approaches) Delivered by an Interdisciplinary Team		
Adult CTT	20 individuals:1 team 20 individuals:1 case manager	One (1) contact per week
Children & Youth (C&Y) CTT	15 individuals:1 team 15 individuals:1 case manager	One (1) contact per week
CCFT	15 individuals:1 team 15 individuals:1 case manager	One (1) contact per week
ACT	100 individuals:1 team 15 individuals:1 case manager	One (1) contact per week
PACT	100 individuals:1 team 15 individuals:1 case manager	One (1) contact per week

The CONTRACTOR shall ensure that the following requirements are met:

- 1) All mental health case managers shall have, at a minimum, a bachelor's degree or be licensed as a Registered Nurse;
- 2) Supervisors shall maintain no greater than a 1:30 supervisory ratio with mental health case managers;
- 3) Mental health case managers who are assigned to both a parent(s) and child in the same family, should have skills and experience needed for both ages; mental health case managers who are assigned to

individuals with co-occurring disorders (mental illness and substance abuse disorders) should have the skills and experience to meet the needs of these individuals;

- 4) A minimum of fifty-one percent (51%) of all mental health case management services should take place outside the case manager's office at the most appropriate setting;
- 5) The children and youth (C&Y) (under age eighteen (18)) mental health case management model shall provide a transition from C&Y services into adult services, including adult mental health case management services. The decision to serve an 18-year old youth via the C&Y case management system versus the adult system shall be a clinical one made by a provider. Transition from children's services, including mental health case management, shall be incorporated into the child's treatment plan; and
- 6) All mental health case management services shall be documented in a treatment plan. Mental health case management activities are correlated to expected outcomes and outcome achievement and shall be monitored, with progress being noted periodically in a written record.

Level 1

Level 1 mental health case management is the most intense level of service. It provides frequent and comprehensive support to individuals with a focus on recovery and resilience. The CONTRACTOR shall ensure the provision of level 1 mental health case management to the most severely disabled adults and emotionally disturbed children and youth, including individuals who are at high risk of future hospitalization or placement out of the home and require both community support and treatment interventions. Level 1 mental health case management shall be rendered through a team approach. Team approaches may include such models as ACT, CTT, CCFT and PACT, as described below: *Assertive Community Treatment (ACT)*

ACT is a way of delivering comprehensive and effective services to adults diagnosed with severe mental illness and who have needs that have not been well met by traditional approaches to delivering services. The principles of ACT include:

- 1) Services targeted to a specific group of individuals with severe mental illness;
- 2) Treatment, support and rehabilitation services provided directly by the ACT team;
- 3) Sharing of responsibility between team members and individuals served by the team;
- 4) Small staff (all team staff including case managers) to individual ratios (approx. 1 to 10);
- 5) Comprehensive and flexible range of treatment and services;
- 6) Interventions occurring in community settings rather than in hospitals or clinic settings;
- 7) No arbitrary time limit on receiving services;
- 8) Individualized treatment, support and rehabilitation services;
- 9) Twenty-four (24) hour a day availability of services; and
- 10) Engagement of individuals in treatment and monitoring.

Continuous Treatment Team (CTT)

CTT is a coordinated team of staff (to include physicians, nurses, case managers, and other therapists as needed) who provide a range of intensive, integrated mental health case management, treatment, and rehabilitation services to adults and children and youth. The intent is to provide intensive treatment to families of children and youth with acute psychiatric problems in an effort to prevent removal from the home to a more restrictive level of care. An array of services are delivered in the home or in natural settings in the community, and are provided through a strong partnership with the family and other community support systems. The program provides services including crisis intervention and stabilization, counseling, skills building, therapeutic intervention, advocacy, educational services, medication management as indicated, school based counseling and consultation with teachers, and other specialized services deemed necessary and appropriate.

Comprehensive Child and Family Treatment (CCFT)

CCFT services are high intensity, time-limited services designed for children and youth to provide stabilization and deter the “imminent” risk of State custody for the individual. There is usually family instability and high-risk behaviors exhibited by the child/adolescent. CCFT services are concentrated on child, family, and parental/guardian behaviors and interaction. CCFT services are more treatment oriented and situation specific with a focus on short-term stabilization goals. The primary goal of CCFT is to reach an appropriate point of stabilization so the individual can be transitioned to a less intense outpatient service.

Program of Assertive and Community Treatment (PACT)

PACT is a service delivery model for providing comprehensive community-based treatment to adults with severe and persistent mental illness. It involves the use of a multi-disciplinary team of mental health staff organized as an accountable, mobile mental health agency or group of providers who function as a team interchangeably to provide the treatment, rehabilitation and support services persons with severe and/or persistent mental illnesses need to live successfully in the community.

Level 2a and Level 2b

Level 2 mental health case management is a less intensive level of service than Level 1 and is focused on resilience and recovery. The CONTRACTOR shall ensure that level 2 mental health case management is provided to individuals whose symptoms are at least partially stabilized or reduced in order to allow treatment and rehabilitation efforts.

Where available, peer recovery services and family support services may be used as an adjunct to the case manager in monitoring the member prior to discharge from Level 2 case management. However, at no time should peer recovery services and family support services in the form of Certified Peer Recovery Specialist and/or Certified Family Support Specialists, or any other form, become a substitute for case managers in the delivery of case management services.

SERVICE COMPONENTS

The CONTRACTOR shall ensure that mental health case management incorporates the following service components:

Crisis Facilitation

Crisis facilitation is provided in situations requiring immediate attention/resolution for a specific individual or other person(s) in relation to a specific individual. It is the process of accessing and coordinating services for an individual in a crisis situation to ensure the necessary services are rendered during and following the crisis episode. Most crisis facilitation activities would involve face-to-face contact with the individual.

Assessment of Daily Functioning

Assessment of daily functioning involves the on-going monitoring of how an individual is coping with life on a day to day basis for the purposes of determining necessary services to maintain community placement and improve level of functioning. Most assessments of daily functioning are achieved by face-to-face contact with the individual in his or her natural environment.

Assessment/Referral/Coordination

Assessment/referral/coordination involves assessing the needs of the individual for the purposes of referral and coordination of services that will improve functioning and/or maintain stability in the individual's natural environment.

Mental Health Liaison

Mental health liaison services are offered to persons who are not yet assigned to mental health case management. It is a short-term service for the purposes of service referral and continuing care until other mental health services are initiated.

DEFINITION

Psychiatric rehabilitation is an array of consumer-centered recovery services designed to support the individual in the attainment or maintenance of his or her optimal level of functioning. These services are designed to capitalize on personal strengths, develop coping skills and strategies to deal with deficits and develop a supportive environment in which to function as independent as possible on the individual's recovery journey.

Services included under psychiatric rehabilitation are as follows.

SERVICE COMPONENTS**Psychosocial Rehabilitation**

Psychosocial rehabilitation services utilize a comprehensive approach (mind, body, and spirit) to work with the whole person for the purposes of improving an individuals' functioning, promoting management of illness(s), and facilitating recovery. The goal of psychosocial rehabilitation is to support individuals as active and productive members of their communities. Individuals, in partnership with staff, form goals for skills development in the areas of vocational, educational, and interpersonal growth (e.g. household management, development of social support networks) that serve to maximize opportunities for successful community integration. Individuals proceed toward goal attainment at their own pace and may continue in the program at varying levels intensity for an indefinite period of time.

Supported Employment

Supported employment consists of a range of services to assist individuals to choose, prepare for, obtain, and maintain gainful employment that is based on individuals' preferences, strengths, and experiences. This service also includes a variety of support services to the individual, including side-by-side support on the job. These services may be integrated into a psychosocial rehabilitation center.

Peer Recovery Services

Peer recovery services allow individuals to direct their own recovery and advocacy process and are provided by persons who are or have been consumers of the behavioral health system and are Certified Peer Recovery Specialists. A Certified Peer Recovery Specialist is a person who has identified himself or herself as having received or is receiving mental health, substance abuse or co-occurring disorder services in his or her personal recovery process, has undergone training recognized by the Tennessee Department of Mental Health and Substance Abuse Services on how to assist peers with the recovery process and received certification.

These services include providing assistance with more effectively utilizing the service delivery system (e.g. assistance in developing plans of care, accessing services and supports, partnering with professionals) or understanding and coping with the stressors of the person's illness through support groups, role modeling, and mentoring. Activities which promote socialization, recovery, self-advocacy, development of natural supports, and maintenance of community living skills are rendered so individuals can educate and support each other in the acquisition of skills needed to manage their illnesses and access resources within their communities. Services are often provided during the evening and weekend hours.

Family Support Services

Family support services are used to assist other caregivers of children or youth diagnosed with emotional, behavioral, or co-occurring disorders, and are provided by persons who are a Certified Family Support Specialist. A Certified Family Support Specialist is a person who has previously self-identified as the caregiver of a child or youth with an emotional, behavioral or co-occurring disorder and who has successfully navigated the child-serving systems to access treatment and resources necessary to build resiliency and foster success in the home, school, and community. This individual has successfully completed training recognized by TDMHSAS on how to assist other caregivers in fostering resiliency in their child based on the principles of resiliency and recovery.

These services include assisting caregivers in managing their child's illness and fostering resiliency and hope in the recovery process. These direct caregiver-to-caregiver support services include, but are not limited to, developing formal and informal supports, assisting in the development of strengths-based family and individual goals, serving as an advocate, mentor, or facilitator for resolution of issues that a caregiver is unable to resolve on his or her own, or providing education on system navigation and skills necessary to maintain a child with emotional, behavioral or co-occurring disorders in their home environment.

Illness Management & Recovery

Illness management and recovery services refers to a series of weekly sessions with trained mental health practitioners for the purpose of assisting individuals in developing personal strategies for coping with mental illness and promoting recovery. Illness management and recovery is not limited to one curriculum, but is open to all evidenced-based and/or best practice classes and programs such as WRAP (Wellness Recovery Action Plan).

Supported Housing

Supported housing services refers to services rendered at facilities that are staffed twenty-four (24) hours per day, seven (7) days a week with associated mental health staff supports for individuals who require treatment services and supports in a highly structured setting. These mental health services are for priority enrollees and are intended to prepare individuals for more independent living in the community while providing an environment that allows individuals to live in community settings. Given this goal, every effort should be made to place individuals in facilities near their families and other support systems and original areas of residence. Supported housing services are mental health services and do not include the payment of room and board.

Definition

Behavioral health crisis services shall be rendered to individuals with a mental health or substance use/abuse issue when there is a perception of a crisis by an individual, family member, law enforcement, hospital staff or others who have closely observed the individual experiencing the crisis. Crisis services are available twenty-four (24) hours a day, seven (7) days a week. Crisis services include twenty-four (24) hour toll free telephone lines answered in real time by trained crisis specialists and face-to-face crisis services including, but not limited to: prevention, triage, intervention, evaluation/referral for additional services/treatment, and follow-up services. Certified Peer Recovery Specialists and/or Certified Family Support Specialists shall be utilized in conjunction with crisis specialists to assist adults and children in alleviating and stabilizing crises and promote the recovery process as appropriate. Behavioral health crisis service providers are not responsible for pre-authorizing emergency involuntary hospitalizations.

The Mental Health Crisis Response Services - Community Face-to-Face Response Protocols provide guidance for calls that are the responsibility of a crisis response service to determine if a Face-to-Face evaluation is warranted and those that are not the responsibility of the crisis response service. These Protocols were developed to ensure that consumers who are experiencing a behavioral health crisis and have no other resources receive prompt attention. All responses are first determined by clinical judgment.

Guidance for All Calls:

- For calls originating from an Emergency Dept., telehealth is the preferred service delivery method for the crisis response service
- After determining that there is no immediate harm, ask the person if he or she can come to the closest walk-in center
- If a Mandatory Pre-screening Agent (MPA) not employed by a crisis response service is available, there may be no need for a crisis evaluation by mobile crisis
- For all other calls, unless specified in the Protocols, if a person with mental illness is experiencing the likelihood of immediate harm then a response is indicated.

If TENNCARE determines the CONTRACTOR's response demonstrates existence of alternate measures or unique market conditions, TENNCARE may elect to request periodic updates from the CONTRACTOR regarding efforts to address such conditions.

\$374,729 (April 2, 2007 – February 7, 2011)

DATES OF SERVICE AUDITED:
November 1, 2009 – November 9, 2010

OVERPAYMENT IDENTIFIED:
\$ 31,861

ALLEGATION:
Provider is allegedly billing an excessive number of services per day.

SOURCE/PREDICATION:
Data analysis internal lead from the Medicaid Plan

PROCEDURE CODE and MODIFIERS: 99214 – Office/outpatient visit for the evaluation and

mgmt of an estab patient Mod 25 – A significant, separately identifiable service by the same physician on the same day of the procedure or other service.

Mod 59 – Distinct procedural service is distinct and or independent from other services performed on same day. Identifies procedures not normally reported together.

BILLING ENTITY:

Payments are made to the group via EFT.

MEDICAL RECORD TYPE:

Hard copy, hand written

SUMMARY OF PRELIMINARY INVESTIGATION ACTIONS:

Sampling:

A sample for 99214s with modifiers 25 and/or 59 for dates of service 11/1/0911/9/10 was generated. The universe size was 430 whereas a sample 30 of dates of service was pulled. A total of \$100,000 was paid to the universe.

Medical Record Review and Findings:

On January 15, 2010 the medical record review was completed by an internal certified professional coder (CPC). There were a total of 138 services reviewed. The following is a summary of the services:

Service not allowed because documentation does not support service	4
Service line not allowed appears to be duplicate	1
Service not audited because documentation not provided	7
Procedure 96372 not allowed because reimbursement is included in EM CPT	16
Level of service not supported in documentation down code 99214 to 99213	24
Level of service not supported in documentation down code 99214 to 99212	1
Services appropriate for payment	85
Total Number of Services Audited	138

Modifier 25 was appended to the E/M services 97% of the time. It is inappropriate to append this modifier to an E/M service when it is billed in conjunction with laboratory services; 13 services were denied based on this rule.

Modifier 59 was appended on all ancillary codes (other than J codes) 100% of the time. It did not appear to be appropriately used in any instances. For example, claims for the therapeutic, prophylactic, or diagnostic injection and infusions (CPT 96365 or CPT 96372) that were appended with modifier 59 were denied 16 times.

Under certain circumstances, it may be necessary to indicate that a procedure of service was distinct or independent from other non E/M services performed on the same day. Modifier 59 is used to identify procedures/services, other than E/M services, that are not normally reported together, but are appropriate under the circumstances. However, when another already established modifier is appropriate it should be used rather than modifier 59, only if no more descriptive modifier is available, and the use of modifier 59 best explains the circumstances, should modifier 59 be used.

Note: it is not necessary to append modifier 59 to multiple laboratory services as it does not meet the circumstances stated above.

PRIOR EDUCATIONS:

None recorded

PREPAYMENT REVIEW:

None

INTERAGENCY CONTACT:

None

ADDITIONAL SUBJECT INFORMATION:

John Smith has hospital privileges at ABC Community Hospital.

DISCLOSURE OF OWNERSHIP and CONTROL:

John Smith owns 100% of the entity.

DETERMINATION:

Based on the medical record review it has been determined that the provider is abusing “modifier 25 and 59” in order to have add on services reimbursed that are typically already covered in the reimbursement of the E/M code.

RECOMMENDATION:

Petition for the Health Plan to pursue administratively by issuing/implementing:

- Initiate pre payment review
- Demand letter for repayment
- Educate the provider on proper billing and medical record documentation.
- Initiate a Corrective Action Plan with the provider
- Continued monitoring of the provider’s billing after notification of overpayment.

TennCare Recommended MCC Referral Protocol:

1) the submission of documents related to the provider fraud and abuse referral should be via TennCare SFTP server

(path: **tncare.sftp.state.tn.us/tncare/MCC###/orr/OPI/in**) with password protections on documents;

2) concurrently, a notice of submission should be e-mailed to

ProgramIntegrity.TennCare@tn.gov with a subject line stating "MCC### Notice of Referral

NEMT REQUIREMENTS

ATTACHMENT XI NEMT REQUIREMENTS

A.1 GENERAL

- A.1.1 The CONTRACTOR, in its delivery of NEMT services, shall comply with all of the requirements in this Attachment XI. The requirements in this Attachment are in addition to, not instead of, requirements found elsewhere in the Contract.
- A.1.2 The CONTRACTOR shall develop written policies and procedures that describe how the CONTRACTOR, in the delivery of NEMT services, shall comply with the requirements of the Contract, including this Attachment. Pursuant to Section A.2.25.4 of the Contract, TENNCARE will specify the policies and procedures that must be prior approved in writing by TENNCARE. As part of its policies and procedures the CONTRACTOR shall develop an operating procedures manual detailing procedures for meeting, at a minimum, requirements regarding the following:
- A.1.2.1 Requesting NEMT services (see Section A.3 of this Attachment);
 - A.1.2.2 Approving NEMT services (see Section A.4 of this Attachment); and
 - A.1.2.3 Scheduling, assigning and dispatching trips (see Section A.5 of this Attachment).
- A.1.3 The CONTRACTOR shall develop and submit to the Bureau of TennCare for approval, a policy addressing No-Shows which limits the amount of trips a member can take when the CONTRACTOR has determined that the member has missed scheduled trips for NEMT services for a designated number of trips. Upon the approval of these policies by the Office of Contract Compliance, the CONTRACTOR shall assure all policies are implemented and followed by their NEMT brokers and their providers.

A.2 NEMT READINESS REVIEW

The readiness review referenced in Section A.2.1.2 of the Contract shall include NEMT. As part of the readiness review the CONTRACTOR shall demonstrate its ability to meet the NEMT requirements of the Contract, including this Attachment.

A.3 REQUESTING NEMT SERVICES

- A.3.1 Members or their representatives shall be allowed to make requests for NEMT services on behalf of members. For DCS enrollees (as defined in Exhibit A of this Attachment), representatives include the member's DCS liaison, foster parent, adoptive parent, or provider. For members enrolled in an HCBS waiver for persons with Intellectual Disabilities, the member's Independent Support Coordinator/Case Manager or the member's residential or day services provider may make requests for NEMT services, even when the member's residential or day services provider is also a the contract provider that will deliver the NEMT services to the member.

A.3.2 Requests for NEMT services should be made at least seventy-two (72) hours before the NEMT service is needed. However, this timeframe does not apply to urgent trips (see Section A.5.7 of this Attachment), scheduling changes initiated by the provider, and follow-up appointments when the timeframe does not allow advance scheduling. In addition, the CONTRACTOR shall accommodate requests for NEMT services that are made within the following timeframes: three (3) hours before the NEMT service is needed when the pick-up address is in an urban area and four (4) hours before the NEMT service is needed when the pick-up address is in a non-urban area. The CONTRACTOR shall provide additional education to members who fail to request transportation seventy-two (72) hours before the NEMT service is needed (see Section A.10 of this Attachment).

A.3.3 The CONTRACTOR shall not have a time limit for scheduling transportation for future appointments. For example, if a member calls to schedule transportation to an appointment that is scheduled in two (2) months, the CONTRACTOR shall arrange for that transportation and shall not require the member to call back at a later time. Members identified as a No Show and have been placed on probation may be required to call back at a later time.

A.4 APPROVING NEMT SERVICES

A.4.1 General

A.4.1.1 Transportation for a minor child shall not be denied pursuant to any policy that poses a blanket restriction due to member's age or lack of accompanying adult. Any decision to deny transportation of a minor child due to a member's age or lack of an accompanying adult shall be made on a case-by-case basis and shall be based on the individual facts surrounding the request and State of Tennessee law. Tennessee recognizes the "mature minor exception" to permission for medical treatment. The age of consent for children with mental illness is sixteen (16) (see TCA 33-8-202).

A.4.1.2 As part of the approval process, the CONTRACTOR shall:

A.4.1.2.1 Collect relevant information from the caller and enter it into the CONTRACTOR's system (see Section A.5.10 of this Attachment);

A.4.1.2.2 Verify the member's eligibility for NEMT services;

A.4.1.2.3 Determine the appropriate mode of transportation for the member;

A.4.1.2.4 Determine the appropriate level of service for the member;

A.4.1.2.5 Approve or deny the request; and

A.4.1.2.6 Enter the appropriate information into the CONTRACTOR's system (see Section A.5.10 of this Attachment).

A.4.2 Verifying Eligibility for NEMT Services

A.4.2.1 The CONTRACTOR shall screen all requests for NEMT services to confirm each of the following items:

- A.4.2.2 That the person for whom the transportation is being requested is a TennCare enrollee and enrolled in the CONTRACTOR's MCO;
- A.4.2.3 That the service for which NEMT service is requested is a TennCare covered service (as defined in Exhibit A of this Attachment);
- A.4.2.4 That the enrollee is eligible in accordance with policies and procedures approved by the Office of Contract Compliance regarding No-Shows; and
- A.4.2.5 That the transportation is a covered NEMT service (see Section A.2.6.1.3 of the Contract).

A.4.3 Determining the Appropriate Mode of Transportation

A.4.3.1 General

- A.4.3.1.1 If the criteria in Section A.4.2 of this Attachment are met, the CONTRACTOR shall determine what mode of transportation is appropriate to meet the needs of the member. The modes of transportation that shall be covered by the CONTRACTOR include, but are not limited to: fixed route, multi-passenger van, wheelchair van, invalid vehicle, and ambulance.
- A.4.3.1.2 In order to determine the appropriate mode of transportation, the CONTRACTOR shall:
 - A.4.3.1.2.1 Determine whether the member is ambulatory and the member's current level of mobility and functional independence;
 - A.4.3.1.2.2 Determine whether the member will be accompanied by an escort, and, if so, whether the member requires assistance and whether the escort meets the requirements for an escort (see TennCare rules and regulations);
 - A.4.3.1.2.3 Determine whether a member is under the age of eighteen (18) and will be accompanied by an adult; and
 - A.4.3.1.2.4 Assess any special conditions or needs of the member, including physical or behavioral health disabilities.

A.4.3.2 Fixed Route

- A.4.3.2.1 The CONTRACTOR shall utilize fixed route transportation whenever available and appropriate to meet the needs of the member.
- A.4.3.2.2 The CONTRACTOR shall be familiar with schedules of fixed route transportation in communities where it is available and where it becomes available during the term of the Contract.
- A.4.3.2.3 The CONTRACTOR shall distribute and/or arrange for the distribution of fixed route tickets, tokens or passes to members for whom fixed route transportation is available and appropriate. The CONTRACTOR shall have controls in place to track the

distribution of tickets/tokens/passes. The CONTRACTOR shall use best efforts that tickets/tokens/passes are used appropriately.

A.4.3.2.4 The CONTRACTOR shall consider the following when determining whether fixed route transportation is available and appropriate for a member:

A.4.3.2.4.1 The furthest distance a member shall be required to travel to or from a fixed route transportation stop is one-third (1/3) of a mile;

A.4.3.2.4.2 The member shall not be required to change buses/trolleys more than once each leg of the trip;

A.4.3.2.4.3 Using fixed route transportation shall not increase travel time more than sixty (60) minutes as compared to transportation directly from the pick-up location to the drop-off destination;

A.4.3.2.4.4 The fixed route transportation schedule shall allow the member to arrive at the destination no more than sixty (60) minutes prior to the scheduled appointment time and shall be flexible on the return so that the member does not have to wait at the pick-up location more than sixty (60) minutes after the estimated time the appointment will end;

A.4.3.2.4.5 Whether fixed route transportation is appropriate based on the member's physical or behavioral health disabilities; and

A.4.3.2.4.6 Whether using fixed route for the requested trip is appropriate considering the accessibility of the stops and the safety in accessing the stops.

A.4.3.2.5 Fixed route shall not be appropriate for a member whose physician states in writing that the member cannot use fixed route transportation.

A.4.3.3 Ambulance

The CONTRACTOR's policies and procedures regarding the appropriateness of using an ambulance to provide covered NEMT services shall be based on Medicare's medical necessity requirements (see, e.g., 42 CFR 410.40 and Medicare Benefit Policy Manual, Chapter 10 - Ambulance Services).

A.4.4 Determining Level of Service

- A.4.4.1 The CONTRACTOR shall assess the member's needs to determine whether the member requires curb-to-curb, door-to-door, or hand-to-hand service (as these terms are defined in Exhibit A of this Attachment).
- A.4.4.2 The CONTRACTOR may require a medical certification statement from the member's provider in order to approve door-to-door or hand-to-hand service. Medical certification shall be completed within the timeframes specified in Section A.5.1.4 of this Attachment.
- A.4.4.3 The CONTRACTOR shall ensure that members receive the appropriate level of service.
- A.4.4.4 Failure to comply with requirements regarding level of service may result in liquidated damages as provided in Section E.29.2 of the Contract, Section A.20 of this Attachment, and/or Exhibit F of this Attachment.

A.4.5 Standing Orders

- A.4.5.1 Except as provided in this Section A.4.5, the approval of Standing Orders by the CONTRACTOR shall be consistent with the requirements in Sections A.4.1 through A.4.4.
- A.4.5.2 In order to approve a Standing Order (as defined in Exhibit A of this Attachment), the CONTRACTOR shall, at a minimum, call the provider to verify the series of appointments. The CONTRACTOR may, at its discretion, require that the member's provider certify the series of appointments in writing.
- A.4.5.3 The CONTRACTOR shall approve Standing Orders consistent with the series of appointments. For example, if the member has a series of appointments over six (6) months, the CONTRACTOR shall approve transportation for each trip, including all legs of the trip, for the six (6) months. However, the CONTRACTOR shall verify the member's eligibility prior to each pick-up. The CONTRACTOR may verify additional information before each pick-up as necessary.

A.4.6 Validating Requests

- A.4.6.1 The CONTRACTOR shall conduct random pre-transportation validation checks prior to the member receiving the services in order to prevent fraud and abuse. The amount validated shall be two percent (2%) of NEMT scheduled trips per month.
- A.4.6.2 The CONTRACTOR may verify the need for an urgent trip with the provider prior to approving the trip.
- A.4.6.3 If requested by TENNCARE, the CONTRACTOR shall conduct pre-transportation validation checks of trips requested by specified members and/or to specific services or providers.

- A.4.6.4 Focus of the Pre-Validations shall be, but may not be limited to, members who utilize NEMT services frequently but do not have standing orders as well as members who routinely do not adhere to the seventy-two (72) hour notice requirement.
- A.4.6.5 All pre-transportation validation checks shall be conducted within the timeframes specified in Section A.5.1.5 of this Attachment.

A.5 SCHEDULING, ASSIGNING, AND DISPATCHING TRIPS

A.5.1 General

- A.5.1.1 The CONTRACTOR shall ensure that covered NEMT services are available twenty-four (24) hours a day, three hundred and sixty-five (365) days a year.
- A.5.1.2 After approving a NEMT service to be provided by a NEMT provider (i.e., not fixed route), the CONTRACTOR shall schedule and assign the trip to an appropriate NEMT provider (see A.5.3 for persons enrolled in an HCBS waiver for persons with Intellectual Disabilities).
- A.5.1.3 After approving a NEMT service to be provided by a NEMT provider (i.e., not fixed route), the CONTRACTOR shall schedule and assign the trip to an appropriate NEMT provider.
- A.5.1.4 The CONTRACTOR shall approve and schedule or deny a request for transportation (including all legs of the trip) within twenty-four (24) hours of receiving the request. This timeframe shall be reduced as necessary to ensure the member arrives in time for his/her appointment. Failure to comply with this requirement may result in liquidated damages as provided in Section E.29.2. of the Contract, Section A.20 of this Attachment, and/or Exhibit F of this Attachment.
- A.5.1.5 The CONTRACTOR shall ensure that trips are dispatched appropriately and meet the requirements of this Attachment. The dispatcher shall, at minimum, provide updated information to drivers, monitor drivers' locations, and resolve pick-up and delivery issues.
- A.5.1.6 Failure to comply with requirements regarding scheduling, assigning and dispatching trips may result in liquidated damages as provided in Section E.29.2 of the contract, Section A.20 of this Attachment, and/or Exhibit F of this Attachment.

A.5.2 Multi-Passenger Transportation

- A.5.2.1 The CONTRACTOR may group enrollees and trips (or legs of trips) to promote efficiency and cost effectiveness. The CONTRACTOR may contact providers if necessary to coordinate multi-passenger transportation.
- A.5.2.2 For multi-passenger trips, the CONTRACTOR shall schedule each trip leg so that a member does not remain in the vehicle for more than one (1) hour longer than the average travel time for direct transportation of that member.

- A.5.2.3 Members shall not be required to arrive at their scheduled appointment more than one (1) hour before their appointment time. Members shall not be dropped off for their appointment before the provider's office or facility has opened their doors.

A.5.3 Choice of NEMT Provider

Except for persons enrolled in an HCBS waiver for persons with Intellectual Disabilities, the CONTRACTOR is not required to use a particular NEMT provider or driver requested by the member. However, the CONTRACTOR may accommodate a member's request to have or not have a specific NEMT provider or driver. If an HCBS waiver participant's residential or day services waiver provider is enrolled with the CONTRACTOR as an NEMT provider (pursuant to A.12.5), the CONTRACTOR shall permit the residential or day services waiver provider to provide medically necessary, covered NEMT services for waiver participants receiving HCBID waiver services from the provider, so long as the provider is able to provide the appropriate mode and level of service in a timely manner.

A.5.4 Notifying Members of Arrangements

If possible, the CONTRACTOR shall inform the member of the transportation arrangements (see below) during the phone call requesting the NEMT service. Otherwise, the CONTRACTOR shall obtain the member's preferred method (e.g., phone call, email, fax) and time of contact, and the CONTRACTOR shall notify the member of the transportation arrangements (see below) as soon as the arrangements are in place (within the timeframe specified in Section A.5.1.4 of this Attachment) and prior to the date of the NEMT service. Responsibility of determining whether transportation arrangements have been made shall not be delegated to the member. Information about transportation arrangements shall include but not be limited to the name and telephone number of the NEMT provider, the scheduled time and address of pick-up, and the name and address of the provider to whom the member seeks transport.

A.5.5 Notifying NEMT Providers

- A.5.5.1 The CONTRACTOR shall provide a trip manifest to the NEMT provider of all new trips requested prior to 5 p.m. on the same business day.
- A.5.5.2 The CONTRACTOR shall have the ability to send trip manifests to a NEMT provider by a facsimile device or secure electronic transmission, at the option of the NEMT provider. The CONTRACTOR shall ensure that provision of the trip manifest is in compliance with HIPAA requirements (see Section A.2.27 of the Contract). The CONTRACTOR shall have dedicated telephone lines available at all times for faxing purposes.
- A.5.5.3 The trip manifests supplied to NEMT providers shall include all necessary information for the driver to perform the trip, including but not limited to the information listed in Exhibit B of this Attachment.
- A.5.5.4 If the CONTRACTOR notifies a NEMT provider of a trip assignment after the timeframe specified in Section A.5.5.1, the CONTRACTOR shall also contact the NEMT provider by telephone and electronically to confirm that the trip will be accepted.

- A.5.5.5 The CONTRACTOR shall communicate information regarding cancellations to the NEMT provider in an expeditious manner to avoid unnecessary trips.

A.5.6 Accommodating Scheduling Changes

- A.5.6.1 The CONTRACTOR shall accommodate unforeseen schedule changes and shall timely assign the trip to another NEMT provider if necessary.
- A.5.6.2 The CONTRACTOR shall ensure that neither NEMT providers nor drivers change the assigned pick-up time without permission from the CONTRACTOR.

A.5.7 Urgent Trips

For urgent trips (as defined in Exhibit A of this Attachment), the CONTRACTOR shall contact an appropriate NEMT provider so that pick-up occurs within three (3) hours after the CONTRACTOR was notified when the pick-up address is in an urban area and four (4) hours after the CONTRACTOR was notified when the pick-up address is in a non-urban area. Trip mileage does not determine if a trip is urban or non-urban. As provided in Section A.4.6.2 of this Contract, the CONTRACTOR may verify the need for an urgent trip. Failure to comply with requirements regarding urgent trips may result in liquidated damages as provided in Section E.29.2. of the Contract, Section A.20 of this Attachment, and/or Exhibit F of this Attachment.

A.5.8 Adverse Weather Plan

The CONTRACTOR shall have policies and procedures for transporting members who need critical medical care, including but not limited to renal dialysis and chemotherapy, during adverse weather conditions. "Adverse weather conditions" includes, but is not limited to, extreme heat, extreme cold, flooding, tornado warnings and heavy snowfall. The policies and procedures shall include, at a minimum, staff training, methods of notification, and member education.

A.5.9 Contingency and Back-Up Plans

The CONTRACTOR shall have policies and procedures that describe contingency plans for unexpected peak transportation demands and back-up plans for instances when a vehicle is excessively late (more than twenty (20) minutes late) or is otherwise unavailable for service.

A.5.10 Approval and Scheduling System Features

- A.5.10.1 Each transportation request processed by the CONTRACTOR shall be assigned a unique number, shall contain all pertinent information about the request, and shall be available to NEMT Call Center staff. This information shall include, but not be limited to the following:

 - A.5.10.1.2 Determination that service is a TennCare covered service (e.g., level of service) (see Section A.4.2 of this Attachment);

- A.5.10.1.3 Determination that the transportation is a covered NEMT service (see Section A.4.2 of this Attachment);
- A.5.10.1.4 Determination of the appropriate mode of transportation (e.g., member's requested mode of transportation, member's special needs, availability and appropriateness of fixed route, the approved mode of transportation, justification for the approved mode of transportation);
- A.5.10.1.5 Determination of the appropriate level of service (see Section A.4.4 of this Attachment);
- A.5.10.1.6 Information regarding Standing Orders (if applicable) (see Section A.4.5 of this Attachment);

- A.5.10.1.9 Whether the request was validated;
- A.5.10.1.10 Timeframes for the approval process (e.g., date and time of request, determination, scheduling, and notification of member); and
- A.5.10.1.11 If applicable, reason for trip cancellation.
- A.5.10.2 The CONTRACTOR's approval and scheduling systems shall be coded such that policies and procedures are applied consistently.
- A.5.10.3 Based on approval of previous NEMT services, the CONTRACTOR shall display members' permanent and temporary special needs, appropriate mode of transportation, and any other information necessary to ensure that appropriate transportation is approved and provided. All of this information shall be easily accessible by all NEMT Call Center staff.
- A.5.10.4 The CONTRACTOR's approval and scheduling systems shall also support the following:
 - A.5.10.4.1 A database of NEMT providers that includes information needed to determine trip assignments such as but not limited to: types of vehicles, number of vehicles by type, lift capacity of vehicles, and geographic coverage.
 - A.5.10.4.2 Automatic address validations, distance calculations and trip pricing, if applicable;
 - A.5.10.4.3 Ability to generate a trip manifest (see Section A.5.5 of this Attachment);
 - A.5.10.4.4 Standing Order and Single Trip (as defined in Exhibit A of this Attachment) reservation capability; and
 - A.5.10.4.5 Ability to determine if fixed route transportation is available and appropriate for the member.

A.5.10.5 The CONTRACTOR's approval and scheduling system shall enable report and data submission as specified in the Contract.

A.6 PICK-UP AND DELIVERY STANDARDS

- A.6.1 The CONTRACTOR shall ensure that NEMT providers arrive on time for scheduled pick-ups. The NEMT provider may arrive before the scheduled pick-up time, but the member shall not be required to board the vehicle prior to the scheduled pick-up time.
- A.6.2 The CONTRACTOR shall ensure that drivers make their presence known to the member and wait until at least five (5) minutes after the scheduled pick-up time. If the member is not present five (5) minutes after the scheduled pick-up time, the driver shall notify the dispatcher before departing from the pick-up location.
- A.6.3 The CONTRACTOR shall ensure that drivers provide, at a minimum, the approved level of service (curb-to-curb, door-to-door, or hand-to-hand).
- A.6.4 The CONTRACTOR shall ensure that members arrive at pre-arranged times for appointments and are picked up at pre-arranged times for the return leg of the trip. If there is no pre-arranged time for the return leg of the trip, the CONTRACTOR shall ensure that members are picked up within one (1) hour after notification. Pick-up and drop-off times should be captured in such a way to allow reporting as requested by TENNCARE. Members shall not be required to arrive at their scheduled appointment more than one (1) hour before their appointment time. Members shall not be dropped off for their appointment before the provider's office or facility has opened their doors.
- A.6.5 The CONTRACTOR shall ensure that the waiting time for members for pick-up does not exceed ten (10) minutes past the scheduled pick-up time. Scheduled pick-up times shall allow the appropriate amount of travel time to assure the members arrive giving them sufficient time to check-in for their appointment. Members shall be dropped off for their appointment no less than fifteen (15) minutes prior to their appointment time to prevent the drop off time from being considered a late drop off.
- A.6.6 The CONTRACTOR shall ensure that if the driver will not arrive on time to the pick-up location, the driver shall notify the dispatcher, and the member is contacted.
- A.6.7 The CONTRACTOR shall ensure that if the driver will not arrive on time to an appointment, the driver shall notify the dispatcher, and the provider is contacted.
- A.6.8 The driver may refuse transportation when the member, his/her escort, or an accompanying adult (for a member under age eighteen (18)), according to a reasonable person's standards, is noticeably indisposed (disorderly conduct, indecent exposure, intoxicated), is armed (firearms), is in possession of illegal drugs, knives and/or other weapons, commits a criminal offense, or is in any other condition that may affect the safety of the driver or persons being transported. The CONTRACTOR shall ensure that if a driver refuses to transport a member the driver immediately notifies the dispatcher, and the dispatcher notifies the CONTRACTOR.
- A.6.9 The CONTRACTOR shall ensure that in the event of an incident or accident (see Section A.17.2 of this Attachment), the driver notifies the dispatcher immediately to report the incident or accident and that, if necessary, alternative transportation is arranged. The CONTRACTOR shall ensure that it is promptly notified of any incident or accident.

A.6.10 Failure to comply with requirements regarding pick-up and delivery standards may result in liquidated damages as provided in Section E.29.2. of the Contract, Section A.20 of this Attachment, and/or Exhibit F of this Attachment.

A.7.3 The CONTRACTOR shall ensure that any vehicle used to cross a state's border complies with any and all applicable federal, state (State of Tennessee and/or other state), and local requirements.

A.7.4 The CONTRACTOR shall ensure that each vehicle has a real-time link, telephone or two-way radio. Pagers are not acceptable as a substitute for this requirement.

A.7.5 The CONTRACTOR shall ensure that all vehicles transporting members with disabilities comply with applicable requirements of the Americans with Disabilities Act (ADA), including the accessibility specifications for transportation vehicles.

A.7.6 The CONTRACTOR shall ensure that, at minimum, all vehicles providing stretcher transport are owned and operated by an entity licensed by the Tennessee Department of Health (DOH) to provide invalid services, have an active valid permit issued by DOH as a ground invalid vehicle, and comply with DOH's requirements for ground invalid vehicles.
